Testimony on HB 2171
March 18, 2015

House Commerce, Labor and Economic Development Committee

Chairman Hutton, Vice Chair and Members of the Committee,

I am Philip Bradley representing the Kansas Licensed Beverage Association. Thank you for the opportunity to speak today and I will be brief and not repeat information presented by others.

The Kansas Viticulture and Farm Winery Assn. (KVFWA), Artisan Distillers of KS (ADK), and Craft Brewers Guild of KS (CBGK) have asked me to also speak for them on these issues.

We ask you to pass HB 2171. Allowing these items in retail locations is positive for the retailers who wish to add another product. And it is positive for the state. It is job friendly and will help keep people working while still protecting the citizens of Kansas. We are appreciative of all efforts to assist the small businesses of Kansas.

HB 2171 would also advance the ability to help battle underage use by assuring there is a penalty for those who choose to break the law. It has reasonable restrictions.. **We urge you to advance this measure.**

Again thank you for your attention and consideration. I am available for your questions.

Philip Bradley

KLBA – Kansas Licensed Beverage Assn. represents the interests of the men and women in the hospitality industry, who own, manage and work in Kansas bars, breweries, clubs, caterers, hotels, and restaurants. These are the places you frequent and enjoy with the tens of thousands of employees that are glad to serve you.

KVFWA – Kansas Viticulture and Farm Winery Assn: We began our Association in 2004 but our journey began decades ago. Our mission is the promotion of the production of wine from Kansas grapes, the science and practice of viticulture in the State of Kansas, and the development of Kansas Farm Wineries. We include farm wineries (such as **Blue Jacket, Davenport, Holy-Field, Stone Pillar and White Tail Run**) and numerous growers of fine grapes.

CBGK-Craft Brewers Guild of Kansas consists of the microbreweries and craft brewers of Kansas. We are a diverse group that embraces the age old art of brewing both commercial operations and the home hobby artist brewer.

ADK-Artisan Distillers of Kansas are Kansans inspired to hand craft distilled spirits for sale and sharing.
