**Testimony to the House Transportation Committee
In Support of SB405
March 16, 2016**

Chairman Proehl and Committee Members,

Our associations support SB405. This change in the Kansas law allowing titling travel trailers as salvage or off-road, as appropriate, will protect Kansans from fraudulent activity. As we understand the problem, it is not uncommon for travel trailers which have been titled in other states as salvage vehicles to be brought to Kansas and titled, resulting in the appearance of a clean title. This leaves persons who later buy those trailers believing there has not been any extensive damage issues with a trailer that may contain health hazards or other problems greatly decreasing the value of the travel trailer. Kansans deserve better protection than this.

We urge you to pass SB405 out of your committee favorably.
