### **The Kansas 911 Act: Reviewing Implementation of the 2012 Act**

Scott Frank did not actually do the audit but is here today to give a report on the findings. The salient point of his presentation is for the purpose of evaluating the status of 911 service implementation among Kansas Public Safety Answering Points ("PSAPs"), whether the moneys received by the PSAPs are being used appropriately, and whether the amount of moneys collected are adequate.
