

# Wichita East Subarea Displacement

# Wichita East

- I-35 (KTA) and Kellogg interchange
- Access to the Subarea is via bridge over KTA mainline.
- This bridge will be displaced by interchange improvements 2017 under project KA-2389-01.

# Kechi Site

- Newly constructed KHP Headquarters – 2016.
- The site is owned by KDOT.
- Utilities have been brought to the site during KHP project.
- Access and fuel facilities will be shared with KHP.
- Paid for through project KA-2389-02
- The Kechi site provides an opportunity to combine two Subareas into one.
