Senate Federal and State Affairs Committee
State Capitol, Room 136E
Topeka KS 66612

Chairman Ostmeyer:

I appreciate the opportunity to submit this letter on the record of SB 66, which was heard today in committee. After hearing the bill explained by Senator Forrest Knox, the Kansas Association of Counties stands in support of the bill. We also support the conceptual amendments outlined by Senator Knox during the hearing.

I appreciate your acceptance of my testimony after the hearing.

Sincerely,
