RE: Support for House Bill 2111

Dear Chairman Barker:

I write this letter in support of House Bill 2111 on behalf of my client, Credit Management Services, Inc. ("CM"). CM provides collection services to businesses and organizations across the state of Kansas. In doing so, CM files limited actions civil lawsuits in Kansas courts.

The ability to recover certain administrative fees associated with filing pleadings and other papers in Kansas courts is important to CM, and to the businesses and organizations that rely on CM to recover amounts due. House Bill 2111 would provide Kansas courts with clear authority to include such administrative fees in judgment awards. For the foregoing reasons, CM supports House Bill 2111.

Respectfully,

CREDIT MANAGEMENT SERVICES, INC.
