

MEMORANDUM

DATE: March 17, 2015

TO: Senator Larry Powell, Chair of the Senate Committee on Natural Resources

FROM: Leo Henning - Director, KDHE Bureau of Environmental Remediation

SUBJECT: Superfund Program Environmental Obligations

The Senate Natural Resources Committee requested on March 11, 2015, a current list of environmental obligations for Superfund sites in Kansas. Attached is the list of active Superfund sites with the corresponding past and anticipated future costs. These obligations are based on existing Superfund State Contracts for past remedial activities and KDHE's estimated cost for future remedial actions and subsequent long-term operation and maintenance activities.

Thank you and please feel free to call me at (785) 296-1662 or email lhenning@kdheks.gov if you have any questions.
