

HOUSE BILL No. 2391

By Representative Pottorff

2-7

AN ACT requiring the state board of education to provide leadership institutes for superintendents of schools and building principals.

Be it enacted by the Legislature of the State of Kansas:

Section 1. The state board of education shall provide leadership institutes for superintendents of schools and building principals. The topics to be addressed shall include, but not by way of limitation, an exploration of various aspects of school leadership and management, team building and strengthening team effectiveness, decision making, change, and organizational dynamics. In complying with the requirements of this section, the state board of education may contract with professional development centers, institutions of higher education and faculty of such institutions and such other professional organizations as the state board deems appropriate to fulfillment of the provisions of this section.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
