

HOUSE BILL No. 2484

By Committee on Business, Commerce and Labor

2-9

AN ACT concerning cities and counties; prohibiting the enactment of certain local labor laws.

Be it enacted by the Legislature of the State of Kansas:

Section 1. No city or county acting through any process, shall enact any jurisdiction-wide law or ordinance with respect to minimum wages or enter into any contract in which the local government specifies the payment of minimum wages to employees of other parties to the contract unless specifically authorized to do so by this act.

(a) Any city or county regulation or law pertaining to minimum wages in effect as of July 1, 2000, shall remain in full force and effect until such law is repealed by the city or county entity that enacted the law.

(b) If it is determined by any officer or agency responsible for distributing federal moneys to a city or county that compliance with this act may cause denial of federal moneys that would otherwise be available or would otherwise be inconsistent with requirements of federal law, this section shall be suspended, but only to the extent necessary to prevent denial of the moneys or to eliminate the inconsistency with federal requirements.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
