

HOUSE BILL No. 2629

AN ACT relating to the security of the department of administration computer and telecommunication infrastructure space; concerning fingerprinting of certain personnel.

Be it enacted by the Legislature of the State of Kansas:

Section 1. As the infrastructure provider for information technology for the state of Kansas, the department of administration must insure the highest level of information security and privacy in order to protect law enforcement, state agencies and the citizens of Kansas. Toward this objective, the department of administration shall require as a condition of employment that individuals who have unescorted physical access to the data center, telecommunications facilities and other security sensitive areas as designated by the secretary of administration be fingerprinted, and such fingerprints shall be submitted to the Kansas bureau of investigation and to the federal bureau of investigation for the purposes of verifying the identity of such individuals and obtaining records of criminal arrests and convictions.

Sec. 2. This act shall take effect and be in force from and after its publication in the Kansas register.
