

HOUSE BILL No. 3021

AN ACT concerning the employment security law; amending K.S.A. 44-705 and K.S.A. 2001 Supp. 44-703 and 44-710 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2001 Supp. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid or payable by an employer during the calendar year.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contribution for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer's "average annual payroll" shall be the average of the payrolls for those two calendar years.

(3) "Total wages" means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1) of this section.

(b) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

(1) *If an individual lacks sufficient base period wages in order to establish a benefit year in the matter set forth above and satisfies the requirements of subsection (g) of K.S.A. 44-705 and subsection (hh) of K.S.A. 44-703, and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to prevent establishment of a valid claim. For the purposes of this subsection, "alternative base period" means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.*

(2) *For the purposes of this chapter, the term "base period" includes the alternative base period.*

(c) (1) "Benefits" means the money payments payable to an individual, as provided in this act, with respect to such individual's unemployment.

(2) "Regular benefits" means benefits payable to an individual under this act or under any other state law, including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85, other than extended benefits.

(d) "Benefit year" with respect to any individual, means the period beginning with the first day of the first week for which such individual files a valid claim for benefits, and such benefit year shall continue for one full year. In the case of a combined wage claim, the benefit year shall be the benefit year of the paying state. Following the termination of a benefit year, a subsequent benefit year shall commence on the first day of the first week with respect to which an individual next files a claim for benefits. When such filing occurs with respect to a week which overlaps the preceding benefit year, the subsequent benefit year shall commence on the first day immediately following the expiration date of the preceding benefit year. Any claim for benefits made in accordance with subsection (a) of K.S.A. 44-709 and amendments thereto shall be deemed to be a "valid claim" for the purposes of this subsection if the individual has been paid wages for insured work as required under subsection (e) of K.S.A. 44-705 and amendments thereto. Whenever a week of unemployment overlaps two benefit years, such week shall, for the purpose of granting waiting-period credit or benefit payment with respect thereto, be deemed to be a week of unemployment within that benefit year in which the greater part of such week occurs.

(e) "Commissioner" or "secretary" means the secretary of human resources.

(f) (1) "Contributions" means the money payments to the state em-

ployment security fund which are required to be made by employers on account of employment under K.S.A. 44-710 and amendments thereto, and voluntary payments made by employers pursuant to such statute.

(2) “Payments in lieu of contributions” means the money payments to the state employment security fund from employers which are required to make or which elect to make such payments under subsection (e) of K.S.A. 44-710 and amendments thereto.

(g) “Employing unit” means any individual or type of organization, including any partnership, association, limited liability company, agency or department of the state of Kansas and political subdivisions thereof, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign including nonprofit corporations, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representatives of a deceased person, which has in its employ one or more individuals performing services for it within this state. All individuals performing services within this state for any employing unit which maintains two or more separate establishments within this state shall be deemed to be employed by a single employing unit for all the purposes of this act. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this act, whether such individual was hired or paid directly by such employing unit or by such agent or employee, provided the employing unit had actual or constructive knowledge of the employment.

(a) The claimant has registered for work at and thereafter continued to report at an employment office in accordance with rules and regulations adopted by the secretary, except that, subject to the provisions of subsection (a) of K.S.A. 44-704 and amendments thereto, the secretary may adopt rules and regulations which waive or alter either or both of the requirements of this subsection (a).

(b) The claimant has made a claim for benefits with respect to such week in accordance with rules and regulations adopted by the secretary.

(c) The claimant is able to perform the duties of such claimant’s customary occupation or the duties of other occupations for which the claimant is reasonably fitted by training or experience, and is available for work, as demonstrated by the claimant’s pursuit of the full course of action most reasonably calculated to result in the claimant’s reemployment except that, notwithstanding any other provisions of this section, an unemployed claimant otherwise eligible for benefits shall not become ineligible for benefits because of the claimant’s enrollment in and satisfactory pursuit of approved training, including training approved under section 236(a)(1) of the trade act of 1974.

For the purposes of this subsection, an inmate of a custodial or correctional institution shall be deemed to be unavailable for work and not eligible to receive unemployment compensation while incarcerated.

No week shall be counted as a week of unemployment for the purposes of this subsection (d):

(1) If benefits have been paid for such week;

(2) if the individual fails to meet with the other eligibility requirements of this section; or

(3) if an individual is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such state or of the United States finally determines that the claimant is not entitled to unemployment benefits under such other law, this subsection (d)(3) shall not apply.

(e) For benefit years established on and after the effective date of this act, the claimant has been paid total wages for insured work in the claimant’s base period of not less than 30 times the claimant’s weekly benefit amount and has been paid wages in more than one quarter of the claimant’s base period, except that the wage credits of an individual earned during the period commencing with the end of a prior base period and ending on the date on which such individual filed a valid initial claim shall not be available for benefit purposes in a subsequent benefit year

unless, in addition thereto, such individual has returned to work and subsequently earned wages for insured work in an amount equal to at least eight times the claimant's current weekly benefit amount.

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in such services.

(g) *The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:*

Sec. 3. K.S.A. 2001 Supp. 44-710 is hereby amended to read as follows: 44-710. (a) *Payment.* Contributions shall accrue and become payable by each contributing employer for each calendar year in which the contributing employer is subject to the employment security law with respect to wages paid for employment. Such contributions shall become due and be paid by each contributing employer to the secretary for the employment security fund in accordance with such rules and regulations as the secretary may adopt and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ. In the payment of any contributions, a fractional part of \$.01 shall be disregarded unless it amounts to \$.005 or more, in which case it shall be increased to \$.01. Should contributions for any calendar quarter be less than \$1, no payment shall be required.

(b) *Rates and base of contributions.* (1) Except as provided in paragraph (2) of this subsection, each contributing employer shall pay contributions on wages paid by the contributing employer during each calendar year with respect to employment as provided in K.S.A. 44-710a and amendments thereto.

(2) (A) If the congress of the United States either amends or repeals the Wagner-Peyser act, the federal unemployment tax act, the federal social security act, or subtitle C of chapter 23 of the federal internal revenue code of 1986, or any act or acts supplemental to or in lieu thereof, or any part or parts of any such law, or if any such law, or any part or parts thereof, are held invalid with the effect that appropriations of funds by congress and grants thereof to the state of Kansas for the payment of costs of administration of the employment security law are no longer available for such purposes, or (B) if employers in Kansas subject to the payment of tax under the federal unemployment tax act are granted full credit against such tax for contributions or taxes paid to the secretary of human resources, then, and in either such case, beginning with the year in which the unavailability of federal appropriations and grants for such purpose occurs or in which such change in liability for payment of such federal tax occurs and for each year thereafter, the rate of contributions of each contributing employer shall be equal to the total of .5% and the rate of contributions as determined for such contributing employer under K.S.A. 44-710a and amendments thereto. The amount of contributions which each contributing employer becomes liable to pay under this paragraph (2) over the amount of contributions which such contributing employer would be otherwise liable to pay shall be credited to the employment security administration fund to be disbursed and paid out under the same conditions and for the same purposes as other moneys are authorized to be paid from the employment security administration fund, except that, if the secretary determines that as of the first day of January of any year there is an excess in the employment security administration fund

over the amount required to be disbursed during such year, an amount equal to such excess as determined by the secretary shall be transferred to the employment security fund.

(c) *Charging of benefit payments.* (1) The secretary shall maintain a separate account for each contributing employer, and shall credit the contributing employer's account with all the contributions paid on the contributing employer's own behalf. Nothing in the employment security law shall be construed to grant any employer or individuals in such employer's service prior claims or rights to the amounts paid by such employer into the employment security fund either on such employer's own behalf or on behalf of such individuals. Benefits paid shall be charged against the accounts of each base period employer in the proportion that the base period wages paid to an eligible individual by each such employer bears to the total wages in the base period. Benefits shall be charged to contributing employers' accounts and rated governmental employers' accounts upon the basis of benefits paid during each twelve-month period ending on the computation date.

(2) (A) Benefits paid in benefit years established by valid new claims shall not be charged to the account of a contributing employer or rated governmental employer who is a base period employer if the examiner finds that claimant was separated from the claimant's most recent employment with such employer under any of the following conditions: (i) Discharged for misconduct or gross misconduct connected with the individual's work; or (ii) leaving work voluntarily without good cause attributable to the claimant's work or the employer.

(B) Where base period wage credits of a contributing employer or rated governmental employer represent part-time employment and the claimant continues in that part-time employment with that employer during the period for which benefits are paid, then that employer's account shall not be charged with any part of the benefits paid if the employer provides the secretary with information as required by rules and regulations. For the purposes of this subsection (c)(2)(B), "part-time employment" means any employment when an individual works concurrently for two or more employers and also works less than full-time for at least one of those employers because the individual's services are not required for the customary, scheduled full-time hours prevailing at the work place or the individual does not customarily work the regularly scheduled full-time hours due to personal choice or circumstances.

(C) No contributing employer or rated governmental employer's account shall be charged with any extended benefits paid in accordance with the employment security law, except for weeks of unemployment beginning after December 31, 1978, all contributing governmental employers and governmental rated employers shall be charged an amount equal to all extended benefits paid.

(D) No contributing employer or rated governmental employer's account will be charged for benefits paid a claimant while pursuing an approved training course as defined in subsection (s) of K.S.A. 44-703 and amendments thereto.

(E) No contributing employer or rated governmental employer's account shall be charged with respect to the benefits paid to any individual whose base period wages include wages for services not covered by the employment security law prior to January 1, 1978, to the extent that the employment security fund is reimbursed for such benefits pursuant to section 121 of public law 94-566 (90 Stat. 2673).

(F) With respect to weeks of unemployment beginning after December 31, 1977, wages for insured work shall include wages paid for previously uncovered services. For the purposes of this subsection (c)(2)(F), the term "previously uncovered services" means services which were not covered employment, at any time during the one-year period ending December 31, 1975, except to the extent that assistance under title II of the federal emergency jobs and unemployment assistance act of 1974 was paid on the basis of such services, and which:

(i) Are agricultural labor as defined in subsection (w) of K.S.A. 44-703 and amendments thereto or domestic service as defined in subsection (aa) of K.S.A. 44-703 and amendments thereto, or

(ii) are services performed by an employee of this state or a political subdivision thereof, as provided in subsection (i)(3)(E) of K.S.A. 44-703 and amendments thereto, or

(iii) are services performed by an employee of a nonprofit educational institution which is not an institution of higher education.

(G) *No contributing employer or rated governmental employer's account shall be charged with respect to their pro rata share of benefit charges if such charges are of \$100 or less.*

(3) The examiner shall notify any base period employer whose account will be charged with benefits paid following the filing of a valid new claim and a determination by the examiner based on all information relating to the claim contained in the records of the division of employment. Such notice shall become final and benefits charged to the base period employer's account in accordance with the claim unless within 10 calendar days from the date the notice was sent, the base period employer requests in writing that the examiner reconsider the determination and furnishes any required information in accordance with the secretary's rules and regulations. In a similar manner, a notice of an additional claim followed by the first payment of benefits with respect to the benefit year, filed by an individual during a benefit year after a period in such year during which such individual was employed, shall be given to any base period employer of the individual who has requested such a notice within 10 calendar days from the date the notice of the valid new claim was sent to such base period employer. For purposes of this subsection (c)(3), if the required information is not submitted or postmarked within a response time limit of 10 days after the base period employer notice was sent, the base period employer shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the base period employer's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. The examiner shall notify the employer of the reconsidered determination which shall be subject to appeal, or further reconsideration, in accordance with the provisions of K.S.A. 44-709 and amendments thereto.

(4) *Time, computation and extension.* In computing the period of time for a base period employer response or appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(d) *Pooled fund.* All contributions and payments in lieu of contributions and benefit cost payments to the employment security fund shall be pooled and available to pay benefits to any individual entitled thereto under the employment security law, regardless of the source of such contributions or payments in lieu of contributions or benefit cost payments.

(e) *Election to become reimbursing employer; payment in lieu of contributions.* (1) Any governmental entity, Indian tribes or tribal units, (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes), for which services are performed as described in subsection (i)(3)(E) of K.S.A. 44-703 and amendments thereto or any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 which is exempt from income tax under section 501(a) of such code, that becomes subject to the employment security law may elect to become a reimbursing employer under this subsection (e)(1) and agree to pay the secretary for the employment security fund an amount equal to the amount of regular benefits and $\frac{1}{2}$ of the extended benefits paid that are attributable to service in the employ of such reimbursing employer, except that each reimbursing governmental employer, Indian tribes or tribal units shall pay an amount equal to the amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, for governmental employers and December 21, 2000, for Indian tribes or tribal units to individuals for weeks of unemployment which begin during the effective period of such election.

(A) Any employer identified in this subsection (e)(1) may elect to become a reimbursing employer for a period encompassing not less than four complete calendar years if such employer files with the secretary a

written notice of such election within the thirty-day period immediately following January 1 of any calendar year or within the thirty-day period immediately following the date on which a determination of subjectivity to the employment security law is issued, whichever occurs later.

(B) Any employer which makes an election to become a reimbursing employer in accordance with subparagraph (A) of this subsection (e)(1) will continue to be liable for payments in lieu of contributions until such employer files with the secretary a written notice terminating its election not later than 30 days prior to the beginning of the calendar year for which such termination shall first be effective.

(C) Any employer identified in this subsection (e)(1) which has remained a contributing employer and has been paying contributions under the employment security law for a period subsequent to January 1, 1972, may change to a reimbursing employer by filing with the secretary not later than 30 days prior to the beginning of any calendar year a written notice of election to become a reimbursing employer. Such election shall not be terminable by the employer for four complete calendar years.

(D) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after January 1 of the year such election is received.

(E) The secretary, in accordance with such rules and regulations as the secretary may adopt, shall notify each employer identified in subsection (e)(1) of any determination which the secretary may make of its status as an employer and of the effective date of any election which it makes to become a reimbursing employer and of any termination of such election. Such determinations shall be subject to reconsideration, appeal and review in accordance with the provisions of K.S.A. 44-710b and amendments thereto.

(2) *Reimbursement reports and payments.* Payments in lieu of contributions shall be made in accordance with the provisions of paragraph (A) of this subsection (e)(2) by all reimbursing employers except the state of Kansas. Each reimbursing employer shall report total wages paid during each calendar quarter by filing quarterly wage reports with the secretary which shall be filed by the last day of the month following the close of each calendar quarter. Wage reports are deemed filed as of the date they are placed in the United States mail.

(A) At the end of each calendar quarter, or at the end of any other period as determined by the secretary, the secretary shall bill each reimbursing employer, except the state of Kansas, (i) an amount to be paid which is equal to the full amount of regular benefits plus $\frac{1}{2}$ of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing employer; and (ii) for weeks of unemployment beginning after December 31, 1978, each reimbursing governmental employer and December 21, 2000, for Indian tribes or tribal units shall be certified an amount to be paid which is equal to the full amount of regular benefits and extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing governmental employer.

(B) Payment of any bill rendered under paragraph (A) of this subsection (e)(2) shall be made not later than 30 days after such bill was mailed to the last known address of the reimbursing employer, or otherwise was delivered to such reimbursing employer, unless there has been an application for review and redetermination in accordance with paragraph (D) of this subsection (e)(2).

(C) Payments made by any reimbursing employer under the provisions of this subsection (e)(2) shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of such employer.

(D) The amount due specified in any bill from the secretary shall be conclusive on the reimbursing employer, unless, not later than 15 days after the bill was mailed to the last known address of such employer, or was otherwise delivered to such employer, the reimbursing employer files an application for redetermination in accordance with K.S.A. 44-710b and amendments thereto.

(E) Past due payments of amounts certified by the secretary under this section shall be subject to the same interest, penalties and actions required by K.S.A. 44-717 and amendments thereto. (1) If any non-

profit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer is delinquent in making payments of amounts certified by the secretary under this section, the secretary may terminate such employer's election to make payments in lieu of contributions as of the beginning of the next calendar year and such termination shall be effective for such next calendar year and the calendar year thereafter so that the termination is effective for two complete calendar years. (2) Failure of the Indian tribe or tribal unit to make required payments, including assessment of interest and penalty within 90 days of receipt of the bill will cause the Indian tribe to lose the option to make payments in lieu of contributions as described pursuant to paragraph (e)(1) for the following tax year unless payment in full is received before contribution rates for the next tax year are calculated. (3) Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or nonpayment, as described in paragraph (2), shall have such option reinstated, if after a period of one year, all contributions have been made on time and no contributions, payments in lieu of contributions for benefits paid, penalties or interest remain outstanding.

(F) Failure of the Indian tribe or any tribal unit thereof to make required payments, including assessments of interest and penalties, after all collection activities deemed necessary by the secretary have been exhausted, will cause services performed by such tribe to not be treated as employment for purposes of subsection (i)(3)(E) of K.S.A. 44-703 and amendments thereto. If an Indian tribe fails to make payments required under this section, including assessments of interest and penalties, within 90 days of a final notice of delinquency, the secretary shall immediately notify the United States internal revenue service and the United States department of labor. The secretary may determine that any Indian tribe that loses coverage pursuant to this paragraph may have services performed on behalf of such tribe again deemed "employment" if all contributions, payments in lieu of contributions, penalties and interest have been paid.

(G) In the discretion of the secretary, any employer who elects to become liable for payments in lieu of contributions and any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer or Indian tribe or tribal unit who is delinquent in filing reports or in making payments of amounts certified by the secretary under this section shall be required within 60 days after the effective date of such election, in the case of an eligible employer so electing, or after the date of notification to the delinquent employer under this subsection (e)(2)(G), in the case of a delinquent employer, to execute and file with the secretary a surety bond, except that the employer may elect, in lieu of a surety bond, to deposit with the secretary money or securities as approved by the secretary or to purchase and deliver to an escrow agent a certificate of deposit to guarantee payment. The amount of the bond, deposit or escrow agreement required by this subsection (e)(2)(G) shall not exceed 5.4% of the organization's taxable wages paid for employment by the eligible employer during the four calendar quarters immediately preceding the effective date of the election or the date of notification, in the case of a delinquent employer. If the employer did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the secretary. Upon the failure of an employer to comply with this subsection (e)(2)(G) within the time limits imposed or to maintain the required bond or deposit, the secretary may terminate the election of such eligible employer or delinquent employer, as the case may be, to make payments in lieu of contributions, and such termination shall be effective for the current and next calendar year.

(H) The state of Kansas shall make reimbursement payments quarterly at a fiscal year rate which shall be based upon: (i) The available balance in the state's reimbursing account as of December 31 of each calendar year; (ii) the historical unemployment experience of all covered state agencies during prior years; (iii) the estimate of total covered wages to be paid during the ensuing calendar year; (iv) the applicable fiscal year rate of the claims processing and auditing fee under K.S.A. 75-3798 and amendments thereto; and (v) actuarial and other information furnished to the secretary by the secretary of administration. In accordance with

K.S.A. 75-3798 and amendments thereto, the claims processing and auditing fees charged to state agencies shall be deducted from the amounts collected for the reimbursement payments under this paragraph (H) prior to making the quarterly reimbursement payments for the state of Kansas. The fiscal year rate shall be expressed as a percentage of covered total wages and shall be the same for all covered state agencies. The fiscal year rate for each fiscal year will be certified in writing by the secretary to the secretary of administration on July 15 of each year and such certified rate shall become effective on the July 1 immediately following the date of certification. A detailed listing of benefit charges applicable to the state's reimbursing account shall be furnished quarterly by the secretary to the secretary of administration and the total amount of charges deducted from previous reimbursing payments made by the state. On January 1 of each year, if it is determined that benefit charges exceed the amount of prior reimbursing payments, an upward adjustment shall be made therefor in the fiscal year rate which will be certified on the ensuing July 15. If total payments exceed benefit charges, all or part of the excess may be refunded, at the discretion of the secretary, from the fund or retained in the fund as part of the payments which may be required for the next fiscal year.

(3) *Allocation of benefit costs.* The reimbursing account of each reimbursing employer shall be charged the full amount of regular benefits and $\frac{1}{2}$ of the amount of extended benefits paid except that each reimbursing governmental employer's account shall be charged the full amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, to individuals whose entire base period wage credits are from such employer. When benefits received by an individual are based upon base period wage credits from more than one employer then the reimbursing employer's or reimbursing governmental employer's account shall be charged in the same ratio as base period wage credits from such employer bear to the individual's total base period wage credits. Notwithstanding any other provision of the employment security law, no reimbursing employer's or reimbursing governmental employer's account shall be charged for payments of extended benefits which are wholly reimbursed to the state by the federal government.

(A) *Proportionate allocation (when fewer than all reimbursing base period employers are liable).* If benefits paid to an individual are based on wages paid by one or more reimbursing employers and on wages paid by one or more contributing employers or rated governmental employers, the amount of benefits payable by each reimbursing employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bears to the total base period wages paid to the individual by all of such individual's base period employers.

(B) *Proportionate allocation (when all base period employers are reimbursing employers).* If benefits paid to an individual are based on wages paid by two or more reimbursing employers, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of such individual's base period employers.

(4) *Group accounts.* Two or more reimbursing employers may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employment of such reimbursing employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection (e)(4). Upon approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the secretary receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than four years and thereafter such account shall remain in effect until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears

the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The secretary shall adopt such rules and regulations as the secretary deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection (e)(4), for addition of new members to, and withdrawal of active members from such accounts, and for the determination of the amounts that are payable under this subsection (e)(4) by members of the group and the time and manner of such payments.

Sec. 4. K.S.A. 44-705 and K.S.A. 2001 Supp. 44-703 and 44-710 are hereby repealed.
