

HOUSE BILL No. 2542

AN ACT concerning crimes, punishment and criminal procedure; relating to collection of specimens; amending K.S.A. 2003 Supp. 21-2511 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2003 Supp. 21-2511 is hereby amended to read as follows: 21-2511. (a) Any person convicted as an adult or adjudicated as a juvenile offender because of the commission of any felony; a violation of subsection (a)(1) of K.S.A. 21-3505; a violation of K.S.A. 21-3508; a violation of K.S.A. 21-4310; a violation of K.S.A. 21-3424, and amendments thereto when the victim is less than 18 years of age; a violation of K.S.A. 21-3507, and amendments thereto, when one of the parties involved is less than 18 years of age; a violation of subsection (b)(1) of K.S.A. 21-3513, and amendments thereto, when one of the parties involved is less than 18 years of age; a violation of K.S.A. 21-3515, and amendments thereto, when one of the parties involved is less than 18 years of age; or a violation of K.S.A. 21-3517, and amendments thereto; including an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303 and amendments thereto, of any such offenses provided in this subsection regardless of the sentence imposed, shall be required to submit specimens of blood and saliva to the Kansas bureau of investigation in accordance with the provisions of this act, if such person is:

(1) Convicted as an adult or adjudicated as a juvenile offender because of the commission of a crime specified in subsection (a) on or after the effective date of this act;

(2) ordered institutionalized as a result of being convicted as an adult or adjudicated as a juvenile offender because of the commission of a crime specified in subsection (a) on or after the effective date of this act; or

(3) convicted as an adult or adjudicated as a juvenile offender because of the commission of a crime specified in this subsection before the effective date of this act and is presently confined as a result of such conviction or adjudication in any state correctional facility or county jail or is presently serving a sentence under K.S.A. 21-4603, *21-4603d*, *22-3717* or *38-1663*, and amendments thereto.

(b) Notwithstanding any other provision of law, the Kansas bureau of investigation is authorized to obtain fingerprints and other identifiers for all persons, whether juveniles or adults, covered by this act.

(c) Any person required by paragraphs (a)(1) and (a)(2) to provide specimens of blood and saliva shall be ordered by the court to have specimens of blood and saliva collected within 10 days after sentencing or adjudication:

(1) If placed directly on probation, that person must provide specimens of blood and saliva, at a collection site designated by the Kansas bureau of investigation. Collection of specimens shall be conducted by qualified volunteers, contractual personnel or employees designated by the Kansas bureau of investigation. Failure to cooperate with the collection of the specimens and any deliberate act by that person intended to impede, delay or stop the collection of the specimens shall be punishable as contempt of court and constitute grounds to revoke probation;

(2) if sentenced to the secretary of corrections, the specimens of blood and saliva will be obtained as soon as practical upon arrival at the correctional facility; or

(3) if a juvenile offender is placed in the custody of the commissioner of juvenile justice, in a youth residential facility or in a juvenile correctional facility, the specimens of blood and saliva will be obtained as soon as practical upon arrival.

(d) Any person required by paragraph (a)(3) to provide specimens of blood and saliva shall be required to provide such samples prior to final discharge or conditional release at a collection site designated by the Kansas bureau of investigation. Collection of specimens shall be conducted by qualified volunteers, contractual personnel or employees designated by the Kansas bureau of investigation.

(e) The Kansas bureau of investigation shall provide all specimen vials, mailing tubes, labels and instructions necessary for the collection of blood and saliva samples. The collection of samples shall be performed in a medically approved manner. No person authorized by this section to withdraw blood and collect saliva, and no person assisting in the collection of these samples shall be liable in any civil or criminal action when the

act is performed in a reasonable manner according to generally accepted medical practices. The withdrawal of blood for purposes of this act may be performed only by: (1) A person licensed to practice medicine and surgery or a person acting under the supervision of any such licensed person; (2) a registered nurse or a licensed practical nurse; or (3) any qualified medical technician including, but not limited to, an emergency medical technician-intermediate or mobile intensive care technician, as those terms are defined in K.S.A. 65-6112, and amendments thereto, or a phlebotomist. The samples shall thereafter be forwarded to the Kansas bureau of investigation. The bureau shall analyze the samples to the extent allowed by funding available for this purpose.

(f) The DNA (deoxyribonucleic acid) records and DNA samples shall be maintained by the Kansas bureau of investigation. The Kansas bureau of investigation shall establish, implement and maintain a statewide automated DNA databank and DNA database capable of, but not limited to, searching, matching and storing DNA records. The DNA database as established by this act shall be compatible with the procedures specified by the federal bureau of investigation's combined DNA index system (CODIS). The Kansas bureau of investigation shall participate in the CODIS program by sharing data and utilizing compatible test procedures, laboratory equipment, supplies and computer software.

(g) The DNA records obtained pursuant to this act shall be confidential and shall be released only to authorized criminal justice agencies.

(h) The Kansas bureau of investigation shall be the state central repository for all DNA records and DNA samples obtained pursuant to this act. The Kansas bureau of investigation shall promulgate rules and regulations for the form and manner of the collection, maintenance and expungement of DNA samples and other procedures for the operation of this act. These rules and regulations also shall require compliance with national quality assurance standards to ensure that the DNA records satisfy standards of acceptance of such records into the national DNA identification index. The provisions of the Kansas administrative procedure act shall apply to all actions taken under the rules and regulations so promulgated.

Sec. 2. K.S.A. 2003 Supp. 21-2511 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.
