

HOUSE Substitute for SENATE BILL No. 24

AN ACT concerning cities; relating to annexation; amending K.S.A. 12-520 and 12-520a and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 12-520 is hereby amended to read as follows: 12-520. (a) Except as hereinafter provided, the governing body of any city, by ordinance, may annex land to such city if any one or more of the following conditions exist:

(1) The land is platted, and some part of the land adjoins the city.

(2) The land is owned by or held in trust for the city or any agency thereof.

(3) The land adjoins the city and is owned by or held in trust for any governmental unit other than another city, except that no city may annex land owned by a county which has primary use as a county-owned and operated airport, or other aviation related activity or which has primary use as a county owned and operated zoological facility, recreation park or exhibition and sports facility without the express permission of the board of county commissioners of the county.

(4) The land lies within or mainly within the city and has a common perimeter with the city boundary line of more than 50%.

(5) The land if annexed will make the city boundary line straight or harmonious and some part thereof adjoins the city, except no land in excess of 21 acres shall be annexed for this purpose.

(6) The tract is so situated that $\frac{2}{3}$ of any boundary line adjoins the city, except no tract in excess of 21 acres shall be annexed under this condition.

(7) The land adjoins the city and a written petition for or consent to annexation is filed with the city by the owner.

(b) No portion of any unplatted tract of land devoted to agricultural use of 21 acres or more shall be annexed by any city under the authority of this section without the written consent of the owner thereof.

(c) No city may annex, pursuant to this section, any improvement district incorporated and organized pursuant to K.S.A. 19-2753 *et seq.*, and amendments thereto, or any land within such improvement district. The provisions of this subsection shall apply to such improvement districts for which the petition for incorporation and organization was presented on or before January 1, 1987.

(d) Subject to the provisions of this section and subsection (e) of K.S.A. 12-520a, and amendments thereto, a city may annex, pursuant to this section, any fire district or any land within such fire district.

(e) Whenever any city annexes any land under the authority of paragraph 2 of subsection (a) which does not adjoin the city, tracts of land adjoining the land so annexed shall not be deemed to be adjoining the city for the purpose of annexation under the authority of this section until the adjoining land or the land so annexed adjoins the remainder of the city by reason of the annexation of the intervening territory.

(f) No city may annex the right-of-way of any highway under the authority of this section unless at the time of the annexation the abutting property upon one or both sides thereof is already within the city or is annexed to the city in the same proceeding.

(g) The governing body of any city by one ordinance may annex one or more separate tracts or lands each of which conforms to any one or more of the foregoing conditions. The invalidity of the annexation of any tract or land in one ordinance shall not affect the validity of the remaining tracts or lands which are annexed by the ordinance and which conform to any one or more of the foregoing conditions.

~~(h) Any owner of land annexed by a city under the authority of this section, within 30 days next following the publication of the ordinance annexing the land, may maintain an action in the district court of the county in which the land is located challenging the authority of the city to annex the land and the regularity of the proceedings had in connection therewith.~~
