33 of a certificate of authorization by the executive director of the Kansas
34 lottery pursuant to this section.

5 shall provide for review of competitive proposals within a destination de-
6 velopment zone.

7 (b) The executive director, with the approval of the Kansas lottery
8 commission, may enter into a management contract with a prospective
9 lottery gaming facility manager holding a certificate of authorization to
10 construct and manage, or manage alone, on behalf of the state of Kansas,

13 zones where the executive director determines the operation of such fa-
14 cility would promote tourism and economic development. Any such spec-
15 ified destination location must be in a county where a proposition sub-
16 mitted pursuant to section 5, and amendments thereto, has been
17 approved by the voters of such county. The executive director shall not
18 be authorized to enter into a management contract for a lottery gaming
19 facility within any destination development zone other than the northeast
20 and southeast Kansas development zones until the voters of the county
21 comprising such zone have approved a proposition as provided by section
22 5, and amendments thereto, and the legislature by statute has authorized
23 a lottery gaming facility in the destination development zone comprised
24 by the county. Action on a management contract shall be taken within 60

34 proposed facility; the number and type of lottery facility games to be
35 operated at the proposed facility; and agreements related to ancillary lot-
36 tery gaming facility operations. In order to facilitate competition among
37 lottery gaming facilities and to increase gaming revenues to the state, no
38 lottery gaming facility manager may hold management contracts for two
39 or more lottery gaming facilities which are located within 20 miles of one
40 another within the state of Kansas.

41 (d) (1) No management contract shall be awarded for a lottery gam-

13 agement contracts within such zone. The commission shall determine
14 through a review of market studies included in proposals whether devel-
15 opment of multiple lottery gaming facilities within the same market place
16 is reasonably feasible. If the commission deems it necessary, the com-
17 mission may provide for an independent market study to assess the mar-
18 ket impact of more than one lottery gaming facility within the same mar-
19 ket area.

20 (f) The commission shall not approve a management contract unless:

21 (1) The commission determines that the proposed development: (A)
22 Constitutes a lottery gaming enterprise; and (B) demonstrates through a
23 market study that, considering all other competing gaming and entertain-
24 ment venues, the proposed development would: (i) Be economically fea-
25 sible, (ii) be profitable for the state and (iii) not render economically
26 infeasible any other lottery gaming enterprise; and

27 (2) the commission determines that the proposed development: (A)
28 Consists of an investment in infrastructure, including ancillary lottery
29 gaming facility operations, of at least \$150,000,000 for the northeast and
30 south central development zones; or (B) consists of an investment in in-
31 frastructure, including ancillary lottery gaming facility operations, of at

8 the manager be paid (i) a base amount equal to not more than 22% of
9 residual lottery gaming facility revenues plus (ii) an additional amount

25 is owned by the state;

9 notice required prior to taking such action. The Kansas lottery shall retain
10 full control over all decisions concerning lottery gaming facility games.

11 (h) Any management contract under which the accelerated lottery

20 manager for the operation and management of such lottery gaming facility
21 unless such manager first receives any necessary approval under planning
22 and zoning requirements of the city or county in which it is to be located.

23 New Sec. 5. (a) Before the lottery commission may approve man-
24 agement contracts for operation of lottery gaming facilities in a county,
25 the qualified voters of the county where a lottery gaming facility is pro-
26 posed to be located must approve the operation of lottery gaming facilities
27 within the county as provided by this section. Once the question has been
28 submitted to and approved by the voters of the county, subsequent elec-
29 tions shall not be required for the approval of the operation of additional
30 lottery gaming facilities in such county.

31 (b) (1) The board of county commissioners of any county may sub-
32 mit, by resolution, and shall submit upon presentation of a petition filed
33 in accordance with this section, to the qualified voters of the county a

39 be specified by the board of county commissioners or as specified in the
40 petition, as the case may be.

41 (2) A petition to submit a proposition pursuant to this section shall
42 be filed with the county election officer. The petition shall be signed by
43 qualified voters of the county equal in number to not less than 10% of

1 the voters of the county who voted for the office of secretary of state at
2 the last preceding general election at which such office was elected. The
3 following shall appear on the petition: "We request an election to deter-
4 mine whether the Kansas lottery shall be authorized to operate a lottery
5 gaming facility in _____ county."

6 (3) Upon the adoption of a resolution or the submission of a valid
7 petition calling for an election pursuant to this section, the county election
8 officer shall cause the following proposition to be placed on the ballot at
9 the election called for that purpose: "Shall the Kansas lottery be author-
10 ized to operate a lottery gaming facility in _____ county?"

11 (4) If a majority of the votes cast and counted at such election is in
12 favor of approving the operation of lottery gaming facilities within the
13 county and the county is located within a destination development district
14 where the legislature by statute has authorized the executive director to
15 enter into management contracts for lottery gaming facilities, the lottery
16 commission may accept applications for operation of lottery gaming fa-
17 cilities within the county pursuant to this act. If a majority of the votes
18 cast and counted at an election under this section is against permitting
19 the operation of lottery gaming facilities within the county, the lottery
20 commission shall not approve management contracts for the operation of
21 lottery gaming facilities within the county. The county election officer

26 law for question submitted elections of the county.

27 (c) The lottery commission may consider qualified proposals for lot-

29 where the commission finds that after March 1, 2005, the county has held
30 an election of qualified voters pursuant to the county's home rule au-
31 thority if the commission determines that the ballot question was in sub-
32 stantial compliance with the requirements of subsection (b)(3) and the
33 election was administered by the county election officer in a manner
34 consistent with the requirements of state election law.

35 (d) The question of the operation of a lottery gaming facility in a
36 county may be submitted at the same election as the question of place-
37 ment of video lottery terminals in the county under section 25, and
38 amendments thereto.

39 (e) A ballot question submitted prior to April 15, 2005, which uses
40 the phrase "destination casino" shall be deemed valid for the purposes of
41 this section.

10 director.
- 11 (b) The communications systems selected by the executive director
12 shall not limit participation to only one electronic gaming machine man-

14 manager shall lease or purchase for the Kansas lottery and at the lottery
15 gaming facility's expense all equipment necessary to implement such cen-
16 tral communications and auditing functions.
- 17 (c) No employee, contractor or other person who has any legal affil-
18 iation with a lottery gaming facility manager shall loan money to or oth-

20 machines or lottery facility games are situated.
- 21 New Sec. 7. (a) Each specific type of electronic gaming machine and
22 lottery facility game shall be approved by the Kansas lottery. The Kansas
23 lottery shall examine prototypes of electronic gaming machines and lot-
24 tery facility games and shall notify the lottery gaming facility manager
25 which types of electronic gaming machines or lottery facility games are
26 in compliance with the requirements of this act. The use of progressive
27 electronic gaming machines is expressly permitted.
- 28 (b) No electronic gaming machine or lottery facility game shall be
29 operated pursuant to this act unless the executive director first issues a
30 certificate for such machine or game authorizing its use at a specified
31 location. Each electronic gaming machine and lottery facility game shall
32 have such certificate prominently displayed thereon. Any electronic gam-
33 ing machine or lottery facility game which does not display the certificate
34 required by this section is contraband and a public nuisance subject to
35 confiscation by any law enforcement officer.
- 36 (c) The executive director shall require any manufacturer, supplier,
37 provider, lottery gaming facility manager or other person seeking the
38 examination and certification of electronic gaming machines or lottery
39 facility games to pay the anticipated actual costs of the examination in
40 advance. After the completion of the examination, the executive director
41 shall refund any overpayment or charge and collect amounts sufficient to
42 reimburse the executive director for any underpayment of actual costs.
43 The executive director may contract for the examination of electronic

1 gaming machines and lottery facility games required by this section, and
2 may rely upon testing done by or for other states regulating electronic
3 gaming machines or lottery facility games, if the executive director deems
4 such testing to be reliable and in the best interest of the state of Kansas.

5 New Sec. 8. (a) There is hereby established in the state treasury the
6 lottery gaming facility fund (LGFF). A separate account for each lottery
7 gaming facility manager shall be maintained in the LGFF for receipt of
8 lottery gaming facility revenues from each respective manager. The lot-
9 tery gaming facility manager shall remit daily all lottery gaming facility
10 revenues to the state treasurer. Upon receipt of the remittance, the state
11 treasurer shall deposit the entire amount in the state treasury and credit
12 it to the respective account maintained for such manager in the LGFF.

13 (b) Upon receipt of each remittance under subsection (a), the state
14 treasurer shall immediately transfer 50% of the lottery gaming facility
15 revenues received from the remitting facility manager into a separate state
16 lottery gaming facility operating account (LGFOA) to be used by the state
17 for the payment of all lottery gaming facility expenses, including all in-
18 terest on financing. For a lottery gaming facility that is owned by the
19 state, a transfer in the amount of the monthly interest then due on such
20 approved financing shall occur from the LGFOA to the debt retirement
21 account established in subsection (d). On a monthly basis, a transfer in
22 an amount equal to 1% of the lottery gaming facility revenues shall occur
23 from the LGFOA to the problem gambling grant fund established by
24 K.S.A. 2004 Supp. 79-4805, and amendments thereto.

25 The executive director or the executive director's designee shall remit
26 payment for all expenses as provided by the management contract ap-

30 (c) On a monthly basis, the treasurer shall transfer the residual lottery
31 gaming facility revenues in each account in the LGFF as follows:

32 (1) To the lottery gaming facility manager, a percentage specified in
33 the management contract, but not more than the amount provided by
34 subsection (g)(2) of section 4, and amendments thereto; and

35 (2) to the Kansas education opportunity trust fund established pur-
36 suant to section 37, and amendments thereto, not less than that amount
37 of residual lottery gaming facility revenues remaining after deduction of
38 the amount transferred pursuant to paragraph (1) or 24% of lottery gam-
39 ing facility revenues, whichever is greater.

40 (d) The state shall maintain for each lottery gaming facility a lottery
41 gaming facility debt retirement account (LGFDR) for the payment of
42 financing obligations related to the lottery gaming facility. Interest shall
43 be payable from the LGFDRA out of the funds transferred from the

1 LGFOA pursuant to subsection (b). To the extent principal on financing
2 obligations related to the lottery gaming facility remains unpaid, the state
3 treasurer first shall transfer to the LGFDRA out of the state's share of
4 the residual lottery gaming facility revenues as provided in subsection
5 (c)(2), such sums as are necessary to pay scheduled principal then due.
6 Thereafter, the balance of the residual lottery gaming facility revenues
7 shall be transferred to the Kansas education opportunity trust fund es-
8 tablished pursuant to section 37, and amendments thereto.

9 (e) On a monthly basis, the executive director and the lottery gaming
10 facility manager shall reconcile the amounts deposited into the LGFOA
11 for the lottery gaming facility manager's payment of the projected lottery
12 gaming facility expenses and approved financing interest with the actual
13 lottery gaming facility expenses and interest accrued. After completion of
14 the reconciliation, the state shall transfer any amount remaining in the
15 LGFOA to the LGFF to be distributed in the manner provided in sub-
16 section (c). If funds in the LGFOA are insufficient to pay lottery gaming
17 facility expenses and interest accrued, the state and the lottery gaming
18 facility manager shall transfer to the LGFOA, in the respective shares
19 provided in subsection (c), the sums necessary to reconcile such insuffi-
20 ciency and balance the LGFOA.

21 New Sec. 9. The Kansas lottery, through rules and regulations, shall
22 establish:

23 (a) A certification requirement, and enforcement procedure, for of-

6 or a crime of moral turpitude prior to applying for a certificate hereunder
7 or at any time thereafter shall be deemed unfit. If the executive director
8 determines the certification standards of another state are comprehen-
9 sive, thorough and provide similar adequate safeguards, the executive
10 director may certify an applicant already certified in such state without
11 the necessity of a full application and background check. The Kansas
12 lottery shall conduct the security, fitness and background checks required
13 under this subsection;
