If, upon review at the informal conference, it is determined that the refund application failed to meet the requirements specified in section 1, and amendments thereto, when submitted so that the refund application could not be verified and processed, the applicant shall be required to file a new refund application for the refund being sought.

(b) Each application for refund that meets the requirements specified in section 1, and amendments thereto, so that it can be verified and processed shall be reviewed by the department as a refund claim and its validity determined. (f) Penalty or interest applied under the provisions of subsections (a) and (d) shall be in addition to the penalty added under any other provisions of this section, but the provisions of subsections (b) and (c) shall be mutually exclusive of each other.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (b), (c) and (d) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of the penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

(h) In addition to all other penalties provided by this section, any person who willfully fails to make a return or to pay any tax imposed under the Kansas retailers' sales tax act, or who makes a false or fraudulent return, or fails to keep any books or records prescribed by this act, or who willfully violates any regulations of the secretary of revenue, for the enforcement and administration of this act, or who aids and abets another in attempting to evade the payment of any tax imposed by this act, or who violates any other provision of this act, shall, upon conviction thereof, be fined not less than \$500, nor more than \$10,000, or be imprisoned in the county jail not less than one month, nor more than six months, or be both so fined and imprisoned, in the discretion of the court.

(i) No penalty assessed hereunder shall be collected if the taxpayer has had the tax abated on appeal, and any penalty collected upon such tax shall be refunded.

(j) A person applying to the department for a refund of any tax imposed under the Kansas retailers' sales tax act that was not previously collected by the retailer, or that the retailer has already refunded to such person, shall be subject to a penalty of 50% of the amount of any such tax sought to be refunded. No such penalty shall be imposed against such person if the retailer collected the tax but did not remit such tax to the department.

Sec. 8. K.S.A. 2006 Supp. 79-3650 is hereby amended to read as follows: 79-3650. (a) A refund request *for an amount equal to or exceeding \$50* may be filed directly by a consumer or purchaser if the consumer or purchaser: (1) Paid the tax directly to the department; (2) provides evidence that the retailer refused or was unavailable to refund the tax; (3) provides evidence that the retailer did not act upon its refund request in a timely manner as provided in subsection (b), or; (4) provides a notarized statement to the department from the retailer that the retailer: (A) Will not claim a refund of the same tax included in the purchaser's or consumer's refund request; (B) agrees to provide to the consumer or purchaser any information or documentation in the retailer's possession needed for submission to the department to support or prove the refund

claim; (C) has remitted to the state the tax sought to be refunded; and (D) has not taken or will not take a credit for such tax. A retailer providing false information in any such statement shall be subject to penalties prescribed by K.S.A. 79-3615(h), and amendments thereto.

(b) A cause of action against the seller for the over-collected sales or use taxes does not accrue until a purchaser has provided written notice to a seller and the seller has had 60 days to respond. Such notice to the seller must contain the information necessary to determine the validity of the request. In connection with a purchaser's request from a seller for over-collected sales or use taxes, a seller shall be presumed to have a reasonable business practice, if in the collection of such sales or use taxes, the seller uses either a provider or a system, including a proprietary system, that is certified by the state and has remitted to the state all taxes collected less any deductions, credits or collection allowances. If the director of taxation finds upon proper showing that a consumer or purchaser submitted a refund request to a retailer that was not acted upon by the retailer in a timely manner, the director shall extend the time for filing the request with the department beyond the three year limitation period that is otherwise provided by the time attributed to the delay caused by the retailer.

Sec. 9. K.S.A. 2006 Supp. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to subsection (a) of K.S.A. 79-3609, and amendments thereto and provided them to the director when requested, except that *no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax or; solicits purchasers to participate in the unlawful claim of an exemption shall not be relieved from such liability; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available.* The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, *except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state.* A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. *A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.*

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, *except as otherwise permitted in subsection (c) for drop shipment sales into this state*, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. *A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.*

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the name, address of the entity and identification number issued to the entity pursuant to K.S.A. 2006 Supp. 79-3692, and amendments thereto, and indicate the subsection under which the exemption is being claimed. Such certificate shall be signed by an officer, office manager or other administrator of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. The certificate shall be substantially in such form as the director may prescribe. Payments made on an exempt entity's check, warrant, voucher or is charged to the entity's account shall relieve the seller from collecting and remitting the tax if it is taken in good faith.

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by subsection (g) of K.S.A. 79-3615, and amendments thereto.

Sec. 10. K.S.A. 2006 Supp. 79-3667 is hereby amended to read as follows: 79-3667. On and after the databases are developed pursuant to subsections (a), (b) and (c) of K.S.A. 2006 Supp. 79-3668 and amendments thereto and after the state has joined and become a member of the agreement, sellers and certified service providers (CSPs) *using databases pursuant to subsections (c) and (d) of K.S.A. 2006 Supp. 79-3668, and amendments thereto*, are relieved from liability for state and local sales and use tax for having charged and collected the incorrect amount of sales tax resulting from the seller or certified service provider relying on erroneous data provided by the secretary on tax rates, boundaries or taxing jurisdiction assignments. If the secretary provides an address-based ~~system~~ *database* for assigning taxing jurisdictions that meets the requirements developed pursuant to ~~the federal mobile telecommunications sourcing act~~ *subsection (d) of K.S.A. 2006 Supp. 79-3668, and amendments thereto, and after the secretary has provided adequate notice as determined by the secretary*, no liability relief is provided to sellers or certified service providers for errors resulting from reliance on the information provided under the provisions of subsection (c) of K.S.A. 2006 Supp. 79-3668 and amendments thereto. *If a seller demonstrates that requiring the use of the address-based database would create an undue hardship, the secretary may extend the relief from liability to such seller for a designated period of time.*

Sec. 11. K.S.A. 2006 Supp. 79-3668 is hereby amended to read as follows: 79-3668. (a) The secretary shall provide and maintain a database that describes boundary changes for all taxing jurisdictions. This database shall include a description of the change and the effective date of the change for sales and use tax purposes.

(b) The secretary shall provide and maintain a database of all sales and use tax rates for all taxing jurisdictions. For the identification of coun-

ties and cities, codes corresponding to the rates must be provided according to federal information processing standards (FIPS) as developed by the national institute of standards and technology. For the identification of all other jurisdictions, codes corresponding to the rates must be in the format determined by the secretary.

(c) The secretary must provide and maintain a database that assigns each five- and nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the zip code area shall apply if the area includes more than one tax rate in any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a seller or a CSP is unable to determine the nine-digit zip code designation ~~of a purchaser applicable to a purchase~~ after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For purposes of this section, there is a rebuttable presumption that a seller or CSP has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the secretary that makes this designation from the street address and the five-digit zip code ~~of the purchaser applicable to a purchase~~.

(d) ~~The secretary shall participate with other member states in the development of an~~ *may provide address-based system boundary database records for assigning taxing jurisdictions and associated rates which shall be in addition to the requirements of subsection (c). The system must database records shall be in the same approved format as the database records pursuant to subsection (c) and shall meet the requirements developed pursuant to the federal mobile telecommunications sourcing act (4 U.S.C. § 119(a)). If the secretary develops address-based assignment database records pursuant to the agreement, sellers that register under the agreement are required to use such database. A seller or CSP shall use such database records in place of the five- and nine-digit zip code database records provided for in subsection (c). If a seller or CSP is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the seller or CSP may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a seller or CSP is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For the purposes of this section, there is a rebuttable presumption that a seller or CSP has exercised due diligence if the seller or CSP has attempted to determine the tax rate and jurisdiction by utilizing software approved by the secretary that makes this assignment from the address and zip code information applicable to the purchase. If the secretary has met the requirements of subsection (c), the secretary may also elect to certify vendor provided address-based databases for assigning tax rates and jurisdictions. The databases must be in the same approved format as the database records pursuant to this subsection and must meet the requirements development pursuant to the federal mobile telecommunications sourcing act (4 U.S.C.A. Sec. 119(a)). If the secretary certifies a vendor address-based database, a seller or CSP may use that database in place of the database provided for in this subsection.*

(e) The electronic databases provided for in subsections (a), (b), (c) and (d) shall be in downloadable format as determined by the secretary. *The databases may be directly provided by the secretary or provided by a vendor as designated by the secretary. A database provided by a vendor as designated by the secretary shall be applicable to and subject to all provisions of K.S.A. 2006 Supp. 79-3667, and amendments thereto, and this section. These databases shall be provided at no cost to the user of the database.* The provisions of subsections (c) and (d) do not apply when the purchased product is received by the purchaser at the business location of the seller.

(a) The retail sale of a product shall be sourced in accordance with K.S.A. 2006 Supp. 79-3670 and amendments thereto. The provisions of K.S.A 2006 Supp. 79-

3670 and amendments thereto only apply to determine a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's retail sale of a product. (i) The retailer holds a substantial ownership interest in, or is owned in whole substantial part by, a retailer maintaining a sales location in Kansas; and

(ii) the retailer sells the same or a substantially similar line of products as the related Kansas retailer and does so under the same or a substantially similar business name, or the Kansas facilities or Kansas employees of the related Kansas retailer are used to advertise, promote or facilitate sales by the retailer to consumers.

New Sec. 15. (a) A purchaser is relieved from liability for penalties, other than penalties for fraudulent, willful or intentional conduct, for having failed to pay the correct amount of sales or use tax in the following circumstances:

(1) A purchaser's seller or CSP relied on erroneous data provided by the secretary on tax rates, boundaries, taxing jurisdiction assignments or in the taxability matrix completed pursuant to K.S.A. 2006 Supp. 79-3677, and amendments thereto;

(2) a purchaser holding a direct pay permit relied on erroneous data provided by the secretary on tax rates, boundaries, taxing jurisdiction assignments or in the taxability matrix completed pursuant to K.S.A. 2006 Supp. 79-3677, and amendments thereto;

(3) a purchaser relied on erroneous data provided in the taxability matrix completed pursuant to K.S.A. 2006 Supp. 79-3677, and amendments thereto; or

(4) a purchaser using databases pursuant to subsections (c) and (d) of K.S.A. 2006 Supp. 79-3668, and amendments thereto, relied on erroneous data provided by the secretary on tax rates, boundaries or taxing jurisdiction assignments, except that after the secretary has provided an address-based database for assigning taxing jurisdictions pursuant to subsection (d) of K.S.A. 2006 Supp. 79-3668, and amendments thereto, and adequate notice thereof as determined by the secretary, no liability relief is provided for errors resulting from reliance on the database provided

pursuant to subsection (c) of K.S.A. 2006 Supp. 79-3668, and amendments thereto.

(b) A purchaser is relieved from liability for retailer's sales and compensating use tax and interest for having failed to pay the correct amount of sales or use tax in the circumstances described in this section, except that with respect to reliance on the taxability matrix completed pursuant to K.S.A. 2006 Supp. 79-3677, and amendments thereto, such relief is limited to an erroneous classification in such taxability matrix of terms included in a definition contained in the retailer's sales tax act as "taxable" or "exempt," "included in sales price" or "excluded from sales price," or "included in the definition" or "excluded from the definition."

New Sec. 16. (a) If the secretary has certified a CSP's software program as a CAS after determining that the CSP's software program adequately classifies product-based exemptions, which are exemptions based on the description of the product and not based on who purchases the product or how the purchaser intends to use the product, and has accepted the classifications made by such system, then the CSP or model 2 seller is relieved from liability for not collecting sales or use taxes resulting from the CSP or model 2 seller relying on the certification provided by the secretary that the software program submitted by the CSP for review adequately classifies product-based exemptions. A CSP is relieved from liability for not collecting sales and use taxes in the same manner as sellers are relieved from liability under the provisions of K.S.A. 2006 Supp. 79-3609 and 79-3651, and amendments thereto.

(b) The secretary shall not be responsible for classification of an item or transaction within the product-based exemptions certified. The relief from liability provided in this section shall not be available for a CSP or model 2 seller that has incorrectly classified an item or transaction into a product-based exemption certified by the secretary. This subsection shall not apply to the individual listing of items or transactions within a product definition approved by the secretary. If the secretary determines that an item or transaction is incorrectly classified as to its taxability, the secretary shall notify the CSP or model 2 seller of the incorrect classification. The CSP or model 2 seller shall have 10 days to revise the classification after receipt of notice from the secretary of the determination. Upon expiration of the 10 days, the CSP or model 2 seller shall be liable for the failure to collect the correct amount of sales or use taxes due and owing.

New Sec. 17. (a) As used in this section: "Bundled transaction" means the retail sale of two or more products, except real property and services to real property, where: (1) The products are otherwise distinct and identifiable; and (2) the products are sold for one non-itemized price. "Bundled transaction" does not include the sale of any products in which the sales price varies, or is negotiable, based on the selection by the purchaser of the products included in the transaction. As used in this subsection, "distinct and identifiable products" does not include: (1) Packaging such as containers, boxes, sacks, bags and bottles, or other materials such as wrapping, labels, tags and instruction guides that accompany the retail sale of the products and are incidental or immaterial to the retail sale thereof. Examples of packaging that are incidental or immaterial include grocery sacks, shoeboxes, dry cleaning garment bags and express delivery envelopes and boxes;

(2) a product provided free of charge with the required purchase of another product. A product is provided free of charge if the sales price of the product purchased does not vary depending on the inclusion of the product provided free of charge; and

(3) items included in the definition of sales price pursuant to K.S.A. 79-3602, and amendments thereto. The term "one non-itemized price" does not include a price that is separately identified by product on binding sales or other supporting sales-related documentation made available to the customer in paper or electronic form including, but not limited to, an invoice, bill of sale, receipt, contract, service agreement, lease agreement, periodic notice of rates and services, rate card or price list.

(b) A transaction that otherwise meets the definition of a bundled transaction as defined in subsection (a), is not a "bundled transaction" if it is:

(1) The retail sale of tangible personal property and a service where the tangible personal property is essential to the use of the service, and

is provided exclusively in connection with the service, and the true object of the transaction is the service;

(2) the retail sale of services where one service is provided that is essential to the use or receipt of a second service and the first service is provided exclusively in connection with the second service and the true object of the transaction is the second service;

(3) a transaction that includes taxable products and nontaxable products and the purchase price or sales price of the taxable products is de minimis.

As used in this subsection, de minimis means the seller's purchase price or sales price of the taxable products is 10% or less of the total purchase price or sales price of the bundled products. Sellers shall use either the purchase price or the sales price of the products to determine if the taxable products are de minimis. Sellers may not use a combination of the purchase price and sales price of the products to determine if the taxable products are de minimis. Sellers shall use the full term of a service contract to determine if the taxable products are de minimis; or

(4) the retail sale of exempt tangible personal property and taxable tangible personal property where:

(A) The transaction includes food and food ingredients, drugs, durable medical equipment, mobility enhancing equipment, over-the-counter drugs, prosthetic devices or medical supplies; and

(B) the seller's purchase price or sales price of the taxable tangible personal property is 50% or less of the total purchase price or sales price of the bundled tangible personal property. Sellers may not use a combination of the purchase price and sales price of the tangible personal property when making the 50% determination for a transaction.

(b) When the provider of a non-taxable service delivers to a client or customer tangible personal property that is essential to the use of the service, is provided exclusively in connection with the service and the true object of the transaction is the service pursuant to subsection (b)(1), the service provider shall be considered the consumer of those items of tangible personal property and shall pay or accrue sales or use tax on them at the time of purchase.

(c) The gross receipts received from a bundled transaction are taxable, when one or more of the products included in such transaction is taxable under K.S.A. 79-3603, and amendments thereto. For a bundled transaction that includes any telecommunication service, ancillary service, internet access or audio or video programming service, if the price is attributable to products that are taxable and products that are nontaxable, the portion of price attributable to the nontaxable products shall be subject to tax unless the provider can identify by reasonable and verifiable standards such portion from its books and records that are kept in the regular course of business for other purposes, including, but not limited to, non-tax purposes. The provisions of this subsection shall apply unless otherwise provided by federal law.

Sec. 18. K.S.A. 2006 Supp. 79-3608 is hereby amended to read as follows: 79-3608. (a) Except as otherwise provided, it shall be unlawful for any person to engage in the business of selling tangible personal property at retail or furnishing taxable services in this state without a registration certificate from the director of taxation. Application for such certificate shall be made to the director upon forms furnished by the director, and shall state the name of the applicant, the address or addresses at which the applicant proposes to engage in such business, and the character of such business. Utilities taxable under this act shall not be required to register but shall comply with all other provisions of this act. The taxpayer may be registered by an agent. Such appointment of the agent by the taxpayer shall be in writing and submitted to the director. The taxpayer shall be issued a registration certificate to engage in the business for which application is made unless the applicant at the time of making such application owes any sales tax, penalty or interest, and in such case, before a registration certificate is issued, the director of taxation shall require the applicant to pay the amount owed.

(b) A separate registration certificate shall be issued for each place of business, and shall be conspicuously displayed therein.

(c) A seller registering under the agreement is considered registered

in this state and shall not be required to pay any registration fees or other charges to register in this state if the seller has no legal requirement to register. A written signature from the seller registering under the agreement is not required. An agent may register a seller under uniform procedures determined by the secretary. A seller may cancel its registration under the system at any time under uniform procedures determined by the secretary. Cancellation does not relieve the seller of its liability for remitting to this state any taxes collected.

(d) *The secretary may suspend or revoke the registration certificate of any taxpayer found in default for a period of at least 60 days in the payment of any retailer's sales tax or in the filing of any return. Prior to taking any action, the secretary shall provide the taxpayer 30 days' notice of the time and place of a hearing to be conducted pursuant to the Kansas administrative procedure act to show cause why such registration certificate should not be suspended or revoked. A suspended or revoked registration certificate shall not be reinstated until all outstanding tax, penalty and interest liabilities are satisfied. A suspension or revocation pursuant to this subsection shall be applicable to any individual who is a responsible party for the collection or payment of retailer's sales tax as provided by subsection (a) of K.S.A. 79-3643, and amendments thereto.*

(e) *It shall be unlawful for any person to engage in the business of selling tangible personal property at retail or furnishing taxable services in this state after such person's registration certificate has been suspended or revoked.*

Sec. 19. K.S.A. 2006 Supp. 79-3602, 79-3603, 79-3606, 79-3608, 79-3609, 79-3615, 79-3650, 79-3651, 79-3667, 79-3668, 79-3669, 79-3671, 79-3673, 79-3691 and 79-3702 are hereby repealed.
