

HOUSE RESOLUTION No 6005

A RESOLUTION encouraging participation in the American Heart Association's Go Red for Women campaign.

WHEREAS, Friday, February 2, has been designated "National Wear Red Day for Women" by the American Heart Association. This action is part of the association's Go Red for Women campaign to raise awareness of cardiovascular disease, women's greatest killer, and to invite women to take charge of their heart health so as to be able to live a stronger, longer life; and

WHEREAS, Red is the American Heart Association's color for women and heart disease. The association is encouraging everyone to wear some red item of clothing on February 2 in support of all women who have experienced heart disease or stroke; and

WHEREAS, Cardiovascular disease claims more women's lives each year than the next four causes of death combined, and nearly twice as many as all forms of cancer, including breast cancer. This endeavor, hopefully, will raise women's awareness of this problem because only 13% of women consider cardiovascular disease their greatest health risk. This lack of urgency about their health contributes to the death or more than 480,000 American women every year; and

WHEREAS, Women who contact the American Heart Association will be provided with suggestions and information including a comprehensive brochure on heart disease and stroke risk factors, a red dress pin and information regarding free lifestyle programs to improve their health: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we support the efforts of the American Heart Association in reducing women's heart problems and urge individual participation in the American Heart Association's Go Red for Women campaign.

House Resolution No. 6005 was sponsored by Representative Annie Kuether.

I hereby certify that the above RESOLUTION originated in the HOUSE, and was adopted by that body

Speaker of the House.

Chief Clerk of the House.
