Sec. 2. K.S.A. 2006 Supp. 8-262 is hereby amended to read as follows: 8-262. (a) (1) Any person who drives a motor vehicle on any highway of this state at a time when such person's privilege so to do is canceled, suspended or revoked or while such person's privilege to obtain a driver's license is suspended or revoked pursuant to K.S.A. 8-252a, and amendments thereto, shall be guilty of a class B nonperson misdemeanor on the first conviction and a class A nonperson misdemeanor on the second or subsequent conviction.

(2) The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The court may place the person convicted under a house arrest program pursuant to K.S.A. 21-4603b, and amendments thereto, or any municipal ordinance to serve the remainder of the minimum sentence only after such person has served 48 consecutive hours' imprisonment.

(d) For the purposes of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section, "conviction" includes a conviction of a violation of any ordinance of any city or resolution of any county or a law of another state which is in substantial conformity with this section.

Sec. 3. K.S.A. 2006 Supp. 8-1001 is hereby amended to read as follows: 8-1001. (a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person's con-

sent to such test or tests, which shall be administered in the manner provided by this section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a) if the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, or was under the age of 21 years while having alcohol or other drugs in such person's system; and one of the following conditions exists: (1) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, in violation of a state statute or a city ordinance; or (2) the person has been involved in a vehicle accident or collision resulting in property damage, personal injury or death. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery or a person acting under the supervision of any such licensed person; (2) a registered nurse or a licensed practical nurse; or (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate or mobile intensive care technician, as those terms are defined in K.S.A. 65-6112, and amendments thereto, or a phlebotomist. When presented with a written statement by a law enforcement officer directing blood to be withdrawn from a person who has tentatively agreed to allow the withdrawal of blood under this section, the person authorized herein to withdraw blood and the medical care facility where blood is withdrawn may rely on such a statement as evidence that the person has consented to the medical procedure used and shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent. No person authorized by this subsection to withdraw blood, nor any person assisting in the performance of a blood test nor any medical care facility where blood is withdrawn or tested that has been directed by any law enforcement officer to withdraw or test blood, shall be liable in any civil or criminal action when the act is performed in a reasonable manner according to generally accepted medical practices in the community where performed.

(d) If there are reasonable grounds to believe that there is impairment by a drug which is not subject to detection by the blood or breath test used, a urine test may be required. If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by persons of the same sex as the person being tested and shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence.

(e) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(f) Before a test or tests are administered under this section, the person shall be given oral and written notice that: ~~(A)~~ (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

~~(B)~~ (2) the opportunity to consent to or refuse a test is not a constitutional right;

~~(C)~~ (3) there is no constitutional right to consult with an attorney regarding whether to submit to testing;

~~(D)~~ (4) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person's driving privileges will be suspended for one year for the first occurrence, two years for the second occurrence, three years for the third occurrence, 10 years for the fourth occurrence and permanently revoked for a fifth or subsequent ~~offense occurrence~~;

~~(E)~~ (5) if the person submits to and completes the test or tests and the test results show *for the first occurrence*:

(A) An alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence, ~~not less than one year for the second, third or fourth occurrence and permanently revoked for a fifth or subsequent offense~~; or

(B) *an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year*;

(6) *if the person submits to and completes the test or tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year for the second, third or fourth occurrence and permanently revoked for a fifth or subsequent occurrence*;

~~(F)~~ (7) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended ~~up to~~ for one year *except the person's driving privileges will be permanently revoked for a fifth or subsequent occurrence*;

~~(G)~~ (8) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

~~(H)~~ (9) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and

~~(I)~~ (10) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities and physicians.

(g) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145 and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145 and amendments thereto shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe that the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person's system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

(h) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the person refuses to submit to and complete a test as requested pursuant to this section, additional testing shall not be given unless the certifying officer has probable cause to believe that the person, while under the influence of alcohol or drugs, or both, has operated a vehicle in such a manner as to have caused the death of or serious injury to another person. If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

(i) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both.

(j) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A.

8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person's driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

(k) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to ~~another~~ a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

(l) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(m) It shall not be a defense that the person did not understand the written or oral notice required by this section.

(n) No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

(o) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

(p) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.

(q) This act is remedial law and shall be liberally construed to promote public health, safety and welfare.

Sec. 4. K.S.A. 8-1002 is hereby amended to read as follows: 8-1002.

(a) Whenever a test is requested pursuant to this act and results in either a test failure or test refusal, a law enforcement officer's certification shall be prepared. If the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, a separate certification pursuant to K.S.A. 8-2,145, and amendments thereto, shall be prepared in addition to any certification required by this section. The certification required by this section shall be signed by one or more officers to certify:

(1) With regard to a test refusal, that: (A) There existed reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, or is under 21 years of age while having alcohol or other drugs in such person's system; (B) the person had been placed under arrest, was in custody or had been involved in a vehicle accident or collision; (C) a law enforcement officer had presented the person with the oral and written notice required by K.S.A. 8-1001, and amendments thereto; and (D) the person refused to submit to and complete a test as requested by a law enforcement officer.

(2) With regard to a test failure, that: (A) There existed reasonable grounds to believe the person was operating a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, or is under 21 years of age while having alcohol or other drugs in such person's system; (B) the person had been placed under arrest, was in custody or had been involved in a vehicle accident or collision; (C) a law enforcement officer had presented the person with the oral and written notice required by K.S.A. 8-1001, and amendments thereto; and (D) the result of the test showed that the person had an alcohol concentration of .08 or greater in such person's blood or breath.

(3) With regard to failure of a breath test, in addition to those matters

required to be certified under subsection (a)(2), that: (A) The testing equipment used was certified by the Kansas department of health and environment; (B) the testing procedures used were in accordance with the requirements set out by the Kansas department of health and environment; and (C) the person who operated the testing equipment was certified by the Kansas department of health and environment to operate such equipment.

(b) For purposes of this section, certification shall be complete upon signing, and no additional acts of oath, affirmation, acknowledgment or proof of execution shall be required. The signed certification or a copy or photostatic reproduction thereof shall be admissible in evidence in all proceedings brought pursuant to this act, and receipt of any such certification, copy or reproduction shall accord the department authority to proceed as set forth herein. Any person who signs a certification submitted to the division knowing it contains a false statement is guilty of a class B nonperson misdemeanor.

(c) When the officer directing administration of the testing determines that a person has refused a test and the criteria of subsection (a)(1) have been met or determines that a person has failed a test and the criteria of subsection (a)(2) have been met, the officer shall serve upon the person notice of suspension of driving privileges pursuant to K.S.A. 8-1014, and amendments thereto. If the determination is made while the person is still in custody, service shall be made in person by the officer on behalf of the division of vehicles. In cases where a test failure is established by a subsequent analysis of a breath, blood or urine sample, the officer shall serve notice of such suspension in person or by another designated officer or by mailing the notice to the person at the address provided at the time of the test.

(d) In addition to the information required by subsection (a), the law enforcement officer's certification and notice of suspension shall contain the following information: (1) The person's name, driver's license number and current address; (2) the reason and statutory grounds for the suspension; (3) the date notice is being served and a statement that the effective date of the suspension shall be the 30th ~~calendar~~ day after the date of service; (4) the right of the person to request an administrative hearing; and (5) the procedure the person must follow to request an administrative hearing. The law enforcement officer's certification and notice of suspension shall also inform the person that all correspondence will be mailed to the person at the address contained in the law enforcement officer's certification and notice of suspension unless the person notifies the division in writing of a different address or change of address. The address provided will be considered a change of address for purposes of K.S.A. 8-248, and amendments thereto, if the address furnished is different from that on file with the division.

(e) If a person refuses a test or if a person is still in custody when it is determined that the person has failed a test, the officer shall take any license in the possession of the person and, if the license is not expired, suspended, revoked or canceled, shall issue a temporary license effective until the 30th ~~calendar~~ day after the date of service set out in the law enforcement officer's certification and notice of suspension. If the test failure is established by a subsequent analysis of a breath or blood sample, the temporary license shall be served together with the copy of the law enforcement officer's certification and notice of suspension. A temporary license issued pursuant to this subsection shall bear the same restrictions and limitations as the license for which it was exchanged. Within five days after the date of service of a copy of the law enforcement officer's certification and notice of suspension the officer's certification and notice of suspension, along with any licenses taken, shall be forwarded to the division.

(f) Upon receipt of the law enforcement officer's certification, the division shall review the certification to determine that it meets the requirements of subsection (a). LEGEND
Presumptive Probation
Presumptive Imprisonment

(b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

(g) The sentence for the violation of K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer or K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer and amendments thereto which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered departure and shall not be subject to appeal.

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments

thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, *except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.*

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies or felony violations of the uniform controlled substances act, K.S.A. 65-4101 et seq., and amendments thereto, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of the uniform controlled substances act, K.S.A. 65-4101 et seq., and amendments thereto, or any substantially similar offense from another jurisdiction.
