

Journal of the Senate

TWENTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, February 13, 2002—2:30 p.m.

The Senate was called to order by President Dave Kerr.

The roll was called with forty senators present.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

As legislators we hear both sides of each controversial issue we face. And often this presents a dilemma.

We need help to discover who is telling the truth. One side tells us one thing and the other side just the opposite.

If neither side is telling the truth, help us to realize that.

And if each side is telling half the truth, give us the wisdom to put the right halves together.

I pray in Jesus' Name,

AMEN

EXPLANATION OF VOTE

MR. PRESIDENT: I vote NO on **SB 377**. This bill adds nothing new or unique to the rights all Americans already have under recently enacted federal law and regulations regarding access to medical records. The one area in which this bill does go further than the federal

regulations is in the restrictions it places on the amount a health care provider may charge for retrieving and copying requested medical records. The federal regulations allow providers to charge a reasonable fee to cover their costs. This bill does not give providers the ability to recoup their reasonable costs associated with copying records, but instead establishes an arbitrary limit. That is unfair to providers, and like the balance of the bill, completely unnecessary. —Barbara P. Allen
