

# Journal of the House

SIXTY-NINTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Thursday, May 25, 2006, 10:00 a.m.

The House met pursuant to **SCR 1626** with Speaker Mays in the chair.

Reps. Carter, Craft, George, Grange, Hawk, Huntington, Kiegerl, Kilpatrick, Knox, Loganbill, Loyd, Mast, Weber and Wolf were excused on excused absence by the Speaker.

## CHANGE OF CONFEREES

Speaker Mays announced the appointment of Reps. O'Neal, Kinzer and Pauls as members of the conference committee on **HB 2529** to replace Reps. Neufeld, Landwehr and Feuerborn.

## MESSAGES FROM THE GOVERNOR

**S. Sub. for HB 2105; HB 2129, HB 2432** approved on May 15, 2006.

Signing message for **HB 2432**:

I have signed **HB 2432** because it will protect citizens whose land is adjacent to recreational trails from unexpected and undeserved liability to trespassers. I am concerned, however, that allowing these same nearby landowners to sue the keepers of recreational trails could result in needless, expensive litigation. Therefore, I intend to monitor this issue closely over the next year, and will propose revisions to this new law if it interferes with the upkeep of these trails.

Also, **HB 2748, HB 2893** approved on May 16, 2006.

Also, **HB 2541; Sub. HB 2706** approved on May 17, 2006.

Also, **HB 2585** approved on May 18, 2006.

Also, **HB 2555** approved on May 19, 2006.

## VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 3004**, An act concerning certified public accountants; relating to admission to examination; amending K.S.A. 2005 Supp. 1-302a and repealing the existing section, was received and read.

*Message to the House of Representatives of the State of Kansas:*

Pursuant to Article 2, Section 14 of the Kansas Constitution, I veto **HB 3004** which changes the educational requirements needed for one to apply to take the accountancy examination from the Kansas Board of Accountancy. Changes to the requirements for taking the accountancy examination should include review of all aspects of the requirements including reciprocity. This bill focuses on only one requirement for the accountancy examination. The Board of Accountancy has begun a comprehensive review of the requirements and is set to report their findings to the 2007 Legislature. This legislation is set to be in law for only one year and I believe that the state is better served by making decisions on the requirements for the accountancy examination once a thorough review has been completed.

**MESSAGES FROM THE GOVERNOR**

**HB 2352, HB 2583** approved on May 22, 2006.

Also, **HB 2118, HB 2576, HB 2928** approved on May 24, 2006.

Signing message for **HB 2118**:

I support Kansans' right to bear arms under the Second Amendment, and though I continue to have significant concerns about the new concealed carry law, it is the law of Kansas. It is my responsibility to ensure that this law is enforced in a way that promotes the safety and security of all Kansans, and for that reason I have signed **HB 2118**.

I do not like several aspects of **HB 2118**. I believe it should have received an open committee hearing in the Legislature. I also believe the records of licenses issued under this law should be open, like those of any other license.

Nevertheless, I believe the new concealed carry law is better with this proposal than without it. This bill will help keep guns out of the hands of those with serious mental illness and problems with substance abuse and it will make the concealed carry law easier to administer. These changes will make Kansans safer.

My administration will continue to monitor this issue, and will remain open to improving this law in the years to come.

**VETO MESSAGE FROM THE GOVERNOR**

The following message with the Governor's objection to **S. Sub. for HB 2968**. An act making and concerning appropriations for the fiscal years ending June 30, 2006, June 30, 2007, June 30, 2008 and June 30, 2009, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements and acts incidental to the foregoing, was received and read.

*Message to the House of Representatives of the State of Kansas:*

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return **S. Sub. for HB 2968** with my signature approving the bill, except for the items enumerated below.

**Health Policy Authority****Business Health Partnership**

Section 35(d) has been line item vetoed in its entirety.

I veto removal of the \$500,000 from the State General Fund for FY 2007 for the Business Health Partnership that was approved by the 2006 Legislature in SB 480, the MEGA bill. This pilot program was originally requested by the Business Health Policy Committee, which was created by the Legislature with the intention of providing small businesses access to health coverage at an affordable rate. The Committee includes business leaders and legislators. The Health Policy Authority has already presented a request for proposals and undertaken a considerable amount of other preparation work to implement this program. Leaving this \$500,000 appropriation in the budget allows the Business Health Partnership to go forward.

**Department of Wildlife & Parks****Playa Lakes Groundwater**

Section 63(f) has been line item vetoed in its entirety.

I veto this portion of the bill, which would not allow any state funds to be used to pump or transport water to playa lakes or other wetlands in the region of the high plains aquifer belonging to the Department of Wildlife and Parks. The playa lakes and wetlands affected by this proviso are important components of the national flyway for both shore birds and waterfowl. In addition, they are important open public hunting facilities. The water rights that have been granted for the purpose of maintaining these resources are appropriately dealt with in the Water Appropriations Act and should not be limited or changed through a proviso in an appropriations bill.

**Motor Vehicles**

Section 63(g) has been line item vetoed in its entirety.

This item would require the Department of Wildlife and Parks to retain 25 vehicles in the agency fleet. Over the last three years, all agencies have been examining their vehicle fleets in an attempt to reduce them to the most efficient level possible. Requiring an agency to retain vehicles that they may not need does not promote efficient management.

**Legislature****Tiered Floor of House Chamber**

Section 70 has been line item vetoed in its entirety.

I veto Section 70, which prohibits the use of any expenditures to level permanently the tiered floor in the Kansas House chamber. This section would alter the plan for Statehouse renovation agreed to by the Capitol Restoration Committee and would create problems in meeting ADA requirements. A level floor allows full seating for the House members and maximum access for people with disabilities.

**CONSIDERATION OF VETOED BILLS**

The Governor's objection to **HB 3004** having been read (see this Journal), the time arrived for reconsideration of **HB 3004**. An act concerning certified public accountants; relating to admission to examination; amending K.S.A. 2005 Supp. 1-302a and repealing the existing section.

There was no motion to reconsider. The Chair ruled the bill had been reconsidered and the veto sustained.

**CONSIDERATION OF VETOED BILLS**

The Governor's objection to the line items in sections 35(d), 63(f), 63(g), and 70 of **S. Sub. for HB 2968** having been read (see this Journal), the time arrived for reconsideration of **S. Sub. for HB 2968**. An act making and concerning appropriations for the fiscal years ending June 30, 2006, June 30, 2007, June 30, 2008 and June 30, 2009, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements and acts incidental to the foregoing.

Members were given the opportunity to reconsider the line item vetoes. There was no motion to reconsider. The Chair ruled the line items had been reconsidered and the vetoes sustained.

(1) Upon conviction for any subsequent crime, the conviction that was expunged may be considered as a prior conviction in determining the sentence to be imposed;

(2) the petitioner shall disclose that the arrest, conviction or diversion occurred if asked about previous arrests, convictions or diversions:

(A) In any application for licensure as a private detective, private detective agency, certification as a firearms trainer pursuant to K.S.A. 2005 Supp. 75-7b21, and amendments thereto, or employment as a detective with a private detective agency, as defined by K.S.A. 75-7b01, and amendments thereto; as security personnel with a private patrol operator, as defined by K.S.A. 75-7b01, and amendments thereto; or with an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the department of social and rehabilitation services;

(B) in any application for admission, or for an order of reinstatement, to the practice of law in this state;

(C) in determining the petitioner's qualifications for employment with the Kansas lottery or for work in sensitive areas within the Kansas lottery as deemed appropriate by the executive director of the Kansas lottery;

(D) to aid in determining the petitioner's qualifications for executive director of the Kansas racing commission, for employment with the commission or for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission, or to aid in determining qualifications for licensure or renewal of licensure by the commission;

(E) upon application for a commercial driver's license under K.S.A. 8-2,125 through 8-2,142, and amendments thereto;

(F) to aid in determining the petitioner's qualifications to be an employee of the state gaming agency;

(G) to aid in determining the petitioner's qualifications to be an employee of a tribal gaming commission or to hold a license issued pursuant to a tribal-state gaming compact;

(H) in any application for registration as a broker-dealer, agent, investment adviser or investment adviser representative all as defined in K.S.A. 2005 Supp. 17-12a102, and amendments thereto; or

(I) in any application for employment as a law enforcement officer as defined in K.S.A. 22-2202 or 74-5602, and amendments thereto;

(3) the court, in the order of expungement, may specify other circumstances under which the conviction is to be disclosed;

(4) the conviction may be disclosed in a subsequent prosecution for an offense which requires as an element of such offense a prior conviction of the type expunged; and

(5) upon commitment to the custody of the secretary of corrections, any previously expunged record in the possession of the secretary of corrections may be reinstated and the expungement disregarded, and the record continued for the purpose of the new commitment.

(g) Whenever a person is convicted of a crime, pleads guilty and pays a fine for a crime, is placed on parole, postrelease supervision or probation, is assigned to a community correctional services program, is granted a suspended sentence or is released on conditional release, the person shall be informed of the ability to expunge the arrest records or conviction. Whenever a person enters into a diversion agreement, the person shall be informed of the ability to expunge the diversion.

(h) Subject to the disclosures required pursuant to subsection (f), in any application for employment, license or other civil right or privilege, or any appearance as a witness, a person whose arrest records, conviction or diversion of a crime has been expunged under this statute may state that such person has never been arrested, convicted or diverted of such crime, but the expungement of a felony conviction does not relieve an individual of complying with any state or federal law relating to the use or possession of firearms by persons convicted of a felony.

(i) Whenever the record of any arrest, conviction or diversion has been expunged under the provisions of this section or under the provisions of any other existing or former statute, the custodian of the records of arrest, conviction, diversion and incarceration relating to that crime shall not disclose the existence of such records, except when requested by:

- (5) a person entitled to such information pursuant to the terms of the expungement order;
- (6) a prosecuting attorney, and such request is accompanied by a statement that the request is being made in conjunction with a prosecution of an offense that requires a prior conviction as one of the elements of such offense;
- (7) the supreme court, the clerk or disciplinary administrator thereof, the state board for admission of attorneys or the state board for discipline of attorneys, and the request is accompanied by a statement that the request is being made in conjunction with an application for admission, or for an order of reinstatement, to the practice of law in this state by the person whose record has been expunged;
- (8) the Kansas lottery, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for employment with the Kansas lottery or for work in sensitive areas within the Kansas lottery as deemed appropriate by the executive director of the Kansas lottery;
- (9) the governor or the Kansas racing commission, or a designee of the commission, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for executive director of the commission, for employment with the commission, for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission or for licensure, renewal of licensure or continued licensure by the commission;
- (10) the Kansas sentencing commission;
- (11) the state gaming agency, and the request is accompanied by a statement that the request is being made to aid in determining qualifications: (A) To be an employee of the state gaming agency; or (B) to be an employee of a tribal gaming commission or to hold a license issued pursuant to a tribal-gaming compact;
- (12) the Kansas securities commissioner or a designee of the commissioner, and the request is accompanied by a statement that the request is being made in conjunction with

an application for registration as a broker-dealer, agent, investment adviser or investment adviser representative by such agency and the application was submitted by the person whose record has been expunged;

#### MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on **SB 528**, An act concerning public health; relating to the reporting of statistical data regarding termination of pregnancies; amending K.S.A. 65-445 and 65-2409a and repealing the existing sections, which was received on May 19, 2006 and was read before the Senate on May 25, 2006.

*Message to the Senate of the State of Kansas:*

Abortion is an important moral concern to all Kansans. My Catholic faith teaches me that life is sacred. Personally, I believe abortion is wrong.

That's why I have worked to reduce the number of abortions in Kansas. In my three years as governor, abortion has declined 11.1%. My administration will continue to work to reduce these numbers even more. Next week, for example, I'll sign into law an increase in tax credits for adoption and a budget that contains a 65% increase in funding for the Pregnancy Maintenance Initiative, which helps counsel women on options other than abortion. These common-sense steps will reduce abortion, and will provide real solutions for women facing this tragic decision.

**SB 528**, by contrast, will do nothing to reduce abortion in Kansas. Instead, it will force women to provide intimate, sensitive health information to the government. Privacy is a

fundamental concern to all Kansans. I worked to enhance Kansans' health privacy as Insurance Commissioner, and I intend to protect it as Governor. As we have seen in recent months in Kansas, we can never take our health privacy for granted.

Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **SB 528**.

KATHLEEN SEBELIUS  
Governor

Dated: May 19, 2006

A motion was made that **SB 528** be passed notwithstanding the Governor's veto. By a vote of 23 Yeas and 12 Nays, the motion did not receive the required two-thirds majority of the elected members of the Senate, voting in the affirmative, the motion failed and the veto was sustained.

#### MESSAGE FROM THE SENATE

#### *Message to the Senate of the State of Kansas:*

We have a rich tradition in Kansas of working to increase citizen participation in our democracy. This bill claims to advance that tradition, but sadly, it does not.

There are elements in this bill I believe should be law, such as the increased reporting requirements during the period before an election. To demonstrate my commitment to openness, I pledge to follow this proposal by self-reporting contributions over \$350 during the so-called "blackout period" at the end of the election. I urge other candidates to do the same.

I would eagerly sign real campaign finance reform that increases reporting requirements for candidates, parties and third-party groups. But this bill includes too many other objectionable elements, and it completely ignores the impact of shadowy third-party groups on our democracy.

I wholeheartedly embrace efforts to prevent voter fraud, which is why I'm glad to hear from county election officials that there is no conclusive evidence suggesting there is voter fraud taking place with advance ballots.

Voting has become easier and more convenient in our state as a result of initiatives like advance voting, but this bill would move us in the wrong direction. At a time when many communities are reducing the number of polling places and encouraging Kansans to advance vote, this bill would make it harder to cast a ballot. Sedgwick County, for example, plans to cut the number of polling places in the county from 208 to 62, increasing the barriers for elderly, disabled, and low-income voters, and making advance voting even more important. Adding forms and affidavits to read and sign will confuse voters and very likely cause many to not vote.

In addition to wanting to make it easier to vote, most Kansans would also agree we don't need more money in politics. That's why raising the contribution limits for candidates running for the Legislature, as proposed here by legislators, is a bad idea.

If the Legislature sends me real campaign finance reform, I will sign it. This bill is not real reform.

Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **SB 142**.

KATHLEEN SEBELIUS  
*Governor*

Dated: May 24, 2006

There being no motion to reconsidered the veto on **SB 142**, the President ruled the veto sustained.
