Prayer by guest chaplain, the Rev. Charles J. Robinson, pastor, Northridge Church, Sabbath, and guest of Repl Lukert:

Our Father, We thank you for another day of life that you have given us to serve one another and You. I ask that this not be just another ordinary day, full of the tyranny of the urgent and the common distractions that take us off our goal of sincere service. I pray that you give each individual in this room the extraordinary strength to endure temptations that feed us and give them an uncommon day filled with wisdom and a passionate pursuit of those things that please your heart the most. May we be found at the end of the day restful in you, knowing that you are enough for all that we face.

For it is in the name of Jesus, your Son, we pray, Amen.

The Pledge of Allegiance was led by Rep. Benlon.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Mah, **HR 6004**, A resolution congratulating and commending Shawnee Heights math teacher Bradley Nicks for being honored as a Milken Family Foundation National Educator, was adopted.

There being no objection, the following remarks of Rep. Mah are spread upon the journal:

The Milken Family Foundation National Educator Award, first awarded in 1987, is now the nation's largest teacher recognition program, having honored more than 2,400 educators from coast to coast. The Awards were established to provide public recognition and individual financial rewards to elementary and secondary teachers, principals and specialists who are furthering excellence in education.

The Awards are given to early to mid-career educators for what they have achieved and for the promise of what they will accomplish. The 2009 Award recipients will convene at the Milken Educator Forum this spring. This event will be an inspirational, national gathering of award-winning educators who will explore their roles and responsibilities in increasing teacher effectiveness and in sharing innovative strategies that make a powerful impact on students. The program will include plenary sessions addressing broad issues facing educators today to small group discussions, and culminate with the presentation of the \$25,000 Milken Educator Awards to honorees.

This year the single Kansas Award recipient is Mr. Bradley Nicks, a mathematics teacher at Shawnee Heights High School in Tecumseh. Brad has a Bachelor's Degree from Emporia

State University and a Master's Degree from Baker University. He has been teaching math and coaching at Shawnee Heights High School for nine years. He has served as a mentor for new teachers and as a cooperating teacher for student teachers.

Brad works with students who have not traditionally performed highly in math. He has been able to increase the skills and confidence level of students so that they are out-performing the student body as a whole. One student stated, "Mr. Nicks has made math simpler and easier for me to understand. Math has always been a class I have struggled with and he made it easy." Mr. Nicks does this by actively engaging his students, creating a culture of learning, and demonstrating a passion for math and for his students and by keeping the focus on learning.

As a coach, Mr. Nicks has demonstrated those same skills that make him a good teacher. As a result, he has guided track teams to state championships in 2007 and 2009 and was selected 2007 track and field coach of the year for the state of Kansas.

Today we have Brad Nicks with us along with Shawnee Heights Superintendent Dr. Marty Stessman. Please help me welcome the 2009 Kansas Milken Family Foundation National Educator, Mr. Bradley Nicks.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Kuether, **HR 6014**, A resolution encouraging participation in the American Heart Association's Go Red for Women campaign, was adopted.

There being no objection, the following remarks by Rep. Kuether are spread upon the journal:

You see, many of us think that heart disease is a "man's" disease. Trouble is: it isn't. Women are as just as likely to develop cardiovascular disease as men. We just don't realize it.

That's why we have this resolution each year . . . American Heart Association's Go Red For Women movement. Go Red For Women gives us the tools to come together to wipe out heart disease in women.

Think of the loved ones you remembered earlier. The daughters, girlfriends, moms, grandmothers, sisters and aunts. If we are women, we are at risk. Heart disease kills one woman every minute, but we can change this statistic by making the right choices for our hearts.

It is time to Speak Up! Too many women die each year because they are unaware that heart disease is their no. 1 killer. **One in three women** suffers in silence, and almost **one woman dies every minute** of this largely preventable disease.

Together, we can bring a voice to this silent killer to **help save lives**. We can listen to what our hearts are telling us, talk to our doctors, and spread the word to our friends and community about making the right choices and taking action.

SPEAK UP for yourself . . . SPEAK UP for others. We must **shatter the silence** by choosing to **Speak Up about heart disease**. By speaking up and spreading the word, we can help save lives.

EXPLANATION OF VOTE

MR. SPEAKER: While I understand the issue of attending a concert and feeling "ripped off," we should consider *not* trying to fix every bad thing that might happen to every concertgoer. How hard is it to figure out that most of the members of a 50's group are probably not touring? Further, I have more important things for the Attorney General to do than chase down tribute groups who fail to self-identify. This is one place where we might agree we do not need to grow government. I vote no on **HB 2082**.—ANN MAH
