

Journal of the House

FIFTY-FOURTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, April 28, 2010, 10:00 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair.

The roll was called with 123 members present.

Rep. Fund was excused on verified illness.

Rep. Tafanelli was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
You have provided for us a break . . .
a gift we truly appreciate;
but back to the grind
and the tasks assigned,
ready we stand
for the discussions at hand.

Some of our decisions were vetoed,
thus now increasing our workload;
we all heard many comments,
and listened to the arguments
about the bills we passed,
and now our votes we recast.

About the budget,
we know we can't fudge it,
so here the rhyming ends
as our prayer ascends.

We pray the prayer of Solomon
when he asked of God,
"Give your servant(s) a discerning heart
to govern your people and
to distinguish between right and wrong.
Give me wisdom and knowledge,
that I may lead this people."

Lord, we also want to thank you for the wonderful health report of Rep. Myer's wife who had surgery but has no cancer. We also give thanks that Rep. Johnson is able to be back with us. We continue to pray for him and for Rep. Fund, asking for strength and healing. In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Moxley.

INTRODUCTION OF GUESTS

There being no objection, the following remarks by Reps. Furtado and Garcia are spread upon the journal:

Rep. Furtado: Today I want to describe for you a national program sponsored by the State Department in collaboration with the League of Women Voters US by which women

from other countries come to the United States for an extended visit to learn about our political process at the local, state and national government and the services provided to our residents.

The League of Women voters of Johnson County was selected to host two women from Colombia, South America to observe local and state governments in Kansas. While in Johnson County, they have observed a Board of County commissions meeting as well as interacted with heads of departments within county government to learn about county services. They also attended an Overland Park City Council Meeting, visited the Municipal Court and visited with other department heads. Visits with NGO service providers as well as educational institutions from Head Start to the Community College have occurred. This week they visited the U. S. District Court and the EPA offices in Kansas City, KS. Ten days ago they met with Reps. Quigley, Spalding and me to discuss legislative issues related to women, children and education. We also described the election process including campaign finances. I invited them to spend the morning to observe a session in the House.

At this time Rep. Garcia will introduce our two guests from Colombia, South America and tell you a little about them.

Rep. Garcia: Ximena Poveda Bernal is an economist for CEI Corporation whose motto is “Excelencia en la Justicia” and is located in Bogata, Colombia. Paulina Guerra Quetama is a system engineer at Mariana University in Narino, Colombia and is an elected official, Township Councillor of Sandona in Narino, Columbia. Won't you please join us in giving these two visitors a cordial welcome!

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Burroughs are spread upon the journal:

Today we recognize and pay tribute to the men and women who have given their lives or have been injured the job.

Every day many workers throughout our state are subjected to dangerous work environments simply to provide for their families and contribute to our collective well-being. Many of these workers put themselves in harm's way just to ensure that the rest of us live in safe and thriving communities.

- The KDOT workers who put themselves in danger on fast moving highways to make sure that we have safe and reliable roads.
- The Corrections Officers who risk their lives and limbs every day to stand between our communities and dangerous convicted offenders.
- The social worker who enters at-risk homes to provide our most vulnerable citizens hope and refuge against abusive conditions.

In recent weeks and months there have been a series of workplace.

Tragedies around the country—

- the coal mine disaster at the Massey Energy Upper Big Branch mine in West Virginia that killed 29 miners,
- an explosion a few days earlier at the Tesoro Refinery in Washington State that killed six workers,
- and the explosion at the Kleen Energy Plant in Connecticut in February that also claimed the lives of six workers

Each of you can recall tragedies that have happened in your communities. So please join with me in a moment of silence as we remember the fallen Kansans who have contributed so much for our state and communities.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S. Sub. for HB 2115**. An act concerning utilities; relating to the underground utility damage prevention act; concerning interference with an emergency call; amending K.S.A. 66-1802, 66-1804, 66-1805 and 66-1806 and repealing the existing sections; also repealing K.S.A. 21-4211, 66-1802, as amended by section 5 of chapter 122 of the 2008 Session Laws of Kansas, 66-1804, as amended by section 6 of chapter 122 of the 2008 Session Laws of Kansas, 66-1805, as amended by section 7 of chapter 122 of the 2008 Session Laws of Kansas, 66-1806, as amended by section 8 of chapter 122 of the 2008 Session Laws of Kansas, section 9 of chapter 122 of the 2008 Session Laws of Kansas and section 10 of chapter 122 of the 2008 Session Laws of Kansas, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I am vetoing **S. Sub. for HB 2115**.

Kansas' current law concerning abortion was passed more than a decade ago and strikes a reasonable balance on a very difficult issue. I support the current law and believe that an annual legislative battle over the issue is not in the public's best interest.

My view is that all abortions are tragedies, which is why I would encourage women who have unwanted pregnancies to consult with their partners, families, doctors and spiritual advisors. I would not encourage women to consult with state legislators, as this is a private decision and should not be dictated by public officials.

Therefore, with respect to people on both sides of the issue, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **S. Sub. for HB 2115**.

Governor

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S. Sub. for HB 2538**. An act concerning economic development; pertaining to the promoting employment across Kansas act; pertaining to qualifications for benefits under such act; duties of secretary of revenue; reporting requirements; amending K.S.A. 2009 Supp. 74-50,103, 74-50,108, 74-50,210, 74-50,211, 74-50,212, 74-50,213, 74-50,214, 74-8010, 79-32,153 and 79-32,160a and repealing the existing sections, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I am vetoing **S. Sub. for HB 2538**.

This legislation improves upon actions taken last year to give the Secretary of the Department of Commerce more discretion as to when and how state resources are spent to provide economic development incentives. I respect the considerable work and efforts of many to make these improvements, they are needed and appreciated. However, there are elements within this legislation with which I have concerns, including increasing the budget for Kansas, Inc. by \$250,000 each year.

In light of these concerns, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **S. Sub. for HB 2538**.

MARK PARKINSON

On emergency motion of Rep. T. Brown, **HR 6039**, by Rep. T. Brown, as follows, was introduced and adopted:

HOUSE RESOLUTION No. 6039—

A RESOLUTION congratulating and commending Baldwin High School for being named national champions in the Real World Design Challenge.

WHEREAS, The Baldwin High School design team was named the national champions of the Real World Design Challenge held at the National Air and Space Museum in Washington, D.C. in March; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to give nine enrolled copies of this resolution to Representative T. Brown, one for each member and mentor of the Baldwin High School design team.

There being no objection, the following remarks by Rep. T. Brown are spread upon the journal:

Colleagues, it is my great honor to present to you a national championship team from Baldwin City, Kansas.

These young women and men before you won the National Real World Design Challenge engineering competition last month in Washington, D.C.

The Real World Design National Challenge encourages high school students to solve real world problems currently faced by the engineering industry. The 2010 national challenge was to design and optimize a business jet wing and tail for a flight condition of 400 knots true airspeed and altitude of 37,000 feet.

I had the privilege of hearing their presentation at a Baldwin City School Board Meeting earlier this month. I readily admit that I understood none of what they said.

I present to you the 2010 National Real World Design National Challenge championship team: Carson Barnes, Brandon Baltzell, Carrie Deitz, Shelby Gregory, Mason Johnson, Austin Kraus and Mac Halpin.

The team also won an award for outstanding mentor collaboration, and that mentor was Sandy Barnes. The leader of this team, the extended learning teacher at Baldwin High School, is Pam Davis.

On a personal note, I want to tell you that I coached many of these young persons in little league soccer, and did so very badly. Had I been even an adequate soccer coach, some of these young scholars might not have turned to engineering as a plausible field of endeavor.

So I take credit, indirect as it might be, for the success of this team. I never imagined that my poor coaching would foster these future engineering aspirations.
