Journal of the Senate

FIFTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 30, 2010—10:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
The time is getting short,
There's still a lot to do.
Some of it must be done
Before the session's through.
All of them represent
Over 60,000 persons;
All have other responsibilities
Making the pressure worsen.
Almost all have other jobs
Which they have left behind.
Sickness afflicts some of them
Which puts them in a bind.
Kids expect their parents
To attend all their games.
Grandchildren were disappointed
When grandparents never came.
Some of them must travel
Several hundred miles.
Fatigue and lack of time
Are adding to their trials.
I've said it many times before,
And I'll say it once again:
They have too many critics,
Let's PRAY for these women and men!
I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

WHEREAS, The Pierre Auger Observatory project is a world-class research project proposed to be built in southeastern Colorado (“Auger North”), a location chosen by the scientific community due to its altitude and latitude and because it offers large, relatively unpopulated expanses under clear skies that experience low interference from lights; and

WHEREAS, The project would bring educational benefits to the region, involving Wichita State University, Kansas State University, the University of Kansas and Fort Hays State University, as well as recognition for being the location of a world renowned research facility; and

WHEREAS, The observatory would create an opportunity in education and outreach and would benefit the economy of the region, attracting tourists from around the world and creating jobs affiliated with the project, as well as a visitor center; and

WHEREAS, The observatory site will cover an area of 8,000 square miles and will require the cooperation of local landowners who could potentially benefit from tax credits if they choose to participate in the project: Now, therefore,

EXPLANATION OF VOTE

MR. PRESIDENT: **House Bill 2412** is well-intended. Its humanitarian purpose is to allow Kansas inmates within 30 days of death to be released from prison to die at home. I am sympathetic to that humanitarian purpose, and so I have supported this legislation until this final point in the process in the hope that important concerns could be resolved.

Unfortunately, it became apparent to me during the conference committee that one critical concern cannot be resolved. This bill allows the release of a terminal inmate to occur BEFORE notice of the intended release is given to prosecutors, victims, and family members of victims. This is a departure from our current functional incapacitation law.

This early release would be available to terminally ill inmates who have committed serious crimes, such as rape or armed robbery. I cannot support a measure that allows violent felons to be released, even on humanitarian grounds, without prior notice to their victims. Therefore, I vote no on this conference committee report on **House Bill 2412**. — D. SCHMIDT

Senators Lynn and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator D. Schmidt on **HB 2412**.

LEGEND
Presumptive Probation
Non-Drug
Presumptive Imprisonment

(b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

(g) The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered a departure and shall not be subject to appeal.

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory

sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies or felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a) of K.S.A. 21-3715 and amendments thereto when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716 and amendments thereto shall be presumed imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism, such program is

available and the offender can be admitted to such program within a reasonable period of time; or

(2) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence pursuant to this section shall not be considered a departure and shall not be subject to appeal.

(n) The sentence for a third or subsequent violation of subsection (b) of K.S.A. 21-3705, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of K.S.A. 21-3701 or 21-3715, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 21-4729, and amendments thereto, shall apply to a defendant sentenced under this subsection.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716 and amendments thereto, or the sentence for a violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) The sentence for a violation of subsection (a)(2) of K.S.A. 21-3413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(r) (1) *If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.*

(2) *The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.*

(3) *As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and keklar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection."*;

Sec. 2. K.S.A. 2009 Supp. 65-2836 is hereby amended to read as follows: 65-2836. A licensee's license may be revoked, suspended or limited, or the licensee may be publicly or privately censured or placed under probationary conditions, or an application for a license or for reinstatement of a license may be denied upon a finding of the existence of any of the following grounds:

(a) The licensee has committed fraud or misrepresentation in applying for or securing an original, renewal or reinstated license.

(b) The licensee has committed an act of unprofessional or dishonorable conduct or professional incompetency, except that the board may take appropriate disciplinary action or enter into a non-disciplinary resolution when a licensee has engaged in any conduct or professional practice on a single occasion that, if continued, would reasonably be expected to constitute an inability to practice the healing arts with reasonable skill and safety to patients or unprofessional conduct as defined in K.S.A. 65-2837, and amendments thereto.

(c) The licensee has been convicted of a felony or class A misdemeanor, whether or not related to the practice of the healing arts. The board shall revoke a licensee's license following conviction of a felony occurring after July 1, 2000, or a misdemeanor under K.S.A. 65-

6703, and amendments thereto, after July 1, 2010, unless a $\frac{2}{3}$ majority of the board members present and voting determine by clear and convincing evidence that such licensee will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust. In the case of a person who has been convicted of a felony or a misdemeanor under K.S.A. 65-6703, and amendments thereto, after July 1, 2010, and who applies for an original license or to reinstate a canceled license, the application for a license shall be denied unless a $\frac{2}{3}$ majority of the board members present and voting on such application determine by clear and convincing evidence that such person will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust.

(d) The licensee has used fraudulent or false advertisements.

(e) The licensee is addicted to or has distributed intoxicating liquors or drugs for any other than lawful purposes.

(f) The licensee has willfully or repeatedly violated this act, the pharmacy act of the state of Kansas or the uniform controlled substances act, or any rules and regulations adopted pursuant thereto, or any rules and regulations of the secretary of health and environment which are relevant to the practice of the healing arts.

(g) The licensee has unlawfully invaded the field of practice of any branch of the healing arts in which the licensee is not licensed to practice.

(h) The licensee has engaged in the practice of the healing arts under a false or assumed name, or the impersonation of another practitioner. The provisions of this subsection relating to an assumed name shall not apply to licensees practicing under a professional corporation or other legal entity duly authorized to provide such professional services in the state of Kansas.

(i) The licensee has the inability to practice the healing arts with reasonable skill and safety to patients by reason of physical or mental illness, or condition or use of alcohol, drugs or controlled substances. In determining whether or not such inability exists, the board, upon reasonable suspicion of such inability, shall have authority to compel a licensee to submit to mental or physical examination or drug screen, or any combination thereof, by such persons as the board may designate either in the course of an investigation or a disciplinary proceeding. To determine whether reasonable suspicion of such inability exists, the investigative information shall be presented to the board as a whole, to a review committee of professional peers of the licensee established pursuant to K.S.A. 65-2840c, and amendments thereto, or to a committee consisting of the officers of the board elected pursuant to K.S.A. 65-2818, and amendments thereto, and the executive director appointed pursuant to K.S.A. 65-2878, and amendments thereto, or to a presiding officer authorized pursuant to K.S.A. 77-514, and amendments thereto. The determination shall be made by a majority vote of the entity which reviewed the investigative information. Information submitted to the board as a whole or a review committee of peers or a committee of the officers and executive director of the board and all reports, findings and other records shall be confidential and not subject to discovery by or release to any person or entity. The licensee shall submit to the board a release of information authorizing the board to obtain a report of such examination or drug screen, or both. A person affected by this subsection shall be offered, at reasonable intervals, an opportunity to demonstrate that such person can resume the competent practice of the healing arts with reasonable skill and safety to patients. For the purpose of this subsection, every person licensed to practice the healing arts and who shall accept the privilege to practice the healing arts in this state by so practicing or by the making and filing of a renewal to practice the healing arts in this state shall be deemed to have consented to submit to a mental or physical examination or a drug screen, or any combination thereof, when directed in writing by the board and further to have waived all objections to the admissibility of the testimony, drug screen or examination report of the person conducting such examination or drug screen, or both, at any proceeding or hearing before the board on the ground that such testimony or examination or drug screen report constitutes a privileged communication. In any proceeding by the board pursuant to the provisions of this subsection, the record of such board proceedings involving the mental and physical examination or drug screen, or any combination thereof, shall not be used in any other administrative or judicial proceeding.

(j) The licensee has had a license to practice the healing arts revoked, suspended or limited, has been censured or has had other disciplinary action taken, or an application for a license denied, by the proper licensing authority of another state, territory, District of Columbia, or other country, a certified copy of the record of the action of the other jurisdiction being conclusive evidence thereof.

(k) The licensee has violated any lawful rule and regulation promulgated by the board or violated any lawful order or directive of the board previously entered by the board.

(l) The licensee has failed to report or reveal the knowledge required to be reported or revealed under K.S.A. 65-28,122, and amendments thereto.

(m) The licensee, if licensed to practice medicine and surgery, has failed to inform in writing a patient suffering from any form of abnormality of the breast tissue for which surgery is a recommended form of treatment, of alternative methods of treatment recognized by licensees of the same profession in the same or similar communities as being acceptable under like conditions and circumstances.

(n) The licensee has cheated on or attempted to subvert the validity of the examination for a license.

(o) The licensee has been found to be mentally ill, disabled, not guilty by reason of insanity, not guilty because the licensee suffers from a mental disease or defect or incompetent to stand trial by a court of competent jurisdiction.

(p) The licensee has prescribed, sold, administered, distributed or given a controlled substance to any person for other than medically accepted or lawful purposes.

(q) The licensee has violated a federal law or regulation relating to controlled substances.

(r) The licensee has failed to furnish the board, or its investigators or representatives, any information legally requested by the board.

(s) Sanctions or disciplinary actions have been taken against the licensee by a peer review committee, health care facility, a governmental agency or department or a professional association or society for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(t) The licensee has failed to report to the board any adverse action taken against the licensee by another state or licensing jurisdiction, a peer review body, a health care facility, a professional association or society, a governmental agency, by a law enforcement agency or a court for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(u) The licensee has surrendered a license or authorization to practice the healing arts in another state or jurisdiction, has surrendered the authority to utilize controlled substances issued by any state or federal agency, has agreed to a limitation to or restriction of privileges at any medical care facility or has surrendered the licensee's membership on any professional staff or in any professional association or society while under investigation for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(v) The licensee has failed to report to the board surrender of the licensee's license or authorization to practice the healing arts in another state or jurisdiction or surrender of the licensee's membership on any professional staff or in any professional association or society while under investigation for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(w) The licensee has an adverse judgment, award or settlement against the licensee resulting from a medical liability claim related to acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(x) The licensee has failed to report to the board any adverse judgment, settlement or award against the licensee resulting from a medical malpractice liability claim related to acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(z) The licensee has failed to pay the premium surcharges as required by K.S.A. 40-3404, and amendments thereto.

(aa) The licensee has knowingly submitted any misleading, deceptive, untrue or fraudulent representation on a claim form, bill or statement.

(bb) The licensee as the responsible physician for a physician assistant has failed to adequately direct and supervise the physician assistant in accordance with the physician assistant licensure act or rules and regulations adopted under such act.

(cc) The licensee has assisted suicide in violation of K.S.A. 21-3406, and amendments thereto, as established by any of the following:

EXPLANATION OF VOTE

MR. PRESIDENT: I vote "NO" on the conference committee report on **Senate Substitute for HB 2115**.

This conference committee report (that was put into a utilities bill and sent to conference with no opportunities for amendments) makes confusing changes to reporting requirements for physicians. We ask a physician to report if a fetus was determined to be nonviable without defining that term. We ask for the medical reasons for determination of gestational age when we may want to know what methods a physician used to make the determination, and with a definition of gestational age that limits the physician's reporting. The lack of clarity in reporting requirements is especially troubling because the statutes are being changed to require the Board of Healing Arts to revoke a licensee's license for a misdemeanor under K.S.A. 65-6703. There are other concerns, but perhaps the most egregious is the repeal of K.S.A. 65-6713 that establishes civil immunity for physicians who are fully compliant with the informed consent process included in the Women's Right to Know Act and according to standard medical practice. We should allow for health care for women, not set up obstacles for physicians who are following the oath they have taken. — MARCI FRANCISCO

Senators Faust-Goudeau, Haley, Hensley, Kelly and Kultala request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on **Senate Substitute for HB 2115**.

“New Section 1. (a) A physician or other health care professional who is otherwise authorized by law to provide medical treatment to a pregnant woman shall take or cause to be taken, during the first trimester of pregnancy, a routine opt-out screening for HIV infection. When the physician or other health care professional determines certain pregnant women to be at high risk for acquiring HIV infection, such women shall be administered a repeat screening during the third trimester or at the time of labor and delivery. When a pregnant woman’s HIV status is unknown for any reason at the time of labor and delivery, such woman shall be screened for HIV infection as soon as possible within medical standards. When an HIV rapid test kit is used for screening, a confirmatory sample shall be submitted for serological testing which meets the standards recognized by the United States public health service for the detection of HIV to a laboratory approved by the secretary of health and environment for such serological tests. A pregnant woman shall have the right to refuse screening under this subsection at any time. The form shall contain the following wording: “I test all of my pregnant patients for HIV as part of the panel of routine tests to alert me to any conditions that can have a very serious effect on your pregnancy and your baby. You will be tested for HIV unless you tell me not to.”

(b) When the mother’s HIV status is unknown because of refusal to take such screening during the pregnancy or any other reasons, such mother’s newborn child shall be screened with an HIV test as soon as possible within medical standards to determine if prophylaxis

is needed. A mother's or a guardian's consent is not required to screen such newborn child, except that this subsection shall not apply to any newborn child whose parents object to the test as being in conflict with their religious tenets and practices. Documentation of a mother's HIV status shall be recorded in both the mother's and newborn's medical records. The mother of the child shall be informed in writing of the provisions of this subsection and of the purposes and benefits of the screening and shall sign a form stating that the mother has received the information.

(c) The secretary of health and environment is hereby authorized to adopt rules and regulations, within six months from the effective date of this section, establishing guidelines for routine HIV infection screening for pregnant women and each newborn child where the HIV status of the mother is unknown at the time of birth. These rules and regulations shall be based on the recommendations and best practices established by the United States centers for disease control and prevention and public health service task force recommendations for use of antiretroviral drugs in pregnant HIV infected women for maternal health and interventions to reduce perinatal HIV transmission in the United States.

(d) As used in this section, physician, HIV and HIV infection have the meanings defined in K.S.A. 65-6001, and amendment thereto.

(a) The license of every licensed physical therapist and the certification of every certified physical therapist assistant shall expire on the date established by rules and regulations of the board which may provide renewal throughout the year on a continuing basis. In each

case in which a license or certificate is renewed for a period of time of less than one year, the board may prorate the amount of the fee established under K.S.A. 65-2911 and amendments thereto. The request for renewal shall be on a form provided by the board and shall be accompanied by the renewal fee established under K.S.A. 65-2911 and amendments thereto which shall be paid not later than the expiration date of the license or certificate.

(b) The board shall require every licensed physical therapist or certified physical therapist assistant as a condition of renewal to submit with the application for a renewal evidence of satisfactory completion of a program of continuing education required by the board. The board shall establish the requirements for each such program of continuing education by rules and regulations. In establishing such requirements the board shall consider any existing programs of continuing education currently being offered to licensed physical therapists or certified physical therapist assistants.

(c) At least 30 days before the expiration of the license of a physical therapist or the certificate of a physical therapist assistant, the board shall notify the licensee or certificate holder of the expiration by mail addressed to the licensee's last mailing address as noted upon the office records. If the licensee or certificate holder fails to pay the renewal fee by the date of expiration, the licensee or certificate holder shall be given a second notice that the license or certificate has expired and the license or certificate may be renewed only if the renewal fee and the late renewal fee are received by the board within the thirty-day period following the date of expiration and that, if both fees are not received within the thirty-day period, the license or certificate shall be canceled for failure to renew and shall be reissued only after the physical therapist or physical therapist assistant has been reinstated under subsection (d).

(d) Any licensee or certificate holder who allows the license or certificate to be canceled by failing to renew may be reinstated upon recommendation of the board, upon payment of the reinstatement fee and upon submitting evidence of satisfactory completion of any applicable reeducation and continuing education requirements established by the board. The board shall adopt rules and regulations establishing appropriate reeducation and continuing education requirements for reinstatement of persons whose licenses or certificates have been canceled for failure to renew.

(e) (1) There is hereby created the designation of inactive license. The board is authorized to issue an inactive license to any physical therapist who makes written application for a license as a physical therapist on a form provided by the board and remits the fee established pursuant to K.S.A. 65-2911, and amendments thereto. The board may issue an inactive license only to a person who meets all the requirements for a license to practice as a physical therapist and who does not actively practice as a physical therapist in this state. An inactive license shall not entitle the holder to render professional services as a physical therapist. The provisions of subsections (c) and (d) relating to expiration, renewal and reinstatement of a license shall be applicable to an inactive license issued under this subsection. Each inactive licensee may apply to engage in active practice by providing to the board proof that a policy of professional liability insurance will be maintained in compliance with K.S.A. 2009 Supp. 65-2920, and amendments thereto, and rules and regulations adopted by the board.

(2) *For the licensee whose license has been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for exempt licensees to become licensed to regularly practice physical therapy within Kansas. Any licensee whose license has been inactive for more than two years may be required to complete such additional testing, training or education as the board may deem necessary to establish the licensee's present ability to practice with reasonable skill and safety.*

(f) (1) *There is hereby created a designation of exempt license. The board is authorized to issue an exempt license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an exempt license established pursuant to K.S.A. 65-2911, and amendments thereto. The board may issue an exempt license to a person who is not regularly engaged in the practice of physical therapy in Kansas and who does not hold oneself out to the public as being professionally engaged in such practice. An exempt license shall entitle the holder to all privileges attendant to the practice of physical therapy for which such license is issued. Each exempt license may be renewed subject to the*

provisions of this section. Each exempt licensee shall be subject to all provisions of the physical therapy act, except as otherwise provided in this subsection. The holder of an exempt license shall be required to submit evidence of satisfactory completion of a program of continuing education required by this section. Each exempt licensee may apply for a license to regularly engage in the practice of physical therapy upon filing a written application with the board. Any licensee whose license has been exempt for more than two years and who has not been in the active practice of physical therapy or engaged in a formal educational program since the license has been exempt may be required to complete such additional testing, training or education as the board may deem necessary to establish the licensee's present ability to practice with reasonable skill and safety.

(4) A person who practices under an exempt license shall not be deemed to be rendering professional service as a physical therapist in this state for the purposes of K.S.A. 2009 Supp. 65-2920, and amendments thereto.

(g) (1) There is hereby created a designation of federally active license. The board is authorized to issue a federally active license to any licensee who makes written application for such license on a form provided by the board and remits the same fee required for a license established under K.S.A. 65-2911, and amendments thereto. The board may issue a federally active license only to a person who meets all the requirements for a license to practice physical therapy in Kansas and who practices that branch of physical therapy solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies. A person issued a federally active license may engage in limited practice outside of the course of federal employment consistent with the scope of practice of exempt licenses under subsection (f), except that the scope of practice of a federally active licensee shall be limited to providing direct patient care services gratuitously or providing supervision, direction or consultation for no compensation except that nothing in this subsection (g)(1) shall prohibit a person licensed to practice physical therapy issued a federally active license from receiving payment for subsistence allowances or actual and necessary expenses incurred in providing such services; and rendering professional services as a charitable health care provider as defined in K.S.A. 75-6102, and amendments thereto.

(2) The provisions of subsections (a), (b), and (d) of this section relating to continuing education, expiration and renewal of a license shall be applicable to a federally active license issued under this subsection.

(3) A person who practices under a federally active license shall not be deemed to be rendering professional service as a physical therapist in this state for the purposes of K.S.A. 2009 Supp. 65-2920, and amendments thereto.

EXPLANATION OF VOTE

MR. VICE PRESIDENT: Having previously, and most reluctantly, voted "Present But Passing" on **S Sub for Sub HB 2509** (concerning a \$150,000 minimum civil suit damage threshold for victims of child pornography), I am now pleased, and relieved, to be able to strongly support the product of the Judiciary Conference Committee. My only concern in the original bill, which has herein been alleviated, was for those teens choosing to exchange

arguably pornographic photos, by a method commonly known as “sexting” wherein electronic images are produced and shared (or by other means), and later be sued by an undoubtably “former” partner. With the basis in **S Sub for Sub for HB 2509** now being a crime under *existing* law (which a “Romeo and Juliet” age proximity does contemplate as a defense) for the *civil* (\$150,000 +) suit, I am satisfied with this necessary and timely measure crafted in compromise by the great legal minds, and mine, in the Conference Committee.

For the purposes of this act, a settlor of a revocable trust shall be deemed to be entitled to the gross earnings on money, notes and other evidence of debt of such trust whether or not such settlor actually receives the same and a beneficiary shall be deemed to be entitled to a share of such earnings if all or a specific part or percentage of the net income of the trust must be distributed to such beneficiary or if the beneficiary may withdraw all or a specific part of the net income. If such beneficiary may receive earnings only on the exercise of discretion by the trustee or on the occurrence of an event outside of the beneficiary's sole control such beneficiary shall not be deemed to have received the earnings and shall file a return listing only earnings actually received. If earnings of a trust which are taxable pursuant to this act are accumulated and subsequently distributed in a different calendar year than the year in which received by the trust and if the same are reported as income under the revenue laws of Kansas and regulations promulgated thereunder, and if a return listing such earnings has not been filed by the trustees in the year in which earned, then a return listing such earnings shall be filed by such beneficiary in the year in which the same are reported under the revenue laws of Kansas, but otherwise a return listing the same shall not be filed. Where the beneficiary of any trust is required to file a return listing earnings which are taxable pursuant to this act and which are held in trust, such beneficiary for purposes of this act shall be deemed to have received or to be entitled to receive such beneficiary's pro rata share of the earnings without specific allocation, unless the trust provides otherwise, and based upon the proportion which the beneficiary's share of the earnings bears to the total earnings of the trust. A return listing gross earnings taxable under this act which belong to the estate of a resident decedent shall be filed by the executor or administrator. If the decedent is a nonresident, such executor or administrator shall not be required to file a return listing such gross earnings.

A return listing the gross earnings of persons, companies or corporations which are taxable pursuant to this act, whose assets are in the hands of receivers shall be filed by such receivers and a return listing the gross earnings belonging to a corporation, and subject to this act, shall be filed by some person designated for that purpose by such corporation.

A return listing the gross earnings which are taxable pursuant to this act which belong to a corporation, association or a partnership shall be listed by an agent or partner. Unless subject to tax by reason of K.S.A. 12-1,103, *and amendments thereto*, no return listing the gross earnings from money, notes and other evidence of debt collected or received by any agent or representative of any person, company, or corporation, which is to be transmitted immediately to such person, company or corporation, shall be filed by such agent or representative, but such agent or representative shall, upon request, *shall* state under oath the

amount of such money or credits and ~~to whom the same has~~ *the person, company or corporation to whom such money or credits have* been or is to be transmitted.

Taxes levied pursuant to this act shall be paid by the person or fiduciary required to file such return.

Sec. 7. K.S.A. 2009 Supp. 79-2971 is hereby amended to read as follows: 79-2971. (a) Any individual who is responsible for collection or payment of excise taxes imposed under the provisions of K.S.A. 12-1692 et seq., 12-1696 et seq., 41-501 et seq., 79-3301 et seq., 79-3370 et seq., 79-3401 et seq., 79-3490 et seq., 79-34,108 et seq., 79-3817 et seq., 79-4101 et seq. or 79-41a01, and amendments thereto, or for control, receipt, custody or disposal of funds due and owing under such acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the taxpayer held by such individual; (2) form under which the taxpayer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment to a responsible individual must be issued within three years after the proceeding against the business became final.

(c) Within 60 days after the mailing of a notice of assessment to a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a), and for a determination of the tax liability of the business.

(d) If a notice of assessment and a warrant are issued to a responsible individual pursuant to a jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

Sec. 8. K.S.A. 2009 Supp. 79-3298 is hereby amended to read as follows: 79-3298. (a) Every employer, payer, person or organization deducting and withholding tax shall remit the taxes and file returns in accordance with the following provisions:

(1) Whenever the total amount withheld exceeds \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in accordance with the following schedule: Each calendar month shall be divided into four remittance periods that end on the 7th, 15th, 21st and the last day of such month. If at the end of any one or all of such remittance periods the total undeposited taxes equal or exceed \$667, the taxes shall be remitted within three banking days. Saturdays, Sundays and legal holidays shall not be treated as banking days.

(2) Whenever the total amount withheld exceeds \$8,000 but does not exceed \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the first 15 days of any month on or before the 25th day of the month. The employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the remainder of that month on or before the 10th day of the following month.

(3) Whenever the total amount withheld exceeds \$1,200 but does not exceed \$8,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during any month on or before the 15th day of the following month.

(4) Whenever the total amount withheld exceeds \$200 but does not exceed \$1,200 in any calendar year, the employer, payer, person or organization deducting and withholding

tax shall remit the taxes withheld in any calendar quarter on or before the 25th day of the first month following the end of that calendar quarter.

(5) Whenever the total amount withheld does not exceed \$200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during that year on or before January 25 of the following year.

(b) Each remittance required under the provisions of subsection (a) shall be accompanied by a Kansas withholding tax remittance form *and shall be filed in the manner* prescribed ~~and furnished~~ by the director, *including electronic filing*.

(c) Every employer, payer, person or organization deducting and withholding tax and making remittances pursuant to subsection (a) shall file a return on a form *or in the format and shall file in the manner* prescribed ~~and furnished~~ by the director, *including electronic filing*, for each calendar year on or before the last day of February of the following year.

(d) The excess of any remittance over the actual taxes withheld in any withholding period shall be credited against the liability for following withholding periods until exhausted. A refund shall be allowed in accordance with K.S.A. 79-32,105, and amendments thereto, where an overpayment cannot be adjusted by an offset against the liability for a subsequent withholding period.

(e) For purposes of determining filing requirements, determinations of amounts withheld during a calendar year by employers, payers, persons or organizations deducting and withholding tax shall be made by the director upon the basis of amounts withheld by those employers, payers, persons or organizations during the preceding calendar year or by estimates in cases of employers, payers, persons or organizations having no previous withholding histories. The director is hereby authorized to modify the filing schedule for any employer, payer, person or organization deducting and withholding tax when it is apparent that the original determination was inaccurate.

(f) Whenever the director has cause to believe that money withheld by an employer, payer, person or organization deducting and withholding tax pursuant to this act may be converted, diverted, lost, or otherwise not timely paid in accordance with this section, the director shall have the power to require returns and payment from any such employer, payer, person or organization at any time at more frequent intervals than prescribed by this section in order to secure full payment to the state of all amounts withheld by such employer, payer, person or organization in accordance with this act.

Sec. 9. K.S.A. 2009 Supp. 79-32,100c is hereby amended to read as follows: 79-32,100c.

(a) If an employer, payer, person or organization deducting and withholding tax fails to deduct and withhold the tax as required under this act, and thereafter, the income tax against which the tax may be credited is paid, the tax required to be deducted and withheld shall not be collected from the employer, payer, person or organization. The payment of such tax does not, however, operate to relieve the employer, payer, person or organization from liability for penalties, interest or additions to the tax applicable with respect to such failure to deduct and withhold. The employer, payer, person or organization shall not be relieved under this provision from liability for payment of the tax required to be withheld unless it can be shown that the income tax against which the tax required to be withheld under this act may be credited has been paid.

(b) Every agent or other person having control, receipt, custody or disposal of, or paying the wages of an employee or group of employees employed by one or more employers, is for the purpose of this act designated to be an employer. In the case of the corporation, the officers and board of directors are likewise considered employers. Employers of classes named in this section shall be subject to all the provisions of law including penalties as is their principal. Any employer who willfully fails to collect the tax imposed by the Kansas withholding tax act or truthfully account for any pay over such tax, or willfully attempts in any manner to evade or defeat any tax or the payment thereof, shall be subject to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over in addition to other penalties provided by law. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

Sec. 10. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the

provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by subsection (b) of K.S.A. 79-2968, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

(2) zero if no return was required to be filed or if the tax liability on the individual's return was less than \$200 for the preceding taxable year;

(3) an amount equal to 66 $\frac{2}{3}$ %, in the case of individuals referred to in subsection (b) of K.S.A. 79-32,102, and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than \$500 for the preceding taxable year; or

(2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income: (i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month; (ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month; (iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and (iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this subsection (2), the taxable income shall be placed on an annualized basis by (i) multiplying by 12 the taxable income referred to in subsection (2)(A), and (ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in subsection (2)(A).

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer; ~~but~~. This subsection shall in no case relieve the employer from liability

for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(f) In case of failure by any employer required by subsection (b) of K.S.A. 79-3298, and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment. For purposes of this subsection, the term "underpayment" means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by subsection (d) of K.S.A. 79-3298, and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) of this section on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e), or (f) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of said penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 11. K.S.A. 2009 Supp. 79-3607 is hereby amended to read as follows: 79-3607. (a) Retailers shall make returns to the director at the times prescribed by this section *in the manner prescribed by the director, including electronic filing*, upon forms *or format* prescribed ~~and furnished~~ by the director stating: (1) The name and address of the retailer; (2) the total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made; (3) the total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made; (4) deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales; (5) receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made; (6) receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules

and regulations as the secretary of revenue may prescribe. When the total tax for which any retailer is liable under this act, does not exceed the sum of \$80 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed \$3,200 in any calendar year, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. When the total tax liability exceeds \$3,200 in any calendar year, the retailer shall file a return for each month on or before the 25th day of the following month. When the total tax liability exceeds \$32,000 in any calendar year, the retailer shall be required to pay the sales tax liability for the first 15 days of each month to the director on or before the 25th day of that month. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs computed at the rate applicable in the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows: (1) Upon registration, the director shall provide to the seller the returns required;

(2) seller shall file a return anytime within one year of the month of initial registration, and future returns are required on an annual basis in succeeding years; and

(3) in addition to the returns required in subsection (b)(2), sellers are required to submit returns in the month following any month in which they have accumulated state and local sales tax funds for this state in the amount of \$1,600 or more.

Sec. 12. K.S.A. 2009 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may ~~prove that the transaction was not subject to tax by other means or~~ obtain a fully completed exemption certificate from the purchaser, taken in good faith ~~which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax.~~ Otherwise, the sales shall be deemed to be taxable sales under this act. *The seller shall obtain an exemption*

certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after one year from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and, except as otherwise provided in K.S.A. 2009 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2009 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.

(e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding \$10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers'

sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding \$50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled *In re appeal of Water District No. 1 of Johnson County* shall be allowed for tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to Water District No. 1 of Johnson county.

Sec. 13. K.S.A. 2009 Supp. 79-3643 is hereby amended to read as follows: 79-3643. (a) Any individual who is responsible for collection or payment of sales or compensating tax or control, receipt, custody or disposal of funds due and owing under the Kansas retailers' sales and compensating tax acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the retailer held by such individual; (2) form under which the retailer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment against a responsible individual must be issued within three years after the proceeding against the business has become final.

(c) Within 60 days after the mailing of a notice of assessment against a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a) and for a determination of the tax liability of the business.

(d) If notice of assessment and warrant are issued to a responsible individual pursuant to K.S.A. 79-3610, and amendments thereto, or any other jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

(e) The provisions of this section shall be deemed to be supplemental to the Kansas retailers' sales and compensating tax acts.

Sec. 14. K.S.A. 2009 Supp. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to subsection (a) of K.S.A. 79-3609, and amendments thereto and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of

the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the name, address of the entity and identification number issued to the entity pursuant to K.S.A. 2009 Supp. 79-3692, and amendments thereto, ~~and indicate the subsection under which the exemption is being claimed.~~ Such certificate shall be signed by an ~~officer, office manager or other administrator~~ *authorized person* of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. The certificate shall be substantially in such form as the director may prescribe. ~~A seller may require that payments be made on an exempt entity's check, warrant, voucher or is charged to the entity's account shall relieve the seller from collecting and remitting the tax if it is taken in good faith as a condition for honoring the entity's exemption claim.~~

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by subsection (g) of K.S.A. 79-3615, and amendments thereto.

Sec. 15. K.S.A. 2009 Supp. 79-3666 is hereby amended to read as follows: 79-3666. State sales tax rate changes must take effect on the first day of a calendar quarter. The secretary shall make a reasonable effort to provide sellers with as much advance notice as

practicable of any rate changes, legislative change in the tax base and amendments to sales and use tax rules and regulations. Failure of a seller to receive such notice or failure of the secretary to provide such notice to a seller or limit the effective date of a rate change shall not relieve the seller of its obligation to collect sales or use tax or otherwise comply with any such legislative, rule or regulatory changes. *Whenever there is less than 30 days between the effective date of any amendments to K.S.A. 79-3603 and 79-3703, which make a change in the retailers' sales tax or compensating use tax rate and the date such rate change takes effect as provided by this section, the seller shall be relieved from liability for failing to collect tax at the changed rate if:*

- (a) *The seller collected tax at the immediately preceding rate during such time period; and*
- (b) *the seller's failure to collect at the changed rate does not extend beyond 30 days after such effective date.*

When the seller fraudulently failed to collect at the new sales tax rate or solicits purchasers based on the immediately preceding effective rate, such relief from liability does not apply to such seller.

Sec. 16. K.S.A. 2009 Supp. 79-3672 is hereby amended to read as follows: 79-3672. (a) (1) Notwithstanding the provisions of K.S.A. 2009 Supp. 79-3670 and amendments thereto, a purchaser of direct mail that is not a holder of a direct pay permit shall provide to the seller in conjunction with the purchase either a direct mail form or information to show the jurisdictions to which the direct mail is delivered to recipients:

~~(2) Upon receipt of the direct mail form, the seller is relieved of all obligations to collect, pay or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A direct mail form shall remain in effect for all future sales of direct mail by the seller to the purchaser until it is revoked in writing.~~

~~(3) Upon receipt of information from the purchaser showing the jurisdictions to which the direct mail is delivered to recipients, the seller shall collect the tax according to the delivery information provided by the purchaser. In the absence of bad faith, the seller is relieved of any further obligation to collect tax on any transaction where the seller has collected tax pursuant to the delivery information provided by the purchaser.~~

~~(b) If the purchaser of direct mail does not have a direct pay permit and does not provide the seller with either a direct mail form or delivery information, as required by subsection (a), the seller shall collect the tax according to subsection (a)(5) of K.S.A. 2009 Supp. 79-3670 and amendments thereto. Nothing in this subsection shall limit a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.~~

~~(c) If a purchaser of direct mail provides the seller with documentation of direct pay authority, the purchaser shall not be required to provide a direct mail form or delivery information to the seller: the following provisions apply to sales of "advertising and promotional direct mail":~~

~~(1) A purchaser of "advertising and promotional direct mail" may provide the seller with either:~~

- ~~(A) A direct pay permit;~~
- ~~(B) an exemption certificate, or other statement approved, authorized or accepted by the secretary, claiming "direct mail"; or~~
- ~~(C) information showing the jurisdictions to which the "advertising and promotional direct mail" is to be delivered to recipients.~~

~~(2) If the purchaser provides the permit, certificate or statement referred to in subsections (a)(1)(A) or (a)(1)(B), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any tax on any transaction involving "advertising and promotional direct mail" to which the permit, certificate or statement applies. The purchaser shall source the sale to the jurisdictions to which the "advertising and promotional direct mail" is to be delivered to the recipients and shall report and pay any applicable tax due.~~

~~(3) If the purchaser provides the seller information showing the jurisdictions to which the "advertising and promotional direct mail" is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the "advertising and promotional direct mail" is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of~~

“advertising and promotional direct mail” where the seller has sourced the sale according to the delivery information provided by the purchaser.

(4) *If the purchaser does not provide the seller with any of the items listed in subsections (a)(1)(A), (a)(1)(B) or (a)(1)(C), the sale shall be sourced according to subsection (a)(5) of K.S.A. 2009 Supp. 79-3670, and amendments thereto.*

(b) *Notwithstanding the provisions of K.S.A. 2009 Supp. 79-3670, and amendments thereto, the following provisions apply to sales of “other direct mail”:*

(1) *Except as otherwise provided in this subsection, sales of “other direct mail” are sourced in accordance with subsection (a)(3) of K.S.A. 2009 Supp. 79-3670, and amendments thereto.*

(2) *A purchaser of “other direct mail” may provide the seller with either:*

(A) *A direct pay permit; or*

(B) *an exemption certificate, or other statement approved, authorized or accepted by the secretary, claiming “direct mail.”*

(3) *If the purchaser provides the permit, certificate or statement referred to in subsection (b)(2)(A) or (b)(2)(B), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any tax on any transaction involving “other direct mail” to which the permit, certificate or statement apply. Notwithstanding subsection (b)(1) the sale shall be sourced to the jurisdictions to which the “other direct mail” is to be delivered to the recipients and the purchaser shall report and pay any applicable tax due.*

(c) *For purposes of this section:*

(1) *“Advertising and promotional direct mail” means:*

(A) *Printed material that meets the definition of “direct mail”; and*

(B) *the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this subsection, the word “product” means tangible personal property, a product transferred electronically or a service;*

(2) *“other direct mail” means any direct mail that is not “advertising and promotional direct mail” regardless of whether “advertising and promotional direct mail” is included in the same mailing. The term includes, but is not limited to:*

(A) *Transactional direct mail that contains personal information specific to the addressee including, but not limited to, invoices, bills, statements of account and payroll advices;*

(B) *any legally required mailings including, but not limited to, privacy notices, tax reports and stockholder reports; and*

(C) *other non-promotional direct mail delivered to existing or former shareholders, customers, employees or agents including, but not limited to, newsletters and informational pieces.*

“Other direct mail” does not include the development of billing information or the provision of any data processing service that is more than incidental.

(d) (1) (A) *This section applies to a transaction characterized as the sale of services only if the service is an integral part of the production and distribution of printed material that meets the definition of “direct mail”.*

(B) *This section does not apply to any transaction that includes the development of billing information or the provision of any data processing service that is more than incidental regardless of whether “advertising and promotional direct mail” is included in the same mailing.*

(2) *If a transaction is a “bundled transaction” that includes advertising and promotional direct mail, this section shall apply only if the primary purpose of the transaction is the sale of products or services that meet the definition of “advertising and promotional direct mail.”*

(3) *Nothing in this section shall limit any purchaser’s:*

(A) *Obligation for sales or use tax to any state to which the direct mail is delivered;*

(B) *right, if any, to a credit for sales or use taxes legally due and paid to other jurisdictions; or*

(C) *right, if any, to a refund of sales or use taxes overpaid to any jurisdiction.*

(4) *This section applies for purposes of uniformly sourcing direct mail transactions.*

New Sec. 17. For any tax established pursuant to law which is administered by the Kansas department of revenue, any taxpayer having a delinquent tax liability and entering

into an agreement with the department providing for an installment payment plan allowing the pay off of such liability in a time period in excess of 90 days from the date when such agreement is entered into shall be assessed a service fee of \$10. The secretary of revenue shall remit all moneys received by or for the secretary from such fees and collected under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the recovery fund for enforcement actions and attorney fees. INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Haley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1865—

A RESOLUTION memorializing the 75th Anniversary of “Black Sunday,” April 14, 1935, during the Dust Bowl in Kansas.

WHEREAS, In the 1930’s in Kansas, as well as other states in the Midwest, there occurred a series of devastating dust storms that swept the Plains that became known as the “Dust Bowl”; and

WHEREAS, The worst of these storms took place on April 14, 1935, a day that became known as “Black Sunday,” when the sky was completely darkened with a massive, fast-moving cloud of dust that traveled hundreds of miles and left the land, including thousands of acres of farmland, devastated; and

WHEREAS, These dust storms were largely the result of poor irrigation and farming techniques and were aggravated by drought; and

WHEREAS, Southwest Kansas was one of the areas most effected by the Dust Bowl, which caused large numbers of people to migrate West due to the resulting drought and famine; and

WHEREAS, The impact of the Dust Bowl effected the entire nation, and lead to the United States Congress passing the Soil Conservation Act of 1936: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we remember April 14, 1935, known as “Black Sunday,” and commemorate the 75th anniversary of this tragic event, which had a significant impact on the State of Kansas and forever changed the way farmers work the land; and that we salute the intestinal fortitude of those Kansas farmers and families who withstood this unprecedented devastating force of nature, vividly described as being of near plague proportion, and vow not now nor ever to allow the people of Kansas to be compelled to forget our fellow Kansans’ sacrifices; and

Be it further resolved: That the Secretary of the Senate be directed to send 18 enrolled copies of this resolution to Senator Haley, two each to be distributed to the Kansas Farm Bureau; Kansas Corn Growers Association; Kansas Association of Wheat Growers; Farm Credit Associations of Kansas; Kansas Agricultural Alliance; Kansas Seed Industry Association; Kansas Livestock Association; Kansas Grain & Feed; and Kansas 4-H; and one enrolled copy to be sent to Senator Haley, whose grandfather, Simon Alexander Haley, taught college-level Agriculture and would reference the Kansas Dust Bowl as an example of survival and perseverance.

On emergency motion of Senator Haley SR 1865 was adopted unanimously.

MESSAGE FROM THE HOUSE

The House adopts the conference committee report on **Senate Substitute for HB 2115**.

The House adopts the conference committee report on **HB 2605**.

INTRODUCTION OF ORIGINAL MOTION AND SENATE RESOLUTIONS

Mary Pilcher-Cook, citing Senate Rule 11, submitted in writing a motion to withdraw SCR 1626 from the Committee on Judiciary and be placed on the calendar under the heading of General Orders.

Motion Pursuant to Senate Rule 11 Committee Action on Bills and Resolutions

Comes now Kansas State Senator Mary Pilcher-Cook of the 10th Kansas State Senate District and moves pursuant to Rule 11 of the Rules of the Kansas State Senate that Senate Concurrent Resolution 1626, A Proposition to amend the constitution of the state of Kansas by adding a new article 16 thereto, concerning health care, which would preserve the freedom of Kansans to provide for their health care, having been referred to the Senate Judiciary Committee, be withdrawn from that Committee and placed upon the Kansas State Senate calendar for the 28th day of April, 2010, under the heading of General Orders subsequent to adoption of the motion by the body.

In support of this motion, Kansas State Senator Mary Pilcher-Cook, states the following:

At this late date in the session, in addition to the federal health care bill recently becoming new law on Sunday, March 21, 2010, there is a fresh urgency to preserving the freedom of Kansas citizens so they are not forced into a governmental health care system they do not

support or want, and which would greatly diminish their liberty as to their health care decisions.

Given that a primary duty of a state legislator is to protect the liberty of the state's citizens, and whereas the Senate Judiciary Committee failed to bring SCR 1626 out of committee on a 4-4 tie vote before the federal health care legislation was passed into law, the significance and importance of preserving Kansans' freedom in regards to health care has been elevated, and the appropriate next action is that of referring SCR 1626 to the Committee of the Whole on General Orders.

Whereas the vote in the Senate Judiciary Committee was on March 18, 2010, significant circumstances have changed regarding Kansas health care issues as of March 21, evidencing the need for Kansas citizens' protection of health care freedom. Due to the federal health care bill becoming law and because of the public outcry by Kansas citizens, it is incumbent upon this body to allow forty senators an opportunity to vote on SCR 1626, particularly when the Kansas House vote two days later on March 22, 2010 was a bipartisan vote of 75-47, which was clearly an overwhelming majority in favor of the legislation with only four Republicans out of seventy-three voting against the measure.

On February 9, 2010, testimony was presented before joint Kansas House and Senate health committees where there was only one opponent. The Senate health committee passed the measure out without a recommendation. On March 11, 2010, testimony was presented before a Senate Judiciary subcommittee. The majority and minority reports, in addition to the committee action, reflected numerous tie votes.

Our country was founded on principles of liberty and freedom — not command and control government — and it recognized citizens have a right to pursue health care in the way they see fit. A state constitutional amendment is most appropriate because as it protects the liberty of Kansas citizens against federal government unconstitutional mandates, it also ensures that future lawmakers can never infringe upon protected rights. A state constitution is the organic law of the state, reflecting the most fundamental values shared by our citizens—and as such, a state constitutional amendment will give Kansas the strongest protection in defense of excessive governmental power.

The weight and value of the Kansas Health Care Freedom Amendment is apparent when there are 39 other states working on some form of this legislation in order to protect their citizens, with 2 states already enacting a law and 2 states (AZ and OK) having a proposed constitutional amendment on the 2010 ballot.

Whereas today in Massachusetts, after having passed a health insurance mandate, one-third of the people still don't have coverage and state health insurance rates are 40 percent higher than other states. Massachusetts legislators expect a \$2 to \$4 billion shortfall over the next decade, so instead of addressing escalating health care costs, the state-model of the federal health care bill has not only caused prices to skyrocket, but has degraded the efficiency and quality of health care in Massachusetts with longer waits and a shortage of medical health care providers.

The Kansas Health Care Freedom Amendment will not block federal health care reform as long as the new federal law does not require a mandate to purchase health insurance or forbid patients from paying directly for their medical services. Rather, it challenges those provisions of the law that are unconstitutional. The people of Kansas, if they choose to do so, can still participate in any federal or state governmental health plan — they just can't be forced to participate in any health care system.

Mandating that individuals must have health insurance would be an exceptional violation of individual liberties. By its nature it would have to be enforced, and to enforce it, the government would have to inflict penalties for noncompliance — unpaid penalties would lead to collection agencies, garnishment of wages and ultimately jail time, as we have seen in the federal health law. This is jail time for simply being born and refusing to buy a service, which begs the question: what service or product would government force us to buy next. If there are no rights of liberty and equality given to man as a matter of moral principle,

then any one of us is subject to being enslaved to the man who has the most power, or to the man whose self-interest and force of self-expression is greater than ours.

It is incumbent upon Kansas state legislators today to protect the liberty of the people of Kansas in regards to their health care. The proposed constitutional amendment is neutral to health care reforms — we can still reform health care to contain costs and make it more accessible to all — but we need to protect the liberty of the people of Kansas first.

This body passed the State Sovereignty resolution yesterday, 36 to 4, and we are now sending a warning message to the federal government that it needs to recognize the limited nature of its powers. The next step is the application of state sovereignty to the subject of health care. Through the tenth amendment and state sovereignty, the state senators who vote to withdraw SCR 1626 from the Judiciary Committee would be resolving to preserve the liberty of the citizens in the great state of Kansas in regards to their health care decisions.

Therefore I beseech this body to support my motion to withdraw Senate Concurrent Resolution 1626 from the Kansas State Senate Judiciary Committee and have it placed upon the Kansas State Senate calendar for the 28th day of April, 2010, under the heading of General Orders subsequent to adoption of the motion by the body.

Respectfully,

Mary Pilcher-Cook

On motion of Senator D. Schmidt and pursuant to **HCR 5037** the Senate adjourned until 10:00 a.m., Wednesday, April 28, 2010.
