SENATE WAYS AND MEANS COMMITTEE

Subcommittee Report
STATE DEPARTMENT OF PUBLIC INSTRUCTION
For Fiscal Year 1963

Mr. Chairman:

Your subcommittee assigned to the State Department of Public Instruction recommends that the budget of this agency be approved as recommended by the Governor with the following exception:

a. Eliminate position of Transportation Consultant. This position was defeated in the last general session, and it is thought to be unwise to create a new division within a department during a budget session.

b. The Superintendent of Public Instruction agreed with the subcommittee to start charging for certain publications that have previously been given away.

BOARD OF VOCATIONAL EDUCATION

Your subcommittee assigned to the budget of the Board of Vocational Education recommends that this be approved as recommended by the Governor.

Senator John V. Glades

Senator Joe Warren
