

STATE AFFAIRS COMMITTEE

January 21, 1963

The meeting was called to order and Miss Jacquart introduced guests as follows: Misses Katherine Simpson, Satana, Sandra Mobley, Pittsburg, Verda Epp, Hillsboro, Joanne Heornik, Hillsboro, and Agnes Reimer, Meade, all of whom are student nurses who had just visited the Governor who promised to designate Student Nurses Day sometime in May. Also, pages Pat and Sheila Murphy were introduced.

Mr. Bob Brown discussed House Bills 9 and 10. He stated that they were being introduced in order to eliminate the necessity of filing for office for un-expired terms for various county and township officials when appointments are made to fill these vacancies. House Bill 9 deals with County offices and 10 deals with Township officials.

There was considerable discussion concerning possible additions or amendments to these bills, and it was agreed that additional research would be conducted and that the bills would be further considered at a later date.

Mr. Bill Fribley was appointed Social Chairman.

The meeting was adjourned.
