

SENATE WAYS AND MEANS COMMITTEE

Minutes of the Meeting
February 15, 1963

The meeting was called to order at 10:45 a.m., February 15, 1963, by Chairman Lauterbach. All members were present except Senators Smith, Hults, and Farmer.

Mr. Chesley H. Looney, Chairman; Mr. William C. Henry, Director; and Former Chairman Wilbur G. Leonard; of the Board of Probation and Parole, appeared with reference to the Board's budget requests.

Mr. Leonard made the following comments on the requests:

1. Six additional agents and one additional administrator had been requested. The Governor allowed two additional agents; and no administrator.
2. In essence, the Governor's other recommendations made no great changes in the requests.
3. Without the addition of the six agents as was requested (three to be hired in fiscal year 1964; three in fiscal year 1965); the Board will be limited in operations. It does feel, however, that the two additional positions allowed will accomplish the job presently.
4. The Board feels that an additional administrator is vital to the program. The position was allowed at the time the Board was established; but it has never been filled.
 - a. The administrative functions could be assigned to the present parole agents; but the Board has refused to do this. It handles the administrative details.
 - b. Each parole agent has an average caseload of from 65 to 70 parolees.
