

L. 1

SENATE WAYS AND MEANS COMMITTEE

Minutes of the Meeting  
February 28, 1963

The meeting was called to order by Chairman Lauterbach at 10:00 a.m., February 28, 1963, with all members present.

Senator Sanborn moved that an appropriation be made to allow purchase of filing cabinets and side chairs for the Senate Chambers. Senator Glades seconded the motion. After discussion, the motion was withdrawn.

Thereupon, Senator Sanborn moved, seconded by Senator Glades, that new chairs be purchased for the secretaries of the Senate, and the wooden chairs presently in use be refinished for use in the gallery, as follows:

40 side chairs, metal, dark brown, red padded seat and back @ \$20 ea.	\$800
40 wooden chairs sanded and refinished at Prison Industries @ \$2.50 ea.	\$100

The motion carried. (See estimate, Attachment No. 1.)

Senator Ralph L. Davison, chairman of the Senate Claims and Accounts Committee, appeared with reference to Senate Bill No. 315. He stated the total amount allowed is \$8,647.80; of which \$2,980.74 are workmen's compensation claims. Asked if the claims should be paid from current operating budgets of the institutions involved or from general revenue funds, he stated that is a determination of this committee.

Senator Hulst presented the subcommittee reports on the Board of Property Valuation, Board of Tax Appeals, State Corporation Commission, and the Department of Revenue. Upon his motion, seconded by Senator Sanborn, the Committee approved the reports for inclusion in an appropriation bill. (See Attachment No. 2.)

The meeting adjourned at 11:00 a.m.

August W. Lauterbach, Chairman  
Senate Ways and Means Committee

COMMITTEE ON WAYS AND MEANS

Sub-Committee Report

STATE CORPORATION COMMISSION

Mr. Chairman:

Your sub-committee on the State Corporation Commission has had under consideration the budget for this facility and recommends that it should be increased in the amount of \$5,123.00 to allow for an additional special investigator in the Rate Department Division. The problem in the Rate Department Division was created after the budget was submitted to the governor. The agency has sufficient funds to take care of the investigator for the balance of this year, but needs an allocation for the following year so that this needed position can be filled.

Otherwise the governor's budget should be approved.

Very truly yours,
