

ROADS AND HIGHWAYS COMMITTEE MEETING -- APRIL 5, 1971

The Roads and Highways Committee met in room 535 at 2:45 P. M. on April 5, 1971. Chairman Dierdorff called the meeting to order and all members were present except Representatives Davis, Ossmann and Wingert.

Former Representative Keith Wilcox and his daughter from Liberal were guests. Paul Fleener of the Kansas Farm Bureau was also present.

The purpose of the meeting was to discuss Senate Bill 200, which had been re-referred to the Roads and Highways Committee.

SENATE BILL 200 - AN ACT relating to certain vehicles; requiring the display of certain emblems thereon; defining certain terms; declaring certain acts to be unlawful and prescribing penalties for violation thereof.

The Chairman told the committee that he had difficulty finding someone to carry the bill on the floor Friday, so the leadership skipped over the bill. On Saturday, Senator Crofoot came to the Chairman and asked him to permit him to have amendments drawn up, and Mr. Dierdorff agreed to carry the bill. Saturday when the amendments (copy attached) were proposed on the floor of the House, there were objections, so Mr. Dierdorff asked that the bill be sent back to Roads and Highways.

Mr. Weaver said he has strong objections to the emblem because his tractor already is equipped with a flashing amber light, and many of the people in his area use reflectorized tape anyway.

Except as otherwise noted, the individual remarks recorded herein have not been transcribed verbatim and their content has not been approved by the committee or by the individuals making such remarks.

Mr. Wilson made a motion, second by Mr. Nowlin, that Senate Bill 200 be left in committee. Motion carried.

Mr. Dierdorff welcomed Mr. Wilcox.

Dr. Hughes thanked the committee for the gift certificate for a book that the committee sent to Mrs. Hughes when she broke her hip.

Mr. Jacobs thanked the committee for the flowers sent to Mrs. Jacobs when she had her surgery.

The Chairman thanked the members for their cooperation and good attendance.

The meeting was adjourned.
