The conferees appearing before the Committee were:

The meeting was called to order by the Chairman who explained the meeting had been called to discuss SB 907, dealing with community property in divorce cases. He explained that a former representative who teaches tax law at Washburn University is satisfied the bill is proper. He further stated it reduces the tax burden and avoids community property.

Rep. Hayes noted he could support the bill but would like to see it printed in the official state paper because of some cases he is presently involved with. It was suggested this amendment could be from the floor.

It was moved by Rep. Gillmore and seconded by Rep. Hayes that the bill be recommended favorably. Motion carried.

The meeting was adjourned.
