All members were present except:

Committee staff present:

Martha Evans, Committee Secretary

Conferees appearing before the committee:

Chairman Dyck opened the meeting by inquiring if anyone present wished to be heard on either SB 74 or SB 75. He explained that hearings were scheduled for today on these bills but had already been partially heard on March 15 when Marvin Umholtz gave testimony on behalf of the Kansas Credit Union League, sponsor of the bills. Since no one present wished to testify, the Chairman inquired if there were any questions on either of the bills. Vice Chairman Miller inquired of the staff how extensive the authority granted in SB 75, Section 1, Sub-section (d) would be. Because there was some uncertainty regarding this, the staff agreed to report back to the committee with clarification at the next meeting.

The Chairman then asked the committee if they wished to take action on any bills previously heard.

Representative David Miller moved that SB 55 as amended by the Senate Committee be reported out of the committee favorably. Representative Nichols seconded the motion, and the motion carried.

Representative Ott moved and Representative Francisco seconded that SB 226 be passed favorably. The motion carried.

Representative Francisco made a motion to pass SB 74 favorably. The motion was seconded by Representative Louis and carried.

It was agreed that no action would be taken on SB 75 until the committee had heard the report from staff, as requested above. The minutes of March 15, 1983 were reviewed by the committee.

Representative Ott moved that the minutes of March 15, 1983 be approved. Representative Wilbert seconded the motion and the motion carried.

The meeting was adjourned by the Chairman at 3:45 p.m.

The next meeting of the committee will be held at 3:30 p.m. on March 22, 1983.
