Conferees appearing before the committee:

The meeting was called to order by Rep. Cloud at 11:30 a.m. The purpose of the meeting was to reconsider action on HB 2555.

Rep. Ramirez moved to bring HB 2555 back into the Committee for reconsideration. Rep. Hassler gave a second to the motion.

Discussion followed as to why reconsideration of this bill would be deemed appropriate. The House Ways and Means Committee is interested in taking action on the concept of HB 2555. Since the House Governmental Organization Committee had reported the bill adversely, the only way that the House Ways and Means could take up the concept would be to introduce a new bill. To avoid having to do this the Committee can reconsider HB 2555 and can also table it. The Speaker of the House would have the option to have the bill rereferred back to Ways and Means.

After further discussion, the motion was voted on. The motion carried.

Rep. Matlack moved to table HB 2555. Rep. Walker gave a second to the motion. The motion carried.

The meeting was adjourned at 11:38 a.m.
