The meeting was called to order by Chairman Rex Hoy, with all members present. Chairman Hoy spoke briefly on committee procedure and plans. The staff members were introduced, and then each committee member rose to introduce himself or herself, and give a brief summary of themselves. The others present, listed on Attachment 1, then rose to introduce themselves and name the organization or association they represent.

Chairman Hoy then asked any committee members who want bills introduced under their own name to have their bill requests to Gordon Self by Monday, January 24, 1983, which is the last day to request individual bills; and reminded the committee members that any bills to be filed under committee sponsorship must be requested by February 21st.

Chairman Hoy announced there would be a meeting on Thursday, January 20th, at 3:30, with John Koepke of the Kansas Association of School Boards presenting a bill request, and possibly others would be scheduled before the meeting time. There were no questions, and no further discussion, so the meeting adjourned at 3:50 PM.
