Visitor's register, see (Attachment No. 1.).

Chairman called meeting to order.

Conferees recognized to testify on HB 2014 - Certificate of Need for health facilities applied to reductions in beds and services.

HB 2014:

Richard Friedeman made a long dissertation on the Certificate of Need, and made three main recommendations.

1. Do completely away with the Certificate of Need.
2. If felt it is really needed, then a new criteria should be set up.
3. Exempt ambulatory surgical units from Certificate of Need.

M. G. Kirby, M.D. gave an interesting description of the operations and functions of an ambulatory surgical unit and responded in depth to a large number of questions from committee members.

Meeting adjourned at 3:00 p.m.

Date: 2-7-83
