Conferees appearing before the committee:

The meeting of the House Governmental Organization Committee was called to order at 12:50 p.m. by Stephen R. Cloud, Chairman. The minutes of the March 27 meeting were approved.

The Chairman explained the current status of SB 479 and HB 2619. A conference committee has been appointed to work out the name of the Advisory Board on Mexican-American Affairs. Whether it will remain as it is named at present or go by the name Advisory Board on Hispanic Affairs will be decided.

The Food Standards Advisory Board fate will be decided by conference committee also. The House committee voted to leave it in the bill, thus abolishing it. The Senate would like to see it deleted from the bill, thus keeping it.

Chairman Cloud directed the Committee's attention to SB 533. He explained the relation of SB 507 to this bill and, after a few comments, Rep. Wanda Fuller moved that SB 533 be passed. Rep. Louis gave a second to the motion. The motion carried.

The Committee presented the secretary with a gift and, after mutual expressions of thanks between staff and committee, the meeting was adjourned at 12:56 p.m.
