Basically the request is asking to increase the statutory limitations on application, renewal, and examination fees for social work licensure.

Rep. Wagon made a motion that HB 2078 be reported favorably for passage, seconded by Rep. Cribbs. Rep. Wagon then asked to speak to her motion. She said cutting off 4,000 people from general assistance is a big concern, and further, the SRS budget is now in Ways and Means Committee, and if we hold this bill up in our committee, she said, until March 7th, there will be no time to try and work out the concerns and try to resolve necessary funding by Ways and Means. Vote taken, motion carried.

HB 2186:

Chair gave background on this bill, in that it would make provision for Joint City-County Health Departments to contract with non-profit Mental Health Centers. Rep. Blumenthal moved HB 2186 be passed favorably out of committee. Motion seconded by Rep. Hassler, question called, vote taken, motion carried.

HB 2052:

Chair gave background on HB 2052, saying it would require a six months follow-up reporting on termination of pregnancies.

Rep. Friedeman moved to amend by striking the language in Sec. 1, sub-section (c), lines 0043 through 0058, motion seconded by Rep. Williams. Much discussion followed, vote taken, motion carried. Discussion continued, i.e., language in line 30 is of concern to some, numbers of abortions done, conditions under which abortions are done, etc.

Rep. Motion was seconded by Rep. Wagnon. There was lengthy discussion in regard to this proposed amendment, i.e., would eliminate picketing of clinics that perform abortions; physicians names and hospitals generally not disclosed after other surgeries; is there now a record of medical facilities that perform this service; etc.

Rep. Branson then made a substitute motion that HB 2052 be reported adversely, seconded by Rep. Wagnon. Lengthy discussion again, i.e., much information already being reported, opposition to language in lines 30 through 35; not wishing to have this become a vehicle for other issues; issue should not become a political football, etc.

Question called by Rep. Green, voice vote taken, substitute motion failed.
