Chairperson

12 Noon a.m./p.m. on Wednesday, April 10, 1985 in room 514-S of the Capitol.

All members were present except: Representatives Wisdom, Louis & Helgerson (excused)

| Laura Howard | - | Legislative Research |
| Jim Wilson | - | Revisor's Office |
| Sharon Schwartz | - | Administrative Aide |
| Nadine Young | - | Committee Secretary |

Conferees appearing before the committee:

Chairman Bunten called the meeting to order at 12:05.

Bill Wolff of Legislative Research presented a draft review of the special claims against the state. (Attachment 1). These claims have been incorporated into SB 379. The total fiscal note is approximately \$40,000.

Item 16(a) directs University of Kansas to pay Sarah Emery \$800.00 for injuries received by falling into an uncovered manhole on the KU campus. Mr. Wolff pointed out to the committee that Miss Emery filed a law suit after her claim was heard by the committee and that the Senate voted to delete this claim at the request of KU.

Item 16(b) - claim for Virginia McCue for \$15,000 and --

Item 16(c) - claim for \$15,000 relating to the Thornton family. This claim was heard by the committee in 1983 interim, recommended for payment to the '84 session of the Legislature and was in and out various versions of the bill. Ultimately, it was not in the final version of the bill signed by the Governor. At the time of the accident, three claims were filed by various parties relating to the accidents and they were notified to exhaust all other remedies, before claims committee would take up any consideration of the claims. All remedies were exhausted in the summer of '83, at which time Charles Thornton asked that his claim be pursued.

In an effort to clear the committee's files this last summer, the other claimants were notified that their claims were still pending before the committee and asked whether they wanted to proceed. The McCue family did want to proceed, but did not want to have a hearing since their's was the same situation as the Thornton claim. As a result, committee recommended a \$15,000 award to the McCue family. At the same time, Mr. Thornton requested reconsideration to his claim. Having just awarded \$15,000 to the McCue family, the committee felt they could not deny doing the same for the Thornton family.

Supreme Court has determined that State of Kansas is in no way liable; however there was considerable discussion concerning paying the claims as a matter of equity.

There are two additional claims that are not listed in the draft bill, but are included in SB 379. One relates to an accident to a woman at the State Fair in Hutchinson for the amount of \$239.39. The other is for \$406.00 to the Savin Corporation from University of Kansas.

Chairman Bunten told the committee that SB 379 will probably be considered in this committee on Friday, April 12.

A draft bill concerning SRS, was presented and introduction of the bill requested. The bill would allow state of Kansas to borrow from the pool money investment board money to pay off the nursing home debt and then allow for repayment in a span of three years. (Attachment 2) Representative Shriver moved that the bill be introduced. Seconded by Representative Duncan. Motion carried.

Meeting adjourned at 1:30 p.m.

Note: Attachment 1 is not included with the minutes, but a copy is on file in the Ways and Means office, Room 514-S.
