Senator Bogina welcomed new committee members and introduced his office staff and Norman Furse. He then called upon Ed Ahrens, who introduced the members of the Fiscal Staff. Dennis Williams, State Budget Division, was also introduced to the committee.

The Chairman noted that Subcommittee assignments had been made, and indicated that the second name listed on the subcommittee would serve as vice-chairman.

INTRODUCTION OF APPROPRIATIONS BILLS

Motion was made by Senator Harder and seconded by Senator Talkington to authorize introduction of all appropriations bills originating in the Senate. The motion carried by roll call vote.

Senator Bogina read a letter from Larry Wolgast, Secretary of the Department of Human Resources, inviting the committee members to lunch at his office sometime during the session. It was the concensus of the committee that this would be acceptable; and the Chairman said his staff will make those arrangements.

Committee members were given opportunity to ask questions about procedures and meetings.

The meeting was adjourned by the Chairman.
