Chairperson

1:40 ~~xxx~~/p.m. on April 2,, 1986 in room 531N of the Capitol.

All members were present except:

Committee staff present:

Julian Efird - Research
Arden Ensley - Revisor

Conferees appearing before the committee:

The Chairman called the meeting to order for the purpose of discussing HB 3040 which concerns the Mined-land conservation and reclamation board.

The Chairman outlined the purpose of the Mined Land bill and it was the decision of the House Committee to introduce the bill to bring the Mined Land Board under the sunset provisions. Discussion followed with the majority of the Committee feeling that it was unnecessary to put this Board under the sunset provisions. It was brought out that the legislature has the power to sunset any agency at any time they wish. It was the consensus of the Committee that a scope statement be drafted and sent to Post Audit for a decision on the Mined Land Board. The Chairman said he would oblige.

The meeting was then adjourned.
