Conferees appearing before the committee:

Representative Joan Wagon

Chairman called a meeting at first recess of House this date. Chair asked members to note HR 6112 was before committee for consideration.

Rep. Wagon explained the reason for her requesting this Resolution is due to a National Awareness that POLIO WEEK be given attention. There is still a health threat in some Third World Countries in regard to Polio, and un-immunized travelers to those countries could be exposed to such a threat.

Chair asked wishes of members in regard to HR 6112.

Rep. Buehler made a motion to amend HR 6112 in line 33 to change word, "commerated" to "recognized". Motion failed for lack of a second.

Motion made by Rep. Whiteman to pass HR 6112 favorably out of committee, seconded by Rep. Harder, motion carried.

Chair announced minutes from April 10th, and minutes from meeting this date would be distributed to each member for their approval. If no corrections are noted and requested by noon April 30th, 1987, they will be considered approved as written.

Meeting adjourned.
