TO: HOUSE TRANSPORTATION COMMITTEE
RE: REPEAL OF KSA 8-2503, SECTION (a)

MR. CHAIRMAN, MEMBERS OF THE COMMITTEE,

MY NAME IS LEE HODGSON, FROM LACYGNE. I AM APPEARING BEFORE YOU TODAY TO REQUEST THE REPEAL OF KSA 8-2503, SECTION (a), THE REQUIREMENT THAT THE FRONT SEAT OCCUPANTS OF A PASSENGER CAR WEAR SEAT BELTS.

I FEEL THAT IT SHOULD BE A CHOICE OF EACH INDIVIDUAL WHETHER OR NOT HE OR SHE WEARS A SEAT BELT WHILE OPERATING A PASSENGER CAR. I HAVE CIRCULATED A PETITION IN MY LOCAL AREA CALLING FOR THE REPEAL OF THIS STATUTE. I WILL LEAVE THE PETITION WITH THE COMMITTEE SECRETARY AND REQUEST THAT THE COMMITTEE INTRODUCE A REPEALER BILL AND HOLD PUBLIC HEARINGS ON THE ISSUE.

THANK YOU FOR YOUR TIME. ARE THERE ANY QUESTIONS?

Attach 1

To Whom This May Concern:

We are not in favor of allowing the law enforcement officers to arrest or fine anyone for not wearing a Seat Belt in their own car or truck. We feel anyone should be allowed to ride in their own vehicle however they feel most comfortable and the most safe.

Therefore, we feel the present seat belt law should be repealed and removed from the books. Seat Belts should be worn voluntarily and not compelled by Law.

To Whom This May Concern:

We are not in favor of allowing the law enforcement officers to arrest or fine anyone for not wearing a Seat Belt in their own car or truck. We feel anyone should be allowed to ride in their own vehicle however they feel most comfortable and the most safe.

Therefore, we feel the present seat belt law should be repealed and removed from the books. Seat Belts should be worn voluntarily and not compelled by Law.

We are not in favor of allowing the law enforcement officers to arrest or fine anyone for not wearing a Seat Belt in their own car or truck. We feel anyone should be allowed to ride in their own vehicle however they feel most comfortable and the most safe.

Therefore, we feel the present seat belt law should be repealed and removed from the books. Seat Belts should be worn voluntarily and not compelled by Law.

MEMORANDUM

TO: Mr. Gary L. Stotts, Acting Director DATE: February 4, 1986
Division of the Budget

FROM: Kansas Department of Revenue

RE: Senate Bill 460,
As Introduced

Brief of Bill: Senate Bill 460, as introduced, amends K.S.A. 1985 Supp. 8-177c.

This bill provides for the issuance of a "prisoner of war" license plate to the surviving spouse of a prisoner of war, upon submission of satisfactory proof, and only if the deceased prisoner had been issued a plate prior to death. The surviving spouse's right to such a plate shall be terminated upon remarriage.

Fiscal Impact: It is estimated that passage of this bill could reduce the State highway funds by \$9,000 in FY 1987. County collections could be reduced by an estimated \$1,000.

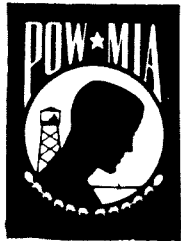

From the inception of the POW plate, January 1, 1984, through January 21, 1986, there have been 582 POW plates issued. Assuming that surviving spouses will choose to keep these plates upon the death of the POW, and that POW registrations are distributed by vehicle weight in the same proportion as general registrations, the impact is:

<u>Vehicle Weight</u>	<u>% Total Regis.</u>	<u>No. POW</u>	<u>Fee/each</u>		<u>Total Fees</u>	
			<u>State</u>	<u>Co.</u>	<u>State</u>	<u>Co.</u>
0000-3000	38%	221	\$12.25	\$1.75	\$2,707.25	\$ 386.75
3001-3999	45	262	15.50	1.75	4,601.00	458.50
4000-4500	12	70	18.75	1.75	1,312.50	122.50
4501-up	5	29	25.25	1.75	732.25	50.75
TOTAL		582			\$8,813.00	\$1,018.50

Administrative Costs: Any administrative costs associated with enactment of this bill would be minimal, and could be absorbed by the Division of Vehicles.

Administrative Comments: The Department respectfully requests that this bill be made retroactive to include any spouse of a deceased prisoner of war who had a POW plate upon the prisoner's death, but has since surrendered the plate, provided that the spouse has not remarried.

INFORMATION FOR WIVES: RE: AUTOPSY OF EX-POW

compiled by
Phyllis Schroeder, R.N.

THE RECORDS NOTE A HIGH PERCENTAGE OF DEATHS FOR EX-POW'S IN THE FIRST FEW YEARS AFTER RELEASE, THEN THE RATE SLOWS BUT IS EXPECTED TO INCREASE WITH AGE. BUT IS ALWAYS HIGHER THAN FOR NON POW-RATE. IT IS ESTIMATED THAT THE LIFE SPAN IS SHORTENED FOUR YEARS FOR EVERY YEAR SPENT AS A POW. WOMEN HAVE A LONGER LIFE SPAN THAN MEN WHICH LEAVES US WITH A POTENTIAL FOR OUTLIVING OUR SPOUSES. VERIFYING THAT HIS DEATH WAS RELATED TO HIS INTERMENT IS ONE OF OUR RESPONSIBILITIES. AUTOPSY AND DEATH ARE SUBJECTS NO ONE WANTS TO CONSIDER. DEATH IS A NATURAL PART OF LIVING. THERE IS A TIME TO BE BORN AND A TIME TO DIE. ONE OF OUR CONCERNS IS RELATING THE DEATH TO THE STRESSES OF INTERMENT.

AN INTENSIVE AUTOPSY IS AN ESSENTIAL PORTION OF DOCUMENTING EARLY DEATH TO POW INTERMENT. THE SPECIFICS THAT TELL THE STORY ARE NOT FOUND ON A ROUTINE AUTOPSY. INTERVIEWING PATHOLOGISTS IN A VARIETY OF INSTITUTIONS AND AREAS, REVEALED JUST ROUTINE AUTOPSIES WERE PERFORMED ON EX-POW'S UNLESS REQUESTS FOR SPECIFIC STUDIES WERE RECEIVED. THE OBVIOUS IS THAT ALL PATHOLOGISTS OR OTHERS DOING AUTOPSIES MUST BE INFORMED OF THE SPECIFICS REQUIRED TO ESTABLISH THE RELATIONSHIP OF DEATH TO PROLONGED MALNUTRITION OR INTERMENT.

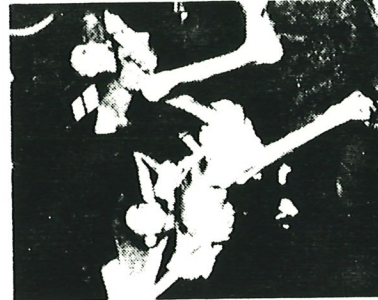

I WOULD LIKE TO SEE AN AUTOPSY PERFORMED ON ALL EX-POW'S AND THESE FINDINGS ADDITIONALLY USED TO FURTHER THE RESEARCH BEING DONE BY MEDSEARCH. THE CONCERN AND SUPPORT OF COMRADES FOR EACH OTHER THAT ENABLED THOSE WHO RETURNED TO SURVIVE THE ATROCITIES OF INTERMENT WOULD BE CONTINUED BY US IN THIS FINAL PHASE OF THEIR LIVES TO INCREASE THE KNOWLEDGE OF AFTER-EFFECTS OF IMPRISONMENT FOR ALL POW'S.

1. Unidentified American captured by the North Vietnamese.

2. Santo Tomas prison camp internees Lee Rogers and John Todd.

7. A GI is liberated from German prisoner camp.

AUTOPSIES ARE CARRIED OUT WITH RESPECT AND DIGNITY IN THE MORTUARY OR INSTITUTION EQUIPED TO DO THEM. ONE IS REMINDED OF BEING IN SURGERY. HEIGHT, WEIGHT, MICROSCOPIC AND CHEMICAL STUDIES, HEART SIZE, AND WEIGHT ARE NOT ROUTINE IN ALL AUTOPSIES. EXAM WITH THE NAKED EYE IS THE ONLY COMMON ITEM PERFORMED BY ALL. BE SPECIFIC IN YOUR REQUEST. DON'T ASSUME ANY PROCEDURE IS NORMALLY PART OF AN AUTOPSY.

ANY PERSON WHO UNDERWENT 30 DAYS OR MORE AS A POW MIGHT HAVE HAD BERIBERI. I WILL CONSECRATE ON THIS. RESIDUAL EFFECTS OF BERIBERI ARE STILL DEBATED. MANY POW'S AUTOPIES CASES SHOW INCREASED SIZE AND WEIGHT OF THE HEART TO TOTAL SIZE AND WEIGHT OF THE INDIVIDUAL.

H.P. GREELY'S "BERIBERI HEART DISEASE" STATES, "PATHOLOGICALLY, THERE ARE NO ISOLATED SPECIFIC FEATURES, BUT THE COMPOSITE PATTERN...CAN YIELD STRONGLY SUPPORTIVE EVIDENCE FOR BERIBERI. SHORT OF POST-MORTEM EXAMINATION THE DIAGNOSIS OF BERIBERI HEART IS OFTEN SPECULATIVE."

JOHN ROBINSON'S ARTICLE IN 1960 STATES, "STATISTICS ARE DIFFICULT TO INTERPRET.... EVEN AT THE CONCLUSION OF THE AUTOPSY WHEN THE DEATH CERTIFICATE MUST BE COMPLETED, THE PATHOLOGIST CAN NOT CONFIDENTLY LIST BERIBERI AS A CAUSE OF DEATH SINCE MANY MICROSCOPIC SECTIONS OF CARDIAC AND SKELETAL MUSCLE MUST BE SEARCHED FOR THE EXTENSIVE DEGENERATIVE CHANGES CHARACTERIZING BERIBERI."

MANSON'S TROPICAL DISEASES 1972 STATES UNDER BERIBERI, "THOSE SYSTEMS OF THE BODY WHICH UTILIZE CARBOHYDRATES ARE MOST RAPIDLY AFFECTED. THESE ARE THE CENTRAL NERVOUS SYSTEM, PERIPHERAL NERVES AND THE CARDIAC MUSCLE."

THE AFTEREFFECTS OF INCARCERATION - MEDICAL FACTS

We suffered from brutal and inhumane treatment, beatings, torture, slave labor and starvation.

Many of us lost from 40 to 60% of our body weight for a prolonged period of time. Medical experts agree this causes irreversible damage to all body systems and organs.

We suffered from a multiplicity of deficiencies and infective diseases for a prolong period of time without adequate medication (in many cases, none). This also leads to many serious medical problems later in life.

American deaths in POW camps: 37.2% in the Pacific, 39% in Korea.

Extreme Stress: We lived under the constant fear of torture and death, never knowing when they would behead us or shoot us.

As a result of this we suffer from the KZ Syndrome (German for Concentration Camp). The KZ Syndrome consists of:

1. Failing memory and difficulty in concentration
2. Nervousness, irritability, restlessness
3. Fatigue
4. Traumatic dreams
5. Headaches
6. Depression
7. Moodiness
8. Loss of initiative
9. A feeling of insufficiency
10. Many of us shun large crowds and social activities.

In the past 16 years of research we have found that the ex-pow's suffer from premature aging - while one year in war ages a man as much as 2 years of peace, a year in a prisoner of war camp puts at least 4 years on his age.

Since repatriation Morbidity Studies have shown that POW's have a higher incidence rate of illness and disease in all body systems. These studies have also shown that the greater the degree of malnutrition, the greater the likelihood of illness and disease. For all POW's the incident rate of psychological impairment has been considerably greater. Repatriated POW's in general have more frequent need for hospitalization and care and tend to remain longer than their matched comparison groups. (Ref. Beebe, G.M., Nat'l Academy of Science, Washington, D.C., 1975)

Mortality rate of ex-POW's: For 2 years after repatriation the death rate was 50% higher than the normal population for Japanese POW's and persisted higher for 9 years. For Korean POW's the death rate was 40% higher than the normal population for 2 years and persisted higher for 13 years. For European POW's the death rate was higher in the 7th and again about the 18th year after being repatriated. An excess of deaths due to cirrhosis of the liver in all three former prisoner groups appeared from about the 10th follow-up year. (Ref. Keehn, R.J., Nat'l Academy of Science Washington, D.C. 1976.)

During my years of researching the after effects of imprisonment the Marshfield Clinic, Marshfield, WI with its staff of 200 physicians and the Marshfield Medical Foundation have given me invaluable assistance. They always stand ready to help me regardless of what I need.

(c) If a grantee or assignee of record of a railroad right-of-way refuses or neglects to file a release when required by subsection (b), the owner of the servient property may bring an action in a court of competent jurisdiction to recover from the grantee or assignee of record damages in the amount of \$500, together with costs and reasonable attorney fees for preparing and prosecuting the action. The owner may recover such additional damages as the evidence warrants, and may obtain injunctive relief to quiet the title and eject any unauthorized parties from the property.

KANSAS DEPARTMENT OF REVENUE
Office of the Secretary
State Office Building · Topeka, Kansas 66612-1588

MEMORANDUM

TO: The Honorable Rex Crowell, Chairman
House Committee on Transportation

FROM: Harley T. Duncan 
Secretary of Revenue

RE: Department of Revenue Requests for Legislation

DATE: February 2, 1987

The Department of Revenue respectfully requests that the House Committee on Transportation introduce legislation in accordance with the following recommendations. The requested bills are summarized only briefly here; complete explanations will, of course, be provided when the Committee hears the bills.

A. Vehicle Salesperson Licensing (K.S.A. 8-2404(d))

Current law provides that vehicle salesperson licenses expire on December 31 of each year. This is the same date that vehicle dealership licenses expire. **We recommend changing the expiration date of salespersons licenses to June 30 to even out the work load in the Dealers Licensing Bureau.** In the transition year, licenses would be issued January 1, 1987 and expire June 30, 1988.

B. License vs. Number Plates (K.S.A. 8-143b, 8-143f, 8-143h, 8-145a, 8-145b, 8-145c)

These statutes refer to "number plates". **With the implementation of SAM123 these statutes need to be amended to reflect the change from "number plates" to "license plates".** We recommend the changes.

C. Requirements for Yearly Registration Decals (K.S.A. 8-134)

Current law provides that the yearly registration decals be identified as to the county in which they were issued and that they be numbered serially in each county. This has the effect of complicating the process of manufacturing the decals and requiring the printing and maintenance of 105 separate inventories of decals. These requirements do not add appreciably to the security of the decals.

We recommend that KSA 8-134 be amended to (1) delete the requirement of having the county designated on the decal and (2) revise the requirement that the decals be numbered serially in each county to just being numbered serially. Effective date should be January 1, 1988. This change would enable the division to have one set of a particular decal and not one set for each county. The decals would be numbered serially statewide.

D. Funding for Vehicle Information Processing System.

It has always been intended that the Vehicle Information Processing System (VIPS) project being developed by the department would be paid for by an increase in a vehicle-related fee. VIPS is an overhaul of the automated and manual systems used to process vehicle title and registration transactions. The basic construct of the system is that all transactions will be entered into a computer system at the County Treasurer's office and updated via telecommunications to the State computer system on an overnight basis. The system will provide quicker, more efficient and more accurate vehicle transactions.

VIPS is designed to operate on the same computer system that has been installed in the counties for reappraisal. To encourage counties to purchase compatible computers and to purchase computers large enough to handle VIPS and reappraisal, the Department proposed to the counties that, **dependent on legislative authorization**, if they purchased a processor large enough to handle VIPS and reappraisal and if at the time we installed VIPS there was still sufficient room to handle VIPS, we would reimburse them the cost of the central processor. This proposal was made to insure compatibility, maximize our ability to support the two applications, and reduce total state and local costs for VIPS and reappraisal. All 100 counties which are eligible have agreed to the program, and the combined costs are about \$1 million less than would be incurred for separate systems over a five year period.

A phased implementation of VIPS will begin in FY 1988 and be completed by the end of FY 1989. It is therefore necessary to generate the revenues to pay for the system. Otherwise, the expenditures, assuming they are approved, will simply come from the State Highway Fund. **We recommend that the fee for issuance of an original or duplicate title be increased from \$3.50 to \$9.00 per title as a means of financing VIPS.** With an effective date of July 1, 1987, the fee increase will generate about \$8.8 million over a two year period, compared to projected costs of \$8.2 million for VIPS and the reimbursement of county costs for the purchase of the processors.

E. Collection of Vehicle Fees (K.S.A. 8-145)

There are a limited number of instances in which current statutes do not enable the division to collect all fees due. Also VIPS is predicated on the use of Electronic Funds Transfers between County Treasurer offices and the State Treasury, a system which is not envisioned in current law. To accomplish this, we recommend this statute be amended to: (1) enable the collection of additional title and registration fees not collected at the time of application to be collected the next year by the Division of Vehicles when the individual registers the vehicle; (2) enable the Division of Vehicles to suspend the registrations of those vehicles in which the owner refuses to remit the additional fees due; and (3) enable the Secretary of Revenue, at the direction of the Pooled Money Investment Board, to establish state bank accounts in the county for direct daily deposit of fees collected with electronic funds transfer to the State Treasurer. Effective date of January 1, 1988.

AN ACT designating Interstate highway 670 as the Jay Dillingham memorial highway.

Be it enacted by the Legislature of the State of Kansas:

Section 1. Interstate highway 670 where it enters the state on the Kansas-Missouri line on the east, thence west to the junction with Interstate highway 70, is hereby designated as the Jay Dillingham memorial highway. The secretary of transportation shall place markers along the highway right-of-way at proper intervals to indicate that the highway is the Jay Dillingham memorial highway. The secretary of transportation may accept and administer gifts and donations to aid in obtaining suitable highway signs bearing the proper approved inscription.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
