Conferees appearing before the committee:

Chairman Buntin requested that the Committee recommend a substitute bill for the Omnibus bill--SB 775--in which the omnibus decisions of the Appropriations Committee will be reflected. This procedure would allow for earlier consideration of the omnibus proposal on the House floor. Leadership of both parties agree that waiting to consider SB 775 from the Senate would delay the process another day. Representative Chronister moved that SB 775 be amended by substituting a new bill to be designated as "House Substitute for SB 775". Seconded by Representative Mainey.  
Motion carried.

The meeting was adjourned at 5:25 p.m.
