Rep. Russell, Excused.

Committee staff present: Myrta Anderson, Legislative Research

Mary Torrence, Revisor of Statute's Office
Dottie Musselman, Committee Secretary

Conferees appearing before the committee:

Representative Carl Holmes, District #125
Ron Thornburg, Secretary of State's Office

Chairperson Harper called the meeting to order and welcomed members of the committee for the 1988 session. The purpose of the meeting today was to hear and receive bill requests.

The Chair recognized Representative Carl Holmes, District #125. The Representative came before the committee asking that they introduce a piece of legislation relating to corrupt political advertising. Representative Holmes explained a situation in his area which arose this summer. A copy of the ad which was run in his paper was passed to members, along with a copy of the proposed legislation. Attachments 1 and 2.

A motion was made by Representative Helgerson to recommend the introduction of the above proposed legislation coming from Representative Holmes, and that it be referred back to the Elections Committee. Seconded by Representative Kline. Motion carried.

The Chair now recognized Ron Thornburg, Deputy Assistant, Office of the Secretary of State. Mr. Thornburg came before the committee telling them that his office had two proposals, which he hopes, are very simple and easy bills. The first one deals with federal service ballots, and they are asking for three different sections in the introduction. One, make it mandatory that all federal service ballots be sent 45 days prior to the election. Secondly, asking for a single application for a primary and general election ballot, and again for federal overseas ballots. Thirdly, they would like to change the site on KSA 25 1214 (a), as that reads now, it sites the old federal law, and would simply like to change the site to read with the new uniformed and overseas citizens code that has taken place in the last couple of years.

The second bill is simply to clarify some language on the 1987 House Bill 2039, which deals with precinct boundaries and the changing of those boundaries in the census.

A motion was made by Representative Kline to accept the proposals coming from the Office of the Secretary of State, and that these two pieces of legislation be referred back to the Elections Committee. Seconded by Representative Helgerson. Motion carried.

Meeting adjourned.

HOUSE COMMITTEE ON ELECTIONS

H. B. 2755--CORRUPT POLITICAL ADVERTISING

February 9, 1988

Mr. Chairman and members of the Elections Committee:

Our current statutes have a problem concerning accountability when trying to influence legislation. The problem became real for me this past fall before the special session. My desire is for honest government in Kansas.

Problems with this ad:

1. Designed to mislead public as to legislators position
2. No indication who placed the ad
3. Group listed was not registered with Public Disclosure Commission
4. No indication who paid for the ad.
5. Newspaper would not reveal who paid for advertisement
6. Newspaper said if people responsible for ad had to disclose, they would withdraw ad
7. Telephone number was two years old and had been changed
8. Telephone number discontinued during session
9. Caused people to feel I was not accessible
10. Newspaper did change phone number, but still kept source of ad anonymous

Thank you for the opportunity to testify--I stand for questions

Jays Into Nation's Top 10, 3-1

eight batters and hit one as the Dodgers had runners on base in every inning but the fifth.

The Bee Jays came to the aid of Beck with a season-high four double plays. Liberal had twin killings the fourth, sixth, seventh and ninth innings.

The win ran Beck's

season record to 10-0. The 10th victory ties him for the most victories in a season with Jim Allen (1968) and Mike Moore (1980).

It was Beck's second tournament victory. He defeated Tucson, Ariz. 9-1 in a first-round game at the Fairgrounds Park.

In the three wins, Beck and Mike Hoog have given up just two earned runs in 23 innings. Liberal's only tournament loss was to

unbeaten Hartselle, Ala. in a 10-8 slugfest.

Liberal scored all three of its runs in the first inning. The Bee Jays had only one hit, a double by Gary Schoonover in the fifth.

What proved to be the winning uprising began when Scot Pose led off the BJ first inning with a walk. Ronnie Ortega doubled Pose to third. He scored on John Jensen's groundout to first.

Keith Kaub's 69th RBI of the summer came on a single up the middle — plating Ortega.

After John Valentin was safe on an error, catcher Paul Ellison delivered a key two-out RBI single.

San Fernando got its only run in the third to complete the scoring.

"We're really battling right now," said Bee Jay Manager Doug Clark who is trying to get past the fifth

round. The loser today will finish in a four-way tie for seventh. That's the spot Clark's first BJ team placed last summer. "Beck got tough with men on base. Those double plays were great. They're a pitcher's best friend."

"They threw a couple of real good pitchers who had command of their breaking ball. Young hitters are used to seeing mostly fast balls. The breaking pitch gave us fits," said Clark.

St. Louis' only tournament loss came at the hands of Clarinda, Iowa 10-4. The Pointers made it into the Nation's top 10 by dropping Waco, Texas 6-1, Madison, Wis. 7-5 and Sunday eliminated seventh-seeded Midlothian, Ill. White Sox 10-9.

Clark was expected to start Rodney Brooks (3-4) against St. Louis. Brooks was the losing pitcher against Hartselle, Ala.

Brooks, BJs Stop St. Louis

WICHITA — Rodney Brooks threw his first shutout of the season Monday morning as the Liberal Bee Jays kept their National championship hopes alive with a 7-0 victory over St. Louis, Mo.

Brooks, 4-4, blanked St. Louis on a four-hitter, striking out seven.

The game was called after seven innings by the tournament's margin-run rule of 10 after five or six after seven.

Liberal, 4-2 in the tournament and 47-16 on the season, backed Brooks' pitching with 11 hits including Keith Kaub's two-run home run in the fourth — his fourth round tripper in the tournament.

The Bee Jays jumped into a 4-0 lead in the bottom of the first inning. Ron Ortega, who had three hits in the game, singled home the walking Scott Pose. After John Jensen popped up and Kaub was hit by a pitch, Tim Vannaman delivered a clutch two-run double, collecting his first RBIs of the tournament. John Valentin singled in Vannaman.

Only six teams will remain in the hunt after play is completed today. The tournament will take Tuesday off.

Wednesday's quarter-final schedule will be announced after today's games are completed.

Dils Rallies Rams

WEMBLEY, England (AP) — In the last four years, Steve Dils says, football has come of age in Britain.

Dils quarterbacked Minnesota in 1983 when the Vikings beat the St. Louis Cardinals before less than 30,000 curious spectators in 80,000-seat Wembley Stadium.

On Sunday, Dils was back at Wembley, this time playing for the Los Angeles Rams against the Denver Broncos before a near-capacity crowd of 72,000 screaming gridiron fanatics.

"The big difference between 1983 and tonight is that the people now are very knowledgeable," Dils said after directing three

second-half touchdown drives as the Rams rallied to edge the Broncos 28-27. "They seemed to enjoy the game and they seemed to cheer at the right time."

They had plenty to cheer about and lots to appreciate. There were six lead changes over the final 30 minutes and the outcome wasn't settled until Charles White's four-yard scoring run with 28 seconds to play.

Both teams used their starters for much of the first half.

Eric Dickerson, the NFL's single-season rushing record-holder, scored the game's first touchdown on a four-yard sweep late in the opening quarter to give Los Angeles a 7-0 lead.

Ousted State

After Manhattan scored the run in the top of the seventh to break a 4-4 tie and take a 5-4 lead, Liberal had runners on first and second with one out in the bottom of the inning. But, the next two batters failed to hit at least the tying run.

Manhattan led 4-0 after three. Liberal scored four runs in the bottom of the fourth to tie the game. Thomas Hock and Gleason had run-scoring singles in the inning.

"We got behind early because we committed three of our five errors the first three innings," Callahan said. "Then, we had a chance to win in the bottom of the seventh but couldn't get the key hit."

Jerry Wilkens went the distance and suffered the loss. Wilkens struck out four and walked three while giving up just five hits.

Liberal outhit Manhattan 5-3.

"We outhit our opponents both games but lost both games which doesn't make any sense," Callahan concluded. "But, it's been a good season. We made our first trip to state in several years."

Is Set Spin

Veteran Turpin High School Coach James Waters has scheduled only single practices rather than the usual two-a-day.

There's a growing trend toward one practice a day, Waters said. "It's believed you can get more out of your players with just one practice," Waters explained.

SAVE

\$1,000,000,000.00

Did you know as Kansas Tax Payer, you could save \$1 Billion on the New Highway Plan.

(See Item 4)

1. The proposed highway plan will cost \$1.6 Billion now and almost \$3 Billion if paid by 20 year bonds?
2. Fuel taxes will rise 5¢/ gallon immediately and be 60¢/ gallon by the time the new highways are paid?
3. Fees for the license plates on our small cars will rise 100% immediately and over 700% by the time the new highways are paid?
4. A 1¢ sales tax increase COULD pay for the new highways in 10 years and save over \$1 Billion, yet this method has NOT been proposed?
