HB 2705 - Concerning the joint committee on administrative rules and regulations

Arden Ensley, Revisor of Statutes, was present to give background on the bill. The committee chairman selection was patterned and copied from the rules used for conference committees. This process came into question when someone became unable to serve. He directed attention to page 2 of the bill, section (d) deleted language and what was added. He said this just puts in what article 12 indicates. Section (e) deals with compensation authorization.

Mr. Ensley said that LCC policy does not legally bind the committees, but they have a strong say so in what takes place.

The Rules & Regulations committee is mainly concerned with review and oversight of the rules of 75 agencies of state government.

The Chairman thanked Mr. Ensley and stated the hearing was closed on HB 2705.

Representative Barr moved for reconsideration of HB 2586. Representative Sprague seconded the motion. The motion carried 7-4.

The meeting was adjourned.
