MINUTES OF THE House COMMITTEE ON Labor and Industry

The meeting was called to order by Representative Arthur Douville at
Chairperson

9:00 a.m./~~p.m.~~ on January 20, 1988 in room _____ of the Capitol.

All members were present except:

Representative Sifers - Excused

Committee staff present:

Juel Bennewitz, Secretary to the Committee

Conferees appearing before the committee:

The committee was met at the Capitol by Blanche Parks, Special Assistant to the Secretary of Human Resources. She escorted the committee to the administrative offices of the Department of Human Resources, 401 Topeka Boulevard where it was introduced to the administrative staff by Dennis Taylor, Secretary of Human Resources. All floors of the administrative offices, which house departments of unemployment compensations, research, security and benefits, were toured. The committee learned the department is located in four buildings and two houses.

Secretary Taylor and Lana Oleen, Director of Communications joined the tour as it visited the Employment Security Systems Institute, known as ESSI. It was learned the building was constructed with federal funds. Since that time, title to the building has been transferred to the State of Kansas although all projects conducted there are federal projects.

It was suggested that since time prohibited visiting all the sites planned, another tour of the remaining sites might be planned for a later date.

The next meeting will be Thursday, January 21, 1988, 9:00 a.m. in Room 526-S.

Attachment #1 is a copy of the proposed tour scheduled.
