Conferees appearing before the committee:

Chair called meeting to order, drawing attention to:

**SCR 1618-**

Chair noted Senator Ehrlich had contacted Chair and strongly requested House Committee on Public Health and Welfare Committee take action on **SENATE CONCURRENT RESOLUTION 1618.**

Chair explained the bill, i.e., if enacted would direct Schools of Nursing in the State to expedite the development of training programs for Nurse Practitioners.

Chair asked for discussion. Discussion followed, i.e., no, there are no schools currently offering this training in Kansas. It was noted SCR 1618 had been requested by the Commission on Medically Indigent.

Rep. Branson moved to report SCR 1618 favorably out of committee, seconded by Rep. Wiard. No discussion. Vote taken, motion carried.

Chair then presented to Secretary of Committee a gift certificate in behalf of all committee members, for their thanks to her.

May it be recorded this date, Sue Hill Committee Secretary is grateful and very appreciative for this thoughtful gift. She expressed her thanks, but words cannot truly convey her total feelings.

Meeting adjourned.
