MINUTES OF THE SENATE COMMITTEE ON LOCAL GOVERNMENT

The meeting was called to order by Sen. Don Montgomery at
Chairperson

9:00 a.m./~~p.m.~~ on February 9, 1989 in room 531-N of the Capitol.

All members were present except:

Senators Burke, Gaines, and Steineger - Excused

Committee staff present:

Mike Heim, Legislative Research
Theresa Kiernan, Revisor of Statutes
Shirley Higgins, Committee Secretary

Conferees appearing before the committee:

Ron Hein, Kansas Auctioneers

The Chairman began the meeting by calling the committee's attention to a hand out from the Insurance Department with the information that had been requested by the committee at the hearing on SB 55 concerning the firefighters relief fund. (See Attachment I).

Ron Hein, Kansas Auctioneers, appeared to request the introduction of a bill. (See Attachment II). The purpose of the bill would be to provide a statewide licensure method for auctioneers. It would create a board to do this and would be a fee agency.

Sen. Allen made a motion to introduce the bill and refer it back to committee, Sen. Lee seconded, and the motion carried.

Attention was turned to SB 57 concerning municipal group-funded liability pools. Staff distributed copies of the bill showing the deletion which strikes out the requirement that the board not be more than eleven persons. (See Attachment III). The Chairman informed the committee that the House has a duplicate bill which is now on the House Consent Calendar. Both Bill Curtis, Kansas Association of School Boards, and Bernie Hayne, League of Kansas Municipalities, declined to testify due to the existence of the House bill. (See Attachments IV and V).

The Chairman began a discussion of SB 56 concerning the general bond law which had been heard yesterday. There being no further questions on the bill, the Chairman called for a vote.

Sen. Petty made a motion to recommend SB 56 favorable for passage, Sen. Langworthy seconded, and the motion carried.

The Chairman said that, hopefully, the additional information on SB 17 concerning group homes for the mentally ill will be ready for consideration by the committee by next week.

The minutes of February 8 were approved.

The meeting was adjourned.

Attachment II

New Sec. 3. (a) There is hereby created the board of auctioneers. The board shall consist of five members appointed by the governor. The members of the board immediately prior to their date of appointment shall have been residents of this state for at least five years and shall be of good reputation, and at least three members of the board shall have been engaged in the vocation of auctioneering for at least five years and shall be knowledgeable in the auction profession.

(b) The terms of the members appointed to the board shall be for three years and until their successors are appointed and qualified except that of the members first appointed to the board one shall be appointed for a term ending June 30, 1990, two shall be appointed for terms ending June 30, 1991, and two shall be appointed for terms ending June 30, 1992, as designated by the governor. Before the expiration of the term of a member, the governor shall appoint a successor whose term begins on July 1 following the appointment. If a vacancy on the board exists for any cause, the governor for that vacant position shall make an appointment to become immediately effective for the unexpired term. Whenever there is a member to be appointed to the board, the Kansas auctioneers association may submit to the governor a list of at least three names for each such member to be appointed, and the governor shall consider the names on such list prior to making the appointment.

(c) The first meeting of the board shall be at a time and place designated by the governor. The first member of the board appointed by the governor shall act as temporary chairperson of the board. At the first meeting of the board and annually thereafter, the board shall elect a chairperson and a vice-chairperson from among the members of the board. A majority of the members of the board shall constitute a quorum for the transaction of business. Meetings subsequent to the first meeting of the board shall be at a time and place specified by the call of the chairperson or of a majority of the members of the board.

(d) Members of the board attending meetings of the board, or attending a subcommittee meeting thereof authorized by the board, shall be paid compensation, subsistence allowances, mileage and other expenses as provided in K.S.A. 75-3223 and amendments thereto.

New Sec. 4. (a) On and after January 1, 1990, it shall be unlawful for any person to act as an auctioneer or to advertise or to assume to act as an auctioneer unless such person holds a valid license issued by the board of auctioneers.

(b) A violation of this section is a class B misdemeanor.

New Sec. 5. (a) Auctioneer licenses shall be granted only to persons who are found to be of good repute, trustworthy and competent to transact the business of an auctioneer in such a manner as to safeguard the interest of the public.

(b) The board is authorized to require information from every applicant to determine the applicant's honesty and truthfulness.

(c) An examination, conducted by the board or its authorized representative shall be held four times each year, and an examination fee of not to exceed \$100 as established by rules and regulations of the board shall be collected from each applicant for auctioneer. Examination fees shall be nonrefundable and shall defray the expenses of processing the application and of conducting the examination. The examination shall include questions on ethics, mathematics, principles of land economics and a general knowledge of the statutes of Kansas relating to the bulk sales law, deeds, mortgages, contracts of sale, agency, leases, auctions, brokerage and the provisions of this act.

(d) No examination shall be required for the renewal of any current or future license, unless such license has been revoked, suspended or is allowed to expire without renewal. In any of these cases, the board may require the applicant to take and pass the written examination before a new license may be issued.

(e) The provisions of subsection (c) requiring applicants

to pass a written examination to obtain a license shall not apply to an auctioneer furnishing satisfactory proof to the board that the auctioneer actively engaged in the auction business for a period of at least one year prior to July 1, 1989, and that the auctioneer has been an auctioneer in at least five auctions of either real or personal property during this period of time. Such an applicant shall file an application and proof with the board no later than October 1, 1989, and the application and proof shall be accompanied by a license fee in accordance with the provisions of this act.

New Sec. 6. Testimony before the Senate Local Government Committee

by

Bill Curtis, Assistant Executive Director
Kansas Association of School Boards

February 9, 1989

Mr. Chairman and members of the committee, we appreciate the opportunity to testify today on SB 57 on behalf of the Kansas Association of School Boards. This bill simply strikes the maximum number of people that may serve on the board of trustees of a group-funded pool. SB 57 is identical to HB 2061, introduced by the House Insurance Committee at our request.

As KASB expands the number of pools, the question of creating a separate board for each pool becomes important. Our current board, governing the workers' compensation pool, would like to see the same board for all pools. However, that creates a problem in terms of orientation and information, if all trustees must become familiar with all lines of insurance. Most of the trustees are not knowledgeable about insurance matters. It takes a great deal of time and effort to educate them. Instead, we have decided to pursue a committee structure within the existing board of trustees. Each pool would be governed by the same board but many of the decisions regarding each pool would be resolved by a committee of approximately

five people. Those five would then report back to the full board. If our plans for expanding are successful, there will be four or five different pools. That could mean a board of trustees with as many as 25 people. Each trustee then would only need to be familiar with one type of insurance. One board for all pools would be more efficient and economical.

We appreciate the attention of the committee and urge your support for SB 57.

Boards of Municipal Group-Funded Risk Pools

The League requests the Committee on Local Government to introduce a bill to amend K.S.A. Supp. 12-2627 to remove the maximum number permitted on the board of trustees of a municipal group-funded risk pool.

Background. K.S.A. Supp. 12-2616 et seq. was enacted in 1987 to regulate municipal risk pools, sometimes called insurance pools. K.S.A. Supp. 12-2627 requires the board of trustees to have not less than three nor more than 11 persons. Members of the Kansas Intergovernmental Risk Management Agency (KIRMA) want more discretion as to the number of trustees. KIRMA is a legally constituted but currently non-operating group of 31 Kansas cities which adopted an interlocal cooperation agreement to form a joint risk management and risk coverage public pool.

Advantages. Eliminating the maximum would provide the member governments of a group-funded pool with discretion as to the number of members on the board of trustees. This would permit the member local governments to determine the number of trustees based on the number and size of the participants, area, types of local units which become members in the future and other factors the member governments deem important.
