One bill is to make clear the legislative intent that local land use regulations not interfere with the state's ability to construct facilities pursuant to HB 2548. The other bill is to include the competitive bidding procedure and the public sale of bonds for the project. The decision was made to refer the two bills to the Committee of the Whole. The motion carried.

Senator Feleciano moved, Senator Allen seconded, to report HB 2099, as amended, favorably for passage. During discussion, the Chairman asked if anyone in the room wished to add comments or requests pertaining to HB 2099. There was no reply. The motion carried on a roll call vote.
