

Approved March 14, 1990  
Date

MINUTES OF THE SENATE COMMITTEE ON WAYS AND MEANS

The meeting was called to order by SENATOR AUGUST "GUS" BOGINA at  
Chairperson

11:10 a.m./~~pm~~ on FEBRUARY 20, 1990 in room 123-S of the Capitol.

All members were present except:

Committee staff present:

Research Department: Diane Duffy, Leah Robinson  
Revisor: Norm Furse  
Committee Staff: Judy Bromich, Administrative Assistant  
Ronda Miller, Committee Secretary

Conferees appearing before the committee:

Keith Ratzloff, Comptroller, Kansas State University  
J. Santford Duncan, Commissioner, SRS  
Al Nemec, Commissioner, Mental Health & Mental Retardation Services, SRS

#### INTRODUCTION OF BILLS

Senator Gaines moved, Senator Salisbury seconded, the introduction of bill draft 9 RS 2517. The motion carried.

SB 590 - AN ACT concerning change funds; amending K.S.A. 75-3078 and repealing the existing section.

Keith Ratzloff reviewed the section of Attachment 1 pertaining to SB 590. In answer to a question, he stated that the figure of \$40,000 was based on projected increases that have been identified. He noted that the \$20,000 maximum for the change funds has been in effect approximately 10 years.

SB 591 - AN ACT concerning certain imprest funds; amending K.S.A. 75-3057 and repealing the existing section.

Keith Ratzloff reviewed the section of Attachment 2 pertaining to SB 591. He told the Committee that the increase in the imprest funds is needed because of the increase in the change funds and because the increased need was not addressed when the statute regarding the \$5.00 warrants was passed. In answer to a question, it was stated that the funding source for this increase will be the State General Fund, rather than the General Fee revenues as stated in Attachment 2.

SB 593 - AN ACT relating to the state economic development initiatives fund; concerning transfers to the state water plan fund; amending K.S.A. 79-4804 and repealing the existing section.

Chairman Bogina explained that SB 593 delays the transfer of Economic Development Initiatives Fund (EDIF) monies to the state water plan fund because there is no money in EDIF at the current transfer dates. The transfer dates change from July 15 and January 15 to October 15 and April 15. He noted that there is no change in the amount of the transfer and that the transfer occurs in the same fiscal year.

SB 663 - AN ACT concerning imprest fund for area offices of the department of social and rehabilitation services; amending K.S.A. 75-3061 and repealing the existing section.

Commissioner Duncan reviewed Attachment 2. In answer to a question, Comm. Duncan stated that the \$500,000 limit has been in effect one year, but as child support collections increase, the limit will need to increase. He indicated that the \$1 million cap should be adequate for several years. He

Unless specifically noted, the individual remarks recorded herein have not been transcribed verbatim. Individual remarks as reported herein have not been submitted to the individuals appearing before the committee for editing or corrections.

CONTINUATION SHEET

MINUTES OF THE SENATE COMMITTEE ON WAYS AND MEANS,  
room 123-S, Statehouse, at 11:10 a.m./p.m. on XX FEBRUARY 20, 1990.

stated that child support collections amount to \$40 million this year; next year's goal is \$60 million. Comm. Duncan noted that the money remains invested in interest with Pooled Money Investment Board until it is drawn out at an interest rate of 7.6%.

SB 666 - AN ACT relating to work therapy projects and work therapy project funds; amending K.S.A. 75-3728e, 75-3728f, 75-3728g, 75-3728h and 75-3728i and repealing the existing sections.

Al Nemec reviewed Attachment 3. In answer to a question, he stated that he would provide information for the Committee regarding the amounts that might be needed in the work therapy project funds. He noted that KNI might need \$8,000 and the largest amount needed would be approximately \$40,000 for Osawatomie.

Senator Feleciano moved, Senator Doyen seconded that SB 449 as amended, SB 590, SB 591, SB 593, SB 663, and SB 666 be recommended favorable for passage. The motion carried.

Chairman Bogina called the Committee's attention to a memorandum (Attachment 4) from James R. Cobler regarding compensation of various boards that was requested during discussion of SB 373.

The meeting was adjourned.

Senate Bill No. 590 and 591  
Testimony Provided  
To The Committee on Ways and Means  
by Keith L. Ratzloff  
Controller, Kansas State University  
February 20, 1990

Mr. Chairman, members of the Committee. Thank you for the opportunity to testify on behalf of the amendment to K.S.A. 75-3078 and K.S.A. 75-3057.

IMPREST FUNDS (S.B. 591)

Imprest Funds are funds that the Board of Regents' Institutions are authorized to maintain in local bank accounts at each institution. These checking accounts, which are approved by the Pooled Money Investment Board, provide funds for advances for International Travel and support University sponsored student group travel for such activities as debate tournaments, livestock judging, etc. In addition, these imprest funds are used to respond to immediate needs for cash disbursements which cannot be made on a timely basis through the normal process (i.e., via state warrants issued by the Division of Accounts and Reports). Imprest Funds may also be used to pay amounts due of less than \$5, which cannot be paid by state warrant (K.S.A. Supp. 75-3732). Imprest funds may also be used to pay amounts to employees to correct payroll errors. Finally, the imprest fund is used to fund the Change Fund needs at each institution. I will address this need later in this narrative.

Monthly, each institution files with the Division of Accounts and Reports a reconciliation statement of the imprest account and a voucher documenting the payments made. Accounts and Reports then issues a warrant to restore the fund to its original balance and to charge the institution's operating funds for the expenses made.

The amendment to K.S.A. 75-3057 is requested to increase the Imprest Fund from the current authorized amount of \$35,000 to \$60,000 for Kansas State University and from \$22,000 to \$35,000 for Pittsburg State University. This increase is necessitated by the fact that the demands placed on the imprest funds have increased significantly over the past few years. The need to pay for the amounts under \$5 and increased international travel have had the biggest impact on the funds available.

The funding source for this increase will be from General Fee revenues.

CHANGE FUND (S.B. 590)

K.S.A. Supp 75-3078 authorizes the Director of Accounts and Reports to establish a maximum Change Fund of \$20,000 at each Regents' institution, upon request by the institution. This Change Fund is

SWAM  
February 20, 1990  
Attachment 1

established by drawing a check against the institution's Imprest Fund. These change funds are used exclusively for making change from customer receipts. Such change funds are used by our institutions to make change at locations such as copy centers, theater and concert ticket outlets. Additional uses are student registration, and at Kansas State University, in particular, at the County Extension offices.

Our change funds at Kansas State University currently total \$19,200 out of a maximum allowed of \$20,000. This allows us little flexibility to meet our ever increasing needs to provide more change fund capability. Therefore, we are requesting that this maximum be increased from the existing \$20,000 to \$40,000. The new \$40,000 maximum would be available to all Regents' institutions, as the current statute is uniformly applicable. Please note that this request, in part, is what prompted the need to increase the Imprest Fund limits as requested in Senate Bill No. 591 due to the fact that the Change Fund is funded from the Imprest Fund.

Thank you again for the opportunity to testify before you on these matters.

KANSAS DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES  
Winston Barton, Secretary

February 20, 1990

Statement Regarding: S.B. 663

**TITLE:**

AN ACT concerning imprest fund for area offices of the department of social and rehabilitation services.

**PURPOSE:**

To permit the secretary of social and rehabilitation services to establish an imprest fund in each area office, the total of such funds not to exceed \$1,000,000.

**BACKGROUND:**

SRS has established an imprest fund from which each area office can write checks in specific instances where an immediate payment is needed. The fund is then replenished from the appropriate source. The primary use of the fund is for issuance of child support checks in non-AFDC cases. An absent parent sends a support check to the courts; the courts in turn send the funds to SRS for issuance to the custodial parent. Federal regulations require that this entire process not exceed 15 days. Because of this deadline, SRS must sometimes issue the support checks before the court's check has cleared.

The current statutory limitation on the imprest fund is \$500,000. Because of recent rapid growth in the non-AFDC child support collection program, this limit is no longer adequate for the volume of checks we are processing.

**EFFECT OF PASSAGE:**

Increasing the statutory limit on the imprest fund would give the department additional flexibility in the issuance of child support checks. The department would still be required to go through the state regulation process to increase the accounts when needed. We believe this restriction will still allow legislative control over the monies. The bill will have a fiscal impact of about \$7,600 to the State General Fund for each \$100,000 of imprest fund authority used, which represents interest which would otherwise be earned on these funds.

**RECOMMENDATION:**

The department requests passage of this legislation.

J. S. Duncan  
Commissioner of Administrative Services  
3272

Attachment 3

DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES  
WINSTON BARTON, SECRETARY

Statement Regarding: S.B. 666

**TITLE:**

AN ACT relating to work therapy projects and work therapy project funds.

**PURPOSE:**

This bill would allow state hospitals to continue to operate work therapy projects for their patients in the same manner as canteens are operated. Work therapy projects are operated either on-campus in the same manner as a sheltered workshop, or off-campus in the community as a means of helping clients integrate into community placement. A local bank account would be used to handle finances subject to oversight of the budget approval process by the Division of Accounts and Reports, and through regular audits by the legislative Post Auditor.

**BACKGROUND:**

Prior to FY 1990 the hospitals used their canteen accounts to handle the finances of their work therapy projects. During the 1989 legislative session the state Division of Accounts and Reports determined that the use of the canteen accounts as work therapy funds was improper. The prior practice of using canteen accounts had been based upon 15 years of unwritten agreements to use them in that manner. As a temporary means to correct the problem the appropriations bill for the hospitals was amended with a proviso allowing the hospitals to operate the projects in the same manner as the canteen funds are operated.

For a number of years our hospitals have operated sheltered workshops and other similar ventures as a means of providing prevocational training for our clients. While the projects vary between the institutions, each of them is focused toward providing an opportunity for clients to have a work training environment to help them develop skills that will aid their future placement into the community. The projects often involve manufacturing or services provided that are reimbursed by contracts with vendors or through sales to the public. The projects generally fulfill treatment recommendations by the treatment teams at each of the institutions.

**EFFECT OF PASSAGE:**

Create a statutory basis to operate existing work therapy projects.

**RECOMMENDATIONS:**

The Department of Social and Rehabilitation Services supports this bill.

- \* "Actual and Necessary Expenses" interpreted under K.S.A. 75-3206, to be in accordance with the provisions of K.S.A. 75-3207 (subsistence allowance) and K.S.A. 75-3203a (mileage reimbursement).
- # K.S.A. 75-3212 authorizes \$69.00 for any day or part thereof spent in actual attendance at any in-state meeting plus \$69.00 for any day or part thereof other than the day of the meeting spent in going to or returning from any in-state meeting, provided such person resides more than 100 miles from the location of the meeting.
- % Mileage only allowed.
- @ \$70.00 for meeting, plus an additional \$35.00 each day enroute to and from the meeting if over 100 miles. Chairperson authorized an annual salary of \$2,400.00 in addition to the per diem.
- \$ Compensation set by the Secretary of Health and Environment and subject to approval of the finance council.
- ! Compensation as determined by the Supreme Court
- H.A. Expenses, where authorized, are paid by the agency in which the member is employed.

NOTES:

"No per diem compensation shall be paid . . .  
to salaried state officers or employees. . ."  
K.S.A. 75-3223

Subsistence and mileage expenses, where not addressed in the enabling statute, are considered reimbursable under the provisions of K.A.R. 1-16-1b (advisory personnel).
