The Chairman noted that the committee report on HB 2643 had not been turned in because some persons on the prevailing side had indicated that they wished to reconsider their action.

Senator Allen moved to reconsider HB 2643 because of the effect it would have on one school district in the state. Senator Doyen seconded the motion.

Senator Brady opposed the motion to reconsider and stated that he would continue to support HB 2643. He said that he would support additional revenue and then implement a "hold harmless" for some districts.

There was lengthy discussion about the fairness of the impact of HB 2643.

The motion to reconsider carried on a roll call vote.

The Chairman adjourned the meeting at 8:07 p.m.
