Representative Krehbiel, excused

Representative Lawrence, excused

Representative Shore, excused

Committee staff present:

Raney Gilliland, Principal Analyst, Legislative Research Department

Pat Mah, Legislative Research Department

Mary Torrence, Revisor of Statutes Office

Lenore Olson, Committee Secretary

Conferees appearing before the committee:

Carl Weinberg, head of Research & Development, Pacific Gas & Electric

Chairperson Grotewiel welcomed Carl Weinberg to the Committee meeting.

Mr. Weinberg, head of Research and Development for Pacific Gas and Electric, talked about energy efficiency and energy strategies in the utilities business. He presented overhead charts to go with his review on economics of scale, technology development, and efficiency of generating units. Mr. Weinberg said that the "mini-power producer" is an example of the trend for smaller energy packages. These developments will result in a regulatory environment that will be more complicated, not simpler. Mr. Weinberg closed by responding to questions from the Committee.

The meeting adjourned at 4:25 p.m.

Date: 2/13/92
