Conferees appearing before the committee:

Chairman Dillon called on Representative Gross who was appointed Chairman of a Sub-Committee assigned to study the Kansas Motor Fuel Marketing Act. (House Bill 2628)

Representative Gross said that the House Transportation Sub-committee appointed to study this matter was waiting for responses from the oil refiners. (A letter was written, by Chairman Dillon on behalf of the Committee, to various major oil companies asking them to explore ways of solving oil marketing problems with their distributors).

Representative Gross suggested that the subject matter of the bill be reintroduced through the House Appropriations Committee and then have it re-referred back to the Transportation Committee.

All Agreed.
